Miss Golden Corner Scholarship Program

Oconee ATAX Committee
335 Fernwood Drive
Salem, SC 29676

Dear Committee members:

The Miss Golden Corner Scholarship Pageant would like to thank the ATAX Committee for your support in the past. We have just returned from the Miss South Carolina Pageant where our current titleholder, Cortni Bracken, was named 1st runner-up and Wednesday night's preliminary swimsuit winner. We are once again asking for your financial help with our program.

The Miss Golden Corner Scholarship Pageant is the largest Miss America local preliminary in South Carolina based on scholarships awarded. We are very proud of this accomplishment and have worked very hard to achieve it. Please see our list of achievements enclosed. It is through programs like ours that young ladies are able to present their concerns to the public. This is another benefit to the community. This community service provided by these young ladies has no dollar value to the many school age children of Oconee County. Cortni Bracken, Miss Golden Corner 2001, received the Nancy Moore Thurmond Community Service Award as well as the Outstanding School Program Award at the state pageant.

We feel that our program attracts positive tourists for the Golden Corner not only the weekend of the pageant but year round. Our guests spend tourism money on overnight housing, meals, local shopping, and gasoline. They are introduced to our area and we hope that they will return again in the near future.

It is again that time of year as we plan for our upcoming pageant that we enlist your financial help. This year's pageant is planned for October 13, 2001 at 7 p.m. at Walhalla High School Auditorium. Our theme is "A Magical Evening" and will feature the dancers from Unlimited Talent of Seneca, the official Miss South Carolina Dancers. We hope we can count on your support again.

We are very proud of our community and the support we have received; a very warm thank you for your help with our success.

Sincerely,

Miss Golden Corner Scholarship Program

III. NARRATIVE PROJECT DESCRIPTION

A. Project Title Scholarship Pageant

B. Description of project The Miss Golden Corner Scholarship Pageant is the largest Miss America local preliminary in South Carolina based on scholarships awarded. We are currently recruiting young ladies from across the upstate to represent the Golden Corner in the 2002 Miss South Carolina Pageant. These young ladies bring with them to the Golden Corner a host of family, friends, and support teams. Most contestants stay overnight in one of the several host hotels. We also encourage these contestants, families and friends to visit our local sponsors & businesses.

In addition, the "Guest List" of attendees includes local preliminary winners, local directors, state board members and honored guest. Those in attendance last year totaled over 500. We are expecting guests from NC, SC & GA to be in attendance.

I have read the guidelines for the Oconee County Accommodations Grant Request and do hereby agree to comply with all rules and requirements. I understand failure to comply may result in a loss of funding for the project.

Mrs. Opal Green
County Council Clerk
415 South Pine Street
Walhalla, SC 29691

Dear Mrs. Green,

I am requesting to be placed on the county council agenda for the October 2, 2001 meeting. My purpose is to request funds from contingency for two items. They are:

1. Funds for mileage out of county travel \$ 500.00
Justification: Reimbursement of mileage for deputy coroner to travel to St. Louis, MO September 30 through October 6. A request was made to obtain a car from the motorpool, however Mr. Lee Davis advised he did not feel comfortable with the spare cars on hand to place on the road for the distance to be traveled.
2. Funds to replace 35 mm camera \$ 800.00
Justification: Current camera capability of automatic focus has broke. Camera was taken to Campus Camera and problem was determined to be in the electronics of the camera. Due to age of camera (purchased 1991) Company will not make repairs. Above funds would allow an upgrade of photography equipment needed by this office for death scene documentation.

Thank you for your attention to this request.

Sincerely,

Karl E. Addis

ORDINANCE NO. 2001-

AN ORDINANCE REORGANIZING THE
OCONEE COUNTY RURAL FIRE COMMISSION
AND REPLACING ORDINANCE NO. 80-8

BY OCONEE COUNTY COUNCIL, in Council duly assembled, with a quorum present and voting, and upon third and final reading as indicated below,

BE IT ORDAINED:

Section 1: Name, Purpose, Effective Date

This Ordinance shall be known, in addition to its number, as "An Ordinance to reorganize the Oconee County Rural Fire Commission", and shall become effective on the 1st day of October, 2001.

The purpose of this Ordinance is to replace Ordinance number 80-8, and to reorganize the Oconee County Rural Fire Commission as a separate and independent Board and Commission, with the duties and authority herein provided.

Section 2: Membership

The membership of the Oconee County Rural Fire Commission shall be seven (7) in number, selected and appointed by a majority vote of the membership of the Oconee County Council voting in Council duly assembled, with one member being selected from each of the five (5) council districts in existence. In addition, there will be two (2) additional members of this Commission. One member shall be appointed by the Supervisor of Oconee County. Other members of the Commission shall be voted upon by the fire chiefs of the rural fire stations.

Should any member of this Commission move and establish residence outside the County or district where such member was residing at the time of the appointment to the Commission, such moving shall constitute a resignation by the member and a replacement member shall be appointed to fill the unexpired term of such resigned member.

Section 3: Term of Members

Each Member shall serve for a term of four (4) years, with the terms of office for the five (5) existing Commission members to remain as set out in Ordinance 80-8.

