Dear Mrs. McSwain:

Please find enclosed a grant application from the Walhalla Auditorium Restoration Committee, Inc., requesting funding support of \$24,800.

The restoration of the Walhalla Graded School Auditorium has become a true community effort. Local professionals have volunteered their contracting, architectural and environmental services and local businesses have donated goods and services for fundraising efforts. To date the committee has one hundred and fifty three (165) members dedicated to the auditorium's re-opening.

At this point we have raised over \$100,000. We sincerely hope that you will be able to support this worthy endeavor.

Should you have any questions regarding the proposal, please do not hesitate to contact me at 638-2995, or Mrs. Maxie Duke at 638-5200.

With best wishes,

**The Walhalla Auditorium when restored will promote tourism in many and various ways. We suggest a few:**

The auditorium will be marketed across the state and in neighboring states as a meeting and convention site.

The Southeastern Federation of Gems and Mineral Societies often put on gem shows in the area. We have a large number of members in the region who would be glad to host a show in our 400 seat auditorium.

Specialized antique shows and auctions can be held in the auditorium and will draw crowds from 100's of miles around. This idea is very much a reality since we have 12 or 14 antique shops here in Walhalla. These people have ties with dealers in Highlands and many other areas in the southeast.

The Wagner Society of Walhalla supports classical musical events of all kinds and have ties to many classical groups in the southeast especially who would welcome a small auditorium for their performances. I have spoken personally to members of the Wagner Society concerning this. **As a part of this, chamber musicians from Atlanta, Highlands, Greenville, Spartanburg, Charlotte, Brevard and Columbia can be invited to perform. These groups have quite a large following.**

Visiting artists such as Piccolo Spoleto from Charleston will be most interested in a facility such as ours. Charleston and Walhalla have 150 years of close connection which we hope to revive.

This will be a perfect place for political rallies. Small conventions which send delegates may be held there.

The Home Builders Association will be able to host vendors and builders from the tri-state and upstate areas.

The Realtors Association can invite developers, legislators and Chamber of Commerce people from throughout the state and neighboring states to convene here and enjoy our beautiful Blue Ridge Mountains.

Bankers, Credit Unions, Bar, Medical and Teacher Associations will want to use this facility.

It will be a perfect venue for small touring play-groups, for Blue Grass Bands, Gospel Singers, and for small dance companies.

Every small college around here needs a venue to present their talent and as a result will draw audiences from their area.

Counties around us including those in Georgia and in western North Carolina have no venue such as we plan to provide. Craft shows from the entire southeast will be welcomed. These shows certainly draw from miles around.

To improve tourism in this area some entertainment should be provided for the evening hours as well as the day hours. This auditorium will help to provide this entertainment and be a positive force in the wise and careful development of this area.

## Walhalla Auditorium Restoration Committee, Inc.

### Project Summary

The Walhalla Auditorium Restoration Committee, Inc. (WARC) is a non-profit organization dedicated to providing a first quality civic auditorium for a community that currently has no adequate resource of this kind. To meet this goal, WARC has committed itself to the restoration and renovation of the Graded School Auditorium (c.1913) in downtown Walhalla. This beautiful old auditorium has not been used since it was abandoned by the school district in the 1980's. The completion of this \$350,000 project will enhance the cultural and educational life of Oconee County's principle town, as well as preserve the building's historical value.

### Introduction

Walhalla was settled in 1849 by German immigrants. It is located at the foot of the Blue Ridge Mountains of South Carolina some fifty miles from Greenville. Today Walhalla is the seat of county government and is situated along the Heritage Corridor.

Walhalla Graded School was constructed in 1903 and is now the site of the administration offices of the county's school district. The building is listed of the National Register of Historic Places. The attached auditorium was built in 1913/1914. In addition to serving as venue for school graduations, the auditorium, with its balcony and 40-foot stage, was heavily used by community groups and as performance space by nationally recognized entertainers.

With the construction of new schools only one of which included an auditorium, the Graded School Auditorium was abandoned and gradually fell into a sad state of disrepair. Local theater and dance groups were forced to curtail their schedules or eliminate performance altogether, which led to the demise of several performing organizations.

WARC was established in 1995 by a group of concerned citizens who recognized the need for a place where area young people could further explore the arts and develop their talents, and the need to preserve a historic community building. To date, the auditorium has been cleared of debris and the floor and roof have been repaired. Funds are raised through committee membership dues and special events. Grants have been awarded by the county, the Max and Victoria Dreyfus Foundation, and the Duke Power Foundation.

### Need Statement

As the county seat, Walhalla is increasingly looked to as a resource by the surrounding rural community since there is no civic auditorium within the county. The development of area music, theater (there are even hopes of establishing a Little Theater Group), and dance groups is stunted without the guarantee of adequate performing space. Without this development, the cultural enrichment of the area, as well as its arts heritage, is threatened.

The Walhalla Graded School Auditorium is of significant historic value to the community and the county. Many of its residents have memories of attending events there. With its restoration, the auditorium will come alive again with those old memories and the beginning of new ones.

We have audited the accompanying statement of position (cash basis) of Walhalla Auditorium Restoration Committee (a nonprofit organization) for the year ended December 31, 1998 and the related statement of cash receipts and disbursements. These financial statements are the responsibility of the Committee's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of position (cash basis) and the related statement of cash receipts and disbursements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

As described in the notes to the financial statements, these financial statements have been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash receipts and disbursements of Walhalla Auditorium Restoration Committee for the year ended December 31, 1998, on the basis of accounting described in note 2.

1. The Walhalla Auditorium Restoration Committee is a nonprofit organization exempt under Federal Tax Code Section 501(c)(3) organized to restore a auditorium building on Oconee County, S.C. school property for public benefit.
2. The committee prepares its financial statement on a cash receipt and disbursement system. Income is recognized when received rather than when earned. Expenses are recognized when paid rather than when occurred. This is a comprehensive basis of accounting other than generally accepted accounting principles.
3. Total Net Assets include a \$20,000.00 donation that was made with the stipulation that the funds where only to be used if the auditorium restoration project was fully completed. The Walhalla Auditorium Restoration Committee agreed to this request and have designated that these funds will be the last used on the restoration expense of the auditorium.

- A. REPLACE SECURITY PLUMBING AND SECURITY LIGHTING We are requesting \$21,000.00 to replace the security plumbing and security lighting to meet the standards. The security plumbing is so old that parts are no longer available. We will have to use retrofit fixtures that will bring the foot-candles up to 20 in all of the pre-trial side of the jail. We will also be adding some additional furniture, fixtures, and equipment to meet minimum standards in the cell areas.
- B. REMODEL DETENTION FACILITY We are requesting \$12,000.00 to remodel the Control Room and to build three rooms in the old juvenile cell. The much needed space will be used for a doctor examination room, supervisors' training record room, and a medical room to secure all medicines and medical records. This will also include new tile in the Control Room, Booking Room, and the Interrogation Room. We will place a fatigue mat in the Control Room. This tile will be replacing all the carpet in the Control Room and booking areas of the jail. This amount will cover all remodeling, electrical and building materials and furnishings of the new offices to include, but not limited to, file cabinets, desk and an examination table.
- C. REMODEL DOWNSTAIRS We are requesting \$25,000.00 to remodel all the downstairs of the Oconee Law Enforcement Center and the stairway area. This will include carpet, ADA required fixtures and door handles, furnishings, electrical, heating and air equipment, paint, security equipment and all other items needed to remodel the existing offices, including telephone lines and computer cables.
- D. HEATING AND AIR SYSTEM We are requesting \$4,000.00 to install a heating and air system for the radio equipment room of the Oconee Law Enforcement Center. We have the emergency generator and all of our radio equipment in this room located in the sally port area behind the female cells. During the heat wave last summer, we experienced a lot of problems with the radio equipment. We were advised by radio maintenance of the importance of controlling the temperature in this room. This unit would also provide some additional heat and air to the female cell that has problems during extreme heat and cold times of the year. This would extend the life of our radio equipment and cut down on the maintenance calls and down time of the system, which is vital to our 911 dispatch center.

(4) which attacks, bites, or injures a human being or domesticated animal without adequate provocation, or which, because of temperament, conditioning or training, has a known propensity to attack, bite, or injure human beings or domesticated animals.

(B) An animal is not a "dangerous animal" solely by virtue of its breed or species.

2.14: Potentially Dangerous Animal: An animal of the canine or feline family that chases or approaches any person or domestic animal, anywhere, other than on the property of the owner, in a menacing fashion or with an apparent attitude of attack including, but not limited to, behavior such as growling or snarling.

### SECTION 3: AUTHORITY

This ordinance is adopted pursuant to the provisions of Sections 47-3-20, et. seq., Code of Laws of South Carolina, 1976.

