This purchase is for a used 2019 Komatsu HM400-5 40 ton articulating dump truck for Solid Waste. The department uses a haul truck to haul cover soil for monthly landfill cover and sediment pond construction and maintenance as required by SCDHEC compliance. In addition, this truck is used to move material around the landfill when needed. An articulated dump truck is necessary to perform the actions within the landfill because the truck can work in unfavorable conditions, can go onto the landfill face, and it cuts the covering time in half to allow staff to return to their normal duties.

On December 7, 2021, County Council approved the long term rental of a 2019 Komatsu HM400-5 Articulated Dump Truck from Linder Industrial Machinery of Greer, SC, with the option to purchase the truck and an additional warranty at the end of the rental term. The rental is set to expire in December 2022. Prior to this rental, Solid Waste had borrowed articulated a dump truck from the Rock Quarry when not in use or the Road Department has sent a crew with 2-3 standard dump trucks.

Staff obtained pricing on 2 additional pieces of used equipment and the price for a New Komatsu HM400.

- 2019 Komatsu HM400, 5,788 Hours, \$435,900.00, located in Carrollton, TX
- 2019 Komatsu HM400, 2,414 Hours, \$456,000.00, located in Savage, MN
- NEW Komatsu HM400 \$666,438.96

The purchase price of the equipment after reduction of all rental fees paid is \$150,000.00, add 2 year / 2000-hour power train warranty in the amount of \$15,400.00, and sales tax in the amount of \$9,924.00; for a grand total of \$175,324.00.

County procedures for the purchase of used equipment have been followed. The Solid Waste Director, Swain Still, and the Procurement Director recommend purchase of the used 2019 Komatsu HM400-5 Articulated Dump Truck. The Vehicle Maintenance Director approves this purchase.

It is the staff's recommendation that Council approve the purchase of the Used 2019 Komatsu Articulated Dump Truck from Linder Industrial Machinery of Greer, SC in the amount of \$175,324.00.

Mr. Cain made a motion, seconded by Mr. Hart, approved 4 – 0, to approve the purchase of the used 2019 Komatsu Articulated Dump Truck from Linder Industrial Machinery of Greer, SC in the amount of \$175,324.00.

The County is now in the fifth (final) year of this agreement and request Council approval to enter into a new five-year agreement. Since the implementation of these cameras, the number of Class 1 officers has increased. This new agreement will replace all existing units with new ones and add seventy (70) more camera units. This will allow the Sheriff to equip more Class 1 officers (uniformed and plain clothes) with these cameras for greater accountability and transparency.

The Sheriff's Office has been awarded a cash award in the amount of \$190,371.26 from the South Carolina Department of Public Safety Office of Highway Safety and Justice Programs - Body-Worn Camera Fund; which will fully fund Year 1 of a new agreement with Axon for these cameras. The Sheriff's Office Staff will request reimbursement each remaining year of the contract from the State's body-worn camera fund. Axon
