A breach or violation of this covenant, may result in the County annulling any agreement, without liability, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

m) DEFAULT.

In case of default by the Successful Proposer, the County reserves the right to purchase any or all services in the open market, charging said Proposer with any excess costs. Should such charges be assessed, no subsequent Proposals of the defaulting Proposer shall be considered until the assessed charges have been satisfied. n) SUBCONTRACTS.

Proposer shall not subcontract work hereunder without the prior written consent of the County, and any such subcontract without consent of the County shall be null and void. If Proposer proposes to subcontract any of the work hereunder, it shall submit to the County the name of each proposed subcontractor, with the proposed scope of work which its subcontractor is to undertake. Proposer agrees it shall be as fully responsible to the County for the acts and omission of its subcontractors, their agents, representatives, and persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by Proposer. Neither this provision, nor the County's authorization of Proposer's agreement with a subcontractor, the County's inspection of a subcontractor's facilities or work, or any other action taken by the County in relation to a subcontractor shall create any contractual relationship between any subcontractor and the County. Proposer shall include in each of its subcontracts a provision embodying the substance of this provision and shall present a copy thereof to the County before commencement of any work by a subcontractor. Proposer's violation of this provision shall be grounds for the County's termination of any agreement with Proposer for default, without notice or opportunity for cure. In addition, by submitting a response to this RFP, Proposer agrees to indemnify, defend, and hold the County harmless from and against any claims (threatened, alleged, or actual) made by any subcontractor of Proposer (of any tier) for compensation, damages, or otherwise, including any cost incurred by the County to investigate, defend, or settle any such claim.

## **SECTION 2 INTRODUCTION & BACKGROUND**

In order to effectively and efficiently collect delinquent taxes owed, the Oconee County Delinquent Tax Collector is tasked with selling those parcels of real property with unpaid taxes at an annual tax sale. The 2017 Tax Sale will be held on Monday, November 6, 2017. In order to perform this task, the Delinquent Tax Office requires a title search and update on each parcel of real property to be sold.

The previous five year Title Search Contract was awarded to Anna Prater, LLC. The Delinquent Tax Office estimates that there will be approximately 2,000 20-year title searches required annually, although this number is subject to change. Oconee County currently pays \$80.00 each for 20-year searches and \$40.00 each for updates.

The primary purpose of the title search is to ensure that all interest holders are notified of the delinquency and tax sale, and to ensure that anyone with the right to redeem is notified. According to SC Code of Laws Title 12, Chapter 51, this includes “the defaulting taxpayer, any grantee from the owner, or any mortgage or judgment creditor”. The title searches should therefore provide all information relating to any person or entity which holds an interest such as those listed previously in and to the property in question. This should include current and/or possible owners, creditors, mortgage holders, lien holders, etc. Electric line rights-of-way are not required unless the Consultant deems the information to be pertinent.

### **General Requirements**

1. The Consultant will work closely with a supervising attorney of their choice and the Oconee County Delinquent Tax Office in the performance of a 20-year title search and update on each parcel assigned.
2. Work will begin on or about June 1 of each year in which a tax sale will be held and shall be submitted as delineated in Section 3, with final submission due two weeks prior to the tax sale date for the year the work is being performed.

### **Term of Contract**

Although the County will be issuing a contract on an annual basis to perform the work as outlined in this RFP, the County and the Consultant understand that each contract period will be for approximately seventeen months. This period of time is required for title updates to be performed on all property that is not redeemed within the twelve-month period after the initial title search has been completed.

The County may renew the contract, if it appears to be in their best interest and it is agreeable with the contracted vendor. Said renewal will be on an annual basis and will not exceed four (4) additional annual renewals, for a total of five years.

## **SECTION 3 SCOPE OF SERVICES**

For each parcel of real property assigned by the Delinquent Tax Office the following applies:

1. For each title search, the Consultant will check all relevant records; including current owner(s), mortgages, liens, and probate for up to a period of twenty years. Any mortgage or lien holder, or creditor of any sort, of record will be noted along with their address.
2. All title searches will be performed under the direct supervision of an attorney in good standing and licensed to practice law in the state of South Carolina, so that the Consultant will not be engaged in the unauthorized practice of law or otherwise operating in a manner inconsistent with state or

federal statutory or decisional law. The supervising attorney shall provide a certificate affirming his or her direct supervision as to the title work for each parcel. The cost of this attorney supervision will be borne by the Consultant.

3. The Delinquent Tax Collector will provide the Consultant with an initial list of 250 parcel numbers and taxpayers' names on or about June 1 of the year in which the tax sale will be held.
4. Upon completion and delivery of the initial 250 title searches, as determined by the Delinquent Tax Office, a subsequent list of 250 parcel numbers and taxpayers' names will be provided for completion. As each batch of 250 title searches is completed and delivered, a subsequent list of up to 250 parcels will be provided until all title searches have been completed. All title searches are to be completed two weeks prior to the tax sale date for the year in which the work is being performed.
5. A title update shall be required on all property that is not redeemed within twelve months after the Tax Sale has taken place. Title updates shall begin no later than July 15, of the year following the tax sale year, with completion no later than August 15, of the year following the tax sale year.

The Consultant shall submit to the Delinquent Tax Office, a separate hard copy or digital copy for each title search performed. Digital copies are accepted in PDF format, with a file name formatted as follows: 2017TSxxx-xx-xx-xxx.pdf. In this format, the "x" variables are to be replaced with the respective tax map numbers.

For each 20-year title search and title update the Consultant shall submit a typewritten summary sheet, approved by the Tax Collector, to include the following where applicable:

- Parcel Tax Map Number, description, and owners name to identify the parcel
- Chain of Title indicating current owner(s)
- Tax Liens
- Judgments
- Probate Court Records
- Mortgages and Mortgage Holders
- Current Plat or Survey
- Lis Pendens
- Bonds for Title
- New Owners and Potential Owners
- Names and Addresses of all parties who hold any interest in the real property
- Any other applicable public records
- Pertinent Comments such as potential issues or errors in county records.

In addition to the typewritten summary sheet, each 20-year title search and title update will include a copy of the most current deed, as well as copies of any pertinent documents such as those indicating a lien holder, judgment, transfer of ownership, etc.

The Delinquent Tax Collector reserves the right to withdraw any parcel from the active list upon verbal or written notice to the Consultant. The Consultant will be paid for work which is completed and this work shall be submitted at least two weeks prior to the tax sale date. All verbal notices to withdraw any parcel will be followed up with a written notice from the Delinquent Tax Office.

The Consultant will only be responsible for information provided by the Delinquent Tax Office and the records on file in Oconee County. Mapping files are not an acceptable source of information.