### SECTION 4: RESTRAINT

4.1: All Animals shall be kept under restraint.

4.2: No owner shall fail to exercise proper care and control of his dog to prevent him from being a public nuisance.

4.3: Every female dog or cat in heat shall be confined in a building or secure enclosure in such a manner that such female dog or cat cannot come into contact with another animal except for planned breeding.

4.4: Every dangerous animal and potentially dangerous animal, as determined under this Ordinance shall be confined by the owner within a building or secure enclosure and shall be securely muzzled or caged whenever off the premises of its owner.

### SECTION 5: BITING OR ATTACKING PERSONS

All animal bites or injuries to a human being shall be reported by medical personnel with knowledge of the bite or injury to the rabies control officer in the Department of Health and Environmental Control. Whenever the Animal Control Officer or Humane Society Officer is notified and shown that an animal has bitten or attacked a person, such officer shall promptly notify the Oconee County Department of Health and Environmental Control of such bite or attack and shall cooperate with the said health department in impounding and quarantining such animal.

### SECTION 6: IMPOUNDMENT AND VIOLATION NOTICE

6.1: Unrestrained and nuisance animals, upon receipt of a written complaint signed by the complainant, may be taken by Law Enforcement Officials, Animal Control Officers and/or Humane Society Officers and impounded in the Oconee County Animal Shelter and there be confined in a humane manner.

In addition to, or in lieu of, impounding an animal at large, the Animal Control Officer or lawful constable or deputy sheriff may issue to the known owner of such animal a notice of ordinance violation. Such notice shall impose upon the owner a warning for a first offense. The owner shall be charged a penalty of fifty dollars (\$50.00) for the second violation, seventy-five dollars (\$75.00) for the third violation and one hundred dollars (\$100.00) for each subsequent violation. Said penalties shall be made payable to the Treasurer of Oconee County and paid at the Oconee County Animal Shelter within ten business days from the date of issuance in full satisfaction of the assessed penalty. In the event that such penalty is not paid within the time period described, a criminal warrant shall be initiated before a magistrate and upon conviction of this ordinance, the owner shall be punished as provided in Section 12 of this ordinance. In addition, the owner shall be required to pay a fee of five dollars (\$5.00) per day for each day the animal is boarded by the County, actual cost for inoculation of the animal (if applicable) and a five dollar (\$5.00) impoundment fee. In addition, at the discretion of the animal shelter, a thirty dollar (\$30.00) fee and mandatory sterilization of the animal may be required if the animal is impounded on more than one (1) occasion. Five dollars (\$5.00) shall be the impoundment fee and twenty-five (\$25.00) shall help defray the cost of sterilization. The sterilization shall not be required if the owner or other person redeeming the animal provides a written statement from a licensed veterinarian that the spay or neuter procedure would be harmful to the animal due to reasons of age or health or that the animal has already been sterilized.

6.2: Notwithstanding the above, the Animal Control Officer, Law Enforcement Officer and/or Humane Society Officer may without written complaint impound animals not having a valid current rabies inoculation tag and found off the owner's property.

6.3: Impounded dogs and cats shall not be kept for fewer than five (5) working days.

6.4: If by tag or other means, the owner of an impounded animal can be identified, the Animal Control Officer shall immediately upon impoundment notify the owner by telephone or certified mail. Any identifiable animal, not appearing to be abandoned, upon notification of the owner by telephone or certified mail, shall not be kept for fewer than fourteen (14) days.

6.5: Abandoned animals shall be impounded and shall be kept for no fewer than five (5) working days.

6.6: Any owner reclaiming an impounded dog or cat shall pay the fee provided for in section 6.1 before the animal can be released.

6.7: Any owner claiming an impounded dog or cat shall show proof that the animal is currently inoculated against rabies. If such animal is not currently inoculated against rabies the owner shall cause the animal to be inoculated at the owner's expense.

6.8: Any animal not reclaimed by its owner within five (5) working days, or in the case of a positively identifiable animal within two (2) weeks, shall become the property of the local government authority and shall be placed for adoption in a suitable home or humanely disposed of as approved by State Law.

6.9: The Animal Shelter Director shall keep complete and accurate records of the care, veterinary treatment, and disposition of all animals impounded at the shelter.

6.10: It shall be unlawful for any person to release or take out of impoundment any animal without proper authority.

