The Proposer's proposal must, therefore, follow the RFP format, utilizing the same section titles, schedules, and paragraphs.

4) EVALUATION AND AWARD CRITERIA

a) EVALUATION TEAM

A duly appointed Evaluation Team will conduct proposal evaluations.

b) AWARD CRITERIA

The Evaluation Team shall evaluate each of the Proposals using the criteria and applying the percentages as set forth in **Exhibit A** to this Section 1. The County reserves the right to request Proposers to appear for an additional presentation followed by a question and answer period, in order to further evaluate qualifications. The additional presentations, if any, will be scored and combined with prior scoring to determine the successful Proposer. The County is not obligated to accept the lowest cost proposal. The County may also award to other than the highest ranked proposer if the price submitted by that proposer is more than the budget available for the project. If made, the award will go to the Proposer providing the most responsive, responsible proposal that provides the best overall value and service to the County. As further outlined below, the award, if any, will take into consideration several factors, including the soundness and flexibility of the proposal, functional capability, quality of performance, quality of service, the time specified in the proposal for the performance, ability to provide support, overall cost, and the Proposer's references. Prior to award, the County may conduct such further discussions and negotiations as contemplated by, and allowed for under, Oconee Code § 2-431. **The County reserves the right to reject all proposals or accept such proposals, as appears in its best interest, and to waive technicalities or irregularities of any kind in the proposal.** The Evaluation Team will make their recommendation to the full County Council, if applicable. Proposals that are uncertain as to terms, delivery, compliance requirements, and/or specifications, may be rejected or otherwise disregarded.

c) **EXPLANATION TO PROSPECTIVE PROPOSERS.**

- i) Every effort has been made to ensure that all information needed is included in this RFP. If the Proposer finds that it cannot complete its response without additional information, it may submit written questions to the issuing office on or before the deadline set forth herein. No further questions will be accepted after that date.
- ii) Oral explanations and/or instructions given before the award shall not be binding on the County. Any information given to a prospective Proposer about this solicitation shall be promptly furnished to other prospective Proposers as an amendment, provided that information is necessary in submitting proposals or if the lack of it would be prejudicial to other prospective Proposers.

d) **AMENDMENTS.**

All amendments to and interpretations of this solicitation shall be in writing and signed by an authorized representative of the County. Any amendments or interpretations that are not signed and in writing shall not legally bind the County or its agents. It is the Proposer's responsibility to acknowledge receipt of amendments by signing and returning one (1) copy of the amendment by letter, email (with signed amendment scanned and attached in PDF), or via fax, to the Procurement Director.

e) **DISCUSSIONS.**

By a submission of a response to this solicitation, Proposer agrees that during the time following issuance of the solicitation and prior to final award, Proposer shall not discuss this procurement with any party except the Procurement Director. - iv) The County may reject any proposal that fails to conform to the essential requirements of this RFP.
- v) The County may reject any proposal that does not conform to the applicable specifications unless the RFP authorized the submission of alternate Proposals and the services offered as alternates meet the requirements specified in the RFP.