The initial term of the new member of the Commission to be appointed by the fire chiefs of the rural fire stations shall end on December 31, 2001. The member of the Commission to be appointed by the Supervisor of Oconee County shall serve until December 31, 2003. Thereafter, all members shall serve for a full four (4) year term, or until their successors and officers are duly appointed.

If or in the event any member of the Commission shall fail to attend fifty (50%) percent of the regularly scheduled meetings within a period of twelve (12) calendar months, he/she shall be deemed to have resigned his position and may be replaced without notice by action of Oconee County Council. PROVIDED, HOWEVER, if such absences are excused by the Chairman of the Commission, and/or the Supervisor-Chairman of Oconee County Council, then this provision may be waived.

Section 4 Organization, Meetings, Officers

The Oconee County Rural Fire Commission shall meet at least once each month, at a time and place selected by the Membership thereof, excepting that upon vote of a majority of its Members, two (2) meetings per year may be suspended and waived.

At the January meeting of each even-numbered year, there shall be selected a Chairman, a Vice Chairman and a Secretary, together with such other officers as the Commission may deem necessary, and these officers shall serve for a period of two (2) years or until their successors are duly elected and qualified. Vacancies in any such office by reason of death, resignation or replacement shall be filled for the unexpired term of the officer whose position becomes vacant.

In addition, the Commission may duly adopt such By Laws as may be necessary for the orderly performance of its duties and functions. Any By-Laws which may be adopted by the Commission for the orderly performance of its duties shall comply with the provisions of the general law of the State of South Carolina and this Ordinance, and of all other Ordinances of Oconee County, including but not limited to the Freedom of Information Act.

Section 5 Powers and Duties

- 4) To advise Oconee County Council on any matter affecting the operation and activities of the various rural fire departments of the County; to formulate plans and advise upon the operation and maintenance of the rural fire departments and their equipment, personnel and training; to cooperate with state and federal agencies, and agencies of adjoining Counties of our area or region in providing adequate rural fire protection; the operation and coordination of the activities of the various rural fire departments of the County in an overall plan of protection of the citizens of the County in

cooperation with the law enforcement and other emergency agencies and departments of county, state or federal government.

The Commission shall submit its advice and counsel in the form of written reports to Council monthly, summarizing the activities, findings and functions of the Commission, together with the agenda for the next meeting, all of which shall be in the hands of the Supervisor of the County or his/her designee within a reasonable time. In no event, however, shall this Commission enter into any contracts, contractual obligations, employment of personnel, purchase of equipment or expenditures of funds not itemized and authorized in the budget under which it shall operate, without the prior written consent, affirmation and authorization of Oconee County Council. In any event, the power and authority to enter into any contract binding Oconee County is vested with and shall remain in the Supervisor and Oconee County Council and is not herein delegated to this Commission.

- b) To participate in the formulation of the budget and budgetary appropriations affecting the area of concern of this Commission.
- c) To prepare plans and recommendations to Oconee County Council in the area of its activity, with recommendations for the implementation of such plans.
- d) To advise and recommend the employment of County employees to County Council, whose employment is within the area and scope of its activities.
- e) To establish Standard Operating Procedures for the rural fire departments in Oconee County that receive funds from Oconee County or use equipment owned by Oconee County. The Standard Operating Procedures shall be approved by County Council. In establishing the Standard Operating Procedure, the Commission should include a Grievance Procedure which establishes the Commission as the final authority within the Rural Fire Commission hierarchy on all issues appealed by a member of a rural fire department or a department itself. If a member of a rural fire department or a department wishes to appeal a decision of the Commission, the appeal shall be to County Council.
- f) To generally advise Oconee County Council on any matter within the scope of its activities, which would tend to improve the efficiency and beneficial operation of the County government in the field of activity with which the Commission is concerned.

Any advice or recommendations to Oconee County Council may be prepared and presented orally by the Chairman of the Commission at a regularly scheduled meeting of Council after due notice for agenda purposes, or in writing forwarded to the Supervisor (Chairman of the Oconee County Council) for dissemination to Council members.

Section 6: Salaries and Funding

Each member of the Oconee County Rural Fire Commission shall be paid the sum of one hundred (\$100) dollars per year, plus expenses for out of County travel, as sole compensation. Any expense item or claim for same shall first be approved by the Chairman of the Commission unless the same is made by the Chairman, and submitted for approval and payment to County Council. In no event shall any Member of the Commission be entitled to any other compensation, direct or indirect, for services on the Commission and such Member shall not provide any services, materials, products, goods or equipment to the County unless the same is sold or offered for sale in accordance with existing County and State purchasing procedures.

1.1.2 Racial or Sexual Harassment

It is Cherokee County's policy that all employees shall have the opportunity to work in an atmosphere and environment free from any form of harassment or retaliation based on race, color, religion, gender, sex, national origin, age, or disability. "Harassment" is defined as verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, religion, gender, sex, national origin, age, or disability, or that of his or her relatives, friends, or associates, and that:

Retaliation or discrimination against an employee for reporting or complaining about harassment is prohibited. Such misconduct will result in disciplinary action up to and including termination. However, employees should recognize that false accusations of harassment can have serious effects on innocent individuals and will impair the County's efforts to administer this policy effectively.