6.11: It shall be unlawful to resist Humane Society Officers, Animal Control Officers or law enforcement officers engaging in the capture and impoundment of an animal.

6.12: It shall be unlawful to remove the rabies tag from the dog for which the tag was issued.

#### SECTION 7: DANGEROUS ANIMALS

7.1: The Animal Control Officer, Law Enforcement Officials or the Humane Society Officer shall have the power to summarily and immediately impound any animal where there is any evidence that the animal has attacked, bitten, or injured any human being. The animal shall be kept at the Oconee County Animal Shelter or at a veterinarian designated by the owner at the owner's expense for quarantine pending a determination of the animal's status as a dangerous animal. In the event that an animal bites a member of the animal owner's family, and the animal owner requests that the animal be impounded by the animal owner, the Animal Control Officer, Law Enforcement Officer or the Humane Society Officer may, in his or her discretion, allow the animal owner to impound said animal on said animal owner's property.

7.2: Upon impounding a potentially dangerous animal or a dangerous animal that has attacked, bitten or injured a human being or a domestic animal, a determination hearing should be conducted within five (5) business days of serving notice to the owner by certified mail or personal service. If the owner fails to appear at the hearing, the hearing shall nevertheless proceed and an appropriate order may be issued. The Magistrate shall determine whether to declare the animal to be a dangerous animal based upon the evidence and testimony presented at the hearing by the owner, witnesses to any incidents, or any other persons possessing information pertinent to such determination such as veterinarians or dog obedience trainers. The Magistrate shall issue written findings within five (5) business days after the hearing. The owner of such animal shall have a right to appeal the decision to the Court of Common Pleas of Oconee County within ten (10) days of receiving such decision of the Magistrate.

7.3: An animal determined to be dangerous as determined in 7.2 which has attacked or causes injury to a human being or a domestic animal may be ordered destroyed by the Magistrate when in the Magistrate's judgment the dangerous <sup>ANIMAL</sup> ~~dog~~ represents a continuing threat of serious harm to human beings or other domestic animals after the quarantine period has expired. Any dangerous animal may also be destroyed if the owner

of the dangerous animal relinquishes ownership or control of the animal to the Humane Society or law enforcement officer.

7.4: The owner of a dangerous animal shall secure and confine said dangerous animal on owner's property in an enclosed and locked (with a key or combination lock) pen or structure, suitable to prevent the animal from escaping said pen or structure. The pen or structure shall have secure sides and a secure top which protects the animal from the elements. Also, all sides must be embedded into the ground with no less than two (2) feet unless the bottom is secured to the sides. The structure must be kept in a clean and sanitary condition and provide adequate light and ventilation. The enclosure shall not be less than five (5) feet by ten (10) feet and not less than six (6) feet high.

7.5: No person owning or harboring or having care of a dangerous animal may permit the animal to go beyond the person's premises unless the dog is securely muzzled and restrained with a leash or chain having a minimum tensile strength of three hundred (300) pounds and not exceeding three (3) feet in length.

#### SECTION 8: POTENTIALLY DANGEROUS ANIMAL

8.1: The Animal Control Officer, Law Enforcement Officials, or the Humane Society Officer shall have the power to summarily and immediately impound any animal where there is any evidence that the animal has chased or approached any person or domestic animal, on property other than the property of the owner, in a menacing fashion or with an apparent attitude of attack, including, but not limited to behavior such as growling or snarling. The animal shall be kept at the Oconee County Animal Shelter or at a veterinarian designated by the owner at the owner's expense for quarantine pending a determination of the animal status as a potentially dangerous animal. The Animal Control Officer, Law Enforcement Officer, or the Humane Society Officer may, in his or her discretion, allow the animal owner to impound said animal on said animal owner's property.

8.2: Upon impounding a potentially dangerous animal, the determination should be conducted within five (5) days of serving notice to the owner by certified mail or personal service. If the owner fails to appear at the hearing, the hearing shall nevertheless proceed and an appropriate order may be issued. The Magistrate shall determine whether to declare the animal to be a potentially dangerous animal based on the evidence of testimony presented at the hearing by the owner, witnesses to any incidences, and any other persons possessing information pertinent to such determination such as veterinarians or dog obedience trainers. The Magistrate shall issue written findings within five business (5) days after the hearing. The owner of such animal shall have the right to appeal such a decision to the Court of Common Pleas of Oconee County within ten (10) days of receiving the decision of the Magistrate.

