Council Members Comments

Mr. Elliott reminded everyone that it is each Councilman and citizen's responsibility to make an appointment with the County Administrator to discuss any budget line questions that they may have.

Mr. Elliott continued by stating the Budget Committee has met 4 times to discuss the proposed FY 2022/2023 County budget and at their meeting today a Special Budget Workshop Meeting has been scheduled for Monday, May 9, 2022 at 9:30 a.m. in Council Chambers, located at 415 S. Pine Street, Walhalla, SC.

Mr. Elliott went on to state our proposed budget increase will reflect growth in our tax base before reassessment. Council will decrease the millage to negate the increased revenue due to the reassessment.

Mr. Durham responded to Mr. Haney and his concerns about the proposed budget in relation to jet fuel.

Ms. Brock commented that the FY2022 budget included the increase projection in revenue related to jet fuel, so the FY2023 Administrator recommended budget also included that increased projection in revenue.

Mr. Durham responded to Mr. Adams and his concerns about the County budget and County spending.

Mr. Durham responded to all the citizens who spoke in support of John's Marine and received input regarding this topic from County Attorney David Root.

Mr. Durham responded to Mr. Pearson and his concerns that the Sheriff's office needs more than 3 new positions.

Mr. Cain referred to an article in the newspaper addressing Council and the budget process and a quote from Mr. Durham that was included in the article regarding the School District's 2020 budget.

Mr. Cain read from the article, which noted that Mr. Durham stated the Auditor recommended Council reduce the School District's 2020 millage rate, but that Mr. Elliott voted against the recommendation, thereby passing a tax increase.

Mr. Cain cited an email from the Auditor to the effect that the School District's millage was in fact reduced by Council.

Mr. Cain stated that it is important that Council be accurate when speaking to the media.

Mr. Durham disagreed, stating that Council did vote against the reduction. Additional discussion was had regarding which year was in question.

Council's meetings shall be conducted pursuant to the South Carolina Freedom of Information Act, Council's Rules and the Model Rules of Parliamentary Procedure for South Carolina Counties, latest edition. This agenda may not be inclusive of all issues which Council may bring up for discussion at this meeting. A portion of Local ATAX revenues received by Oconee County are made available for ATAX grants through Ordinance 2011-12. ATAX grants are to be tourism related grants that meet the ATAX guidelines specified by local and State mandates. Grants are recommended by the PRT Commission based on tourism impact of the project and approved by County Council. All external ATAX grant recipients are required to turn in intermediate reports every 60 days to the progress of the grant and a final report upon completion of the grant.

These reports are placed in the grant folder, which is kept active by the PRT staff until the grant is considered complete. Internal projects through Oconee PRT are also funneled through local ATAX for eligible projects.

This RFP is for the purchase and delivery of aviation fuels (100-octane low lead Avgas and Jet A) on an as needed basis to the County Airport fixed base operation (FBO). Pricing will be based on the Weekly Market Rack Price for Avgas and the Weekly U.S. Gulf Coast Mean Average for JetA, for the week prior to the order and delivery. The primary terminal for Avgas is Wilmington, NC and for Jet A it is North Augusta, SC. If fuel is not available at those terminals, alternate terminals would be utilized. The current fuel contract expires on September 30, 2021, so it is important the RFP be awarded to avoid an interruption of fuel supply to the airport customers. Quantities in the RFP were estimated for pricing purposes. The cost of the bulk fuel is paid for by the retail sales and this is shown as revenue and expenditures in the Airport's budget. The total amount for Council approval is based on the fuel amount approved in the Airport's 2021-2022 budget.

On August 24, 2021, sealed proposals were opened. Eleven (11) fuel providers were originally notified of this opportunity, five (5) companies submitted proposals. An Evaluation Committee consisting of County Staff and a member from the Aeronautics Commission reviewed and scored the proposals and unanimously recommended the Award to Eastern Aviation Fuels, Inc., dba Titan Aviation Fuels, of New Bern, NC.

It is the staff's recommendation that Council:

1. Approve the award of RFP 21-02, Aviation Fuel to Eastern Aviation Fuels, Inc., dba Titan Aviation Fuels, of New Bern, NC, in an estimated amount of \$675,000.00.
2. Authorize the County Administrator to execute the contract documents and to renew this contract for up to four (4) one-year periods, as long as the amount does not exceed the amount budgeted for the aviation fuel and the services provided are satisfactory.

Mr. Davis made a motion, seconded by Mr. Cain, approved 5 – 0, to approve the award of RFP 21-02, Aviation Fuel to Eastern Aviation Fuels, Inc., dba Titan Aviation Fuels, of New Bern, NC, and authorize the County Administrator to execute the contract document and to renew this contract for up to four one-year periods.