- vi) The County may reject any proposal that fails to conform to any delivery schedule or permissible alternates stated in the RFP.
 - vii) The County may reject a proposal when the Proposer imposes conditions that would modify requirements of this RFP or limit the Proposer's liability to the County, since to allow the Proposer to impose such conditions would be prejudicial to other Proposers. For example, the County may reject proposals in which the Proposer:
 - (1) Protects against future changes in conditions, such as increased costs, if total possible costs to the County cannot be determined;
 - (2) Fails to state a fee schedule, if one is required.
 - viii) A Proposer may be requested to delete objectionable conditions from a proposal provided the conditions do not go to the substance, as distinguished from the form of the proposal, or work an injustice on other Proposers. A condition goes to the substance of a proposal where it affects price, quality, or delivery of the services offered.
 - ix) Any proposal may be rejected if the Procurement Director determines in writing that it is unreasonable as to price. Unreasonableness of price includes not only the total price of the proposal, but the prices for any individual line items as well.
 - x) Any proposal may be rejected if the prices for any line items or sub-line items are materially unbalanced.
 - xi) Proposals received from any person or concern that is suspended, debarred, proposed for debarment or declared ineligible as of the proposal opening date shall be rejected unless a compelling reason is given and a determination otherwise is made.
 - xii) The Procurement Director must reject Proposals received from entities determined to be non-responsible.
 - xiii) The originals of all rejected Proposals, and any written findings with respect to such rejections, shall be preserved with the documents relating to the RFP.
- h) After submitting a proposal, if all of a Proposer's assets, or that part related to the proposal are transferred during the period between the proposal opening and the award, the transferee may not be able to take over the proposal. Accordingly, the Procurement Director shall reject such a proposal.
- i) **PROTEST PROCEDURE**
- i) **Right to Protest.** Any actual or prospective offeror or Proposer who is aggrieved in connection with the solicitation or award of a contract may protest to the Procurement Director. The protest shall be submitted in writing within seven (7) calendar days after such aggrieved prospective offeror, or Proposer knows or should have known of the facts giving rise to the grievance.
 - ii) **Authority to Resolve Protests.** The Procurement Director shall have authority to settle and resolve a protest by an aggrieved offeror or Proposer, actual or prospective, concerning the solicitation or award of a contract.
 - iii) **Decision on Protests.** If the protest is not resolved by mutual agreement, the Procurement Director shall issue a decision in writing within ten (10) calendar days. The decision shall: (a) state the reasons for the action taken; and (b) inform the protestant of the protestant's rights to appeal the decision of the Procurement Director.
 - iv) **Notice of Decision on Protests.** A copy of the decision of this Section shall be mailed or otherwise furnished to the protestant.
 - v) **Finality of Decision on Protests.** A decision under this Section shall be final and conclusive, unless a business adversely affected by the decision appeals administratively to the County Council in accordance with the Oconee County Code of Ordinances.

j) COMPLETE DOCUMENTS.

All supplementary documents and attachments are essential parts of this RFP and requirements occurring in one are as binding as though occurring in all.

k) CONTRACT ADMINISTRATION.

Questions or problems arising after award of this contract shall be directed to the Procurement Director by calling 864-638-4141. Copies of all correspondence concerning this contract shall be sent to the Procurement Director, 415 S. Pine Street, Walhalla, SC 29691. l) COVENANT AGAINST CONTINGENT FEES.

The Proposer warrants that no person or selling agency has been employed or retained to solicit or secure an award under this RFP upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Proposer for the purpose of securing business. A breach or violation of this covenant, may result in the County annulling any agreement, without liability, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

m) DEFAULT.

In case of default by the Successful Proposer, the County reserves the right to purchase any or all services in the open market, charging said Proposer with any excess costs. Should such charges be assessed, no subsequent Proposals of the defaulting Proposer shall be considered until the assessed charges have been satisfied. This clause does not limit the County's right to pursue any other claims or damages available at law or in equity.

n) SUBCONTRACTS.

Proposer shall not subcontract work hereunder without the prior written consent of the County, and any such subcontract without consent of the County shall be null and void. If Proposer proposes to subcontract any of the work hereunder, it shall submit to the County the name of each proposed subcontractor, with the proposed scope of work which its subcontractor is to undertake. The County shall have the right to reject any subcontractor which it considers unable or unsuitable to satisfactorily perform its duties. Notwithstanding any consent by the County to a proposed subcontract, Proposer shall remain responsible for all subcontracted work and services. Proposer agrees it shall be as fully responsible to the County for the acts and omission of its subcontractors, their agents, representatives, and persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by Proposer. Neither this provision, nor the County's authorization of Proposer's agreement with a subcontractor, the County's inspection of a subcontractor's facilities or work, or any other action taken by the County in relation to a subcontractor shall create any contractual relationship between any subcontractor and the County. Proposer shall include in each of its subcontracts a provision embodying the substance of this provision and shall present a copy thereof to the County before commencement of any work by a subcontractor. Proposer's violation of this provision shall be grounds for the County's termination of any agreement with Proposer for default, without notice or opportunity for cure. In addition, by submitting a response to this RFP, Proposer agrees to indemnify, defend, and hold the County harmless from and against any claims (threatened, alleged, or actual) made by any subcontractor of Proposer (of any tier) for compensation, damages, or otherwise, including any cost incurred by the County to investigate, defend, or settle any such claim.