8.3: The owner of a potentially dangerous animal shall secure and confine said potentially dangerous animal on owner's property in an enclosed and locked (with a key or combination lock) pen or structure, suitable to prevent the animal from escaping said pen or structure. The pen or structure shall have secure sides and a secure top which protects the animal from the elements. Also, all sides must be embedded into the ground with no less than two (2) feet unless the bottom is secured to the sides. The structure must be kept in a clean and sanitary condition and provide adequate light and ventilation. The enclosure shall not be less than five (5) feet by ten (10) feet and not less than six (6) feet high.

8.4: No person owning or harboring or having care of a potentially dangerous animal may permit the animal to go beyond the person's premises unless the dog is securely muzzled and restrained with a leash or chain having a minimum tensile strength of three hundred (300) pounds and not exceeding three (3) feet in length.

9.2: No owner of an animal shall abandon such animal.

9.3: Any animal found abandoned and not properly cared for, appearing to be diseased or injured past recovery for any useful purpose may be lawfully destroyed by any agent of DHEC, Law Enforcement Officer, Animal Control Officer or Officer of the Humane Society by a method approved of by State Law.

9.4: Any animal found abandoned, neglected, cruelly treated, or unfit for use may be seized from the owners property by the Animal Control Officer, Law Enforcement Officer or Humane Society Officer and impounded at the Oconee County Animal Shelter, provided however that the officer shall give notice of this seizure by posting a copy of it at the location where the animal was seized or by delivering it to a person residing on the property of the owner within 24 hours of the time the animal was seized.

9.5: The owner of any animal impounded under the provisions of this section shall be responsible for payment of any necessary medical care as determined by a veterinarian in addition to any penalties, impoundment fees, and board fees.

#### SECTION 10: STERILIZATION

No unclaimed dog or cat shall be released for adoption without written agreement by means of a spay/neuter contract from the adopter guaranteeing that such animal will be sterilized within thirty (30) days for adults and a specified date in the contract for pups and kittens, provided however, the county provides a program whereby the spay/neuter is included with the adoption fee.

No animal shall be released for adoption from the Oconee County Animal Shelter that has not been sterilized, provided however, that the County or its contractor provides a program whereby the spay/neuter is included with the adoption fee.

#### SECTION 11: ENFORCEMENT

Dear Supervisor Orr and County Council Members:

The Miss Oconee Scholarship Pageant Committee needs your help. Our pageant exists solely for the purpose of providing scholarship funds for deserving young ladies from Oconee County. With the spiralling costs of higher education, we find it increasingly more difficult each year to achieve our purpose.

Some background information for your consideration: The young lady who is selected each year as Miss Oconee in effect becomes an ambassador for the entire county and all its citizens. By the committee's stipulation, she must be a resident of Oconee County.

From the time she is crowned in February, she spends the next twelve months in a multitude of activities from being introduced in the state legislature in Columbia to competing on television for the crown of Miss South Carolina in Spartanburg to attending and presiding over local festivities.

Often times she'll be seen at the hospital, nursing homes, churches and other functions promoting community service platforms such as Breast Cancer Awareness, After-School Programs, and Foster Children Awareness.

Her reward for all her hard work is scholarship funds for higher education. And that's where we need your help. In her role as an ambassador for everyone in Oconee County, we feel it would be entirely appropriate for Council to join our committee in making a contribution to the Miss Oconee Scholarship fund. A Grand Sponsorship (\$500) will entitle you to a full page ad in the program book.

Thank you very much for your consideration.

Sincerely,

Freeman Martin, Ex. Dir.

PRESS RELEASE

(FOR IMMEDIATE RELEASE)

Mr. Harrison Orr, Supervisor-Chairman of the Oconee County Council announced today that Tim Cain has tendered his resignation as County Attorney for Oconee County effective February 29, 2000 and the Mr. Cain's law partner, Bradley Norton, has been appointed as his successor to serve as the County's legal advisor.

Mr. Orr said, "Pursuant to the authority vested in me by the Home Rule Act under the Council-Supervisor form of government, I am appointing Mr. Bradley A. Norton as County Attorney for Oconee County. As Mr. Cain's partner, Brad has been involved in representing the County on numerous matters and has attended Council meetings when Tim was unavailable. He is the logical choice to take over this position, and I expect a very smooth transition."

Mr. Norton, a native of Seneca, is a 1978 graduate of Seneca High School. He received his Bachelor's degree from The Citadel and his law degree from Washington and Lee School of Law.
