Mr. Jim Gadd, Oconee Alliance, addressed Council regarding **Ordinance 2011-01** reading from a prepared statement [copy filed with these minutes] asking Council to fund "Create Oconee" in this budget; with the understanding that there would also be a commitment for two additional years. Mr. Gadd noted that the funding request would be matched by outside organizations either with either a 1:1 match or a 2:1 for every county dollar allocated.

Mr. Steve Moore addressed Council regarding both **Ordinance 2011-01 and 2011-02**. Mr. Thrift closed the Public Hearings regarding Ordinances 2011-01, 2011-02 and 2011-03. He thanked all who participated and recognized Mr. Moulder and the finance staff for their hard work in preparing the budget for Council review.

### **County Council Response to Public Comment:**

Mr. Corbeil addressed those present regarding some comments made regarding workload indicators and a comp/class study. He stated that it is Council's goal to grow the tax base in Oconee County.

Mr. Corbeil asked staff to prepare for Council’s consideration the following change to the FY 2011-2012 budget:

Golden Corner Food Pantry	\$ 5,000
Our Daily Bread	\$ 5,000
Our Daily Rest	\$25,000
“Create Oconee”	\$25,000

Mr. Corbeil noted that the “Create Oconee” funding would be for a three year period in order to allow for hiring of staff to administer the program. Mr. Moulder stated he would bring a proposal for funding to the June 7, 2011 regular Council meeting.

Mr. Martin, County Attorney, addressed Council to provide information related to an issue that faces several counties relating to Act 388 and reassessment. He noted that the act states that if property values increase that millage must decrease creating a revenue neutral situation. At present some counties are facing just the opposite and it is SCAC’s opinion that the wording of the Act is mandatory and that if property values decrease that the millage would increase keeping again keeping the revenues neutral. Mr. Martin stated that this issue hopefully will not arise in Oconee County – this was for information purposes only.

Mr. Dexter asked the Administrator if he could identify the revenue reduction if airplane taxes were reduced to 4%. Mr. Moulder noted that it is estimated to be approximately \$25,000. In addition, he asked if this would shift taxes to the citizens. Mr. Moulder assured him it would not; it would only be a reduction for airplane owners.

Mr. Dexter also asked the Administrator to review the county parks parking fee to ensure that it is being equitably applied. Mr. Moulder stated he would report at the June 7, 2011 Council meeting on this matter.

Mr. McCall addressed several issues discussed at the meeting to include airplane taxes and boat taxes. He also voiced concerns regarding increasing direct aid to the food pantry as he felt there were not sufficient safeguards to avoid abuse by some citizens. Mr. LaRue and Ms. Peggy Culper addressed these concerns outlining the steps taken and documentation required to identify those citizens with a true need.

**Adjourn:**

Mr. McCall made a motion at 7:11 p.m. to adjourn the meeting. The motion was approved unanimously.

Respectfully Submitted:
