ADDENDUM NO. 1

RFP 16-09

**Professional Engineering Services for
Oconee County Solid Waste
Proposals Due: December 1, 2016 at 2:00pm EST**

This Addendum #1 includes answers to the following question(s) and/or clarification(s) from Oconee County. **A signed copy of this Addendum #1 must also be returned with your proposal.**

Question 1: What is the expected life cycle and remaining capacity of the Class Two Landfill?

Answer 1: Between 15 and 17 years.

Question 2: What is the remaining post-closure care cycle of the two closed Class Three Landfills?

Answer 2: The Class Three Landfills are still being actively maintained under post closure care. There is no timetable to stop.

Question 3: What are the DHEC approved remedies for the two closed Class Three Landfills Assessment of Corrective Measures (ACM)?

Answer 3: DHEC has not yet responded to the ACMs.

Question 4: How many groundwater and methane monitoring wells are located at each landfill?

Answer 4: There are 24 wells at the Seneca Landfill and 9 at the Five Forks Landfill.

Question 5: Are there plans for additional solid waste facility construction?

Answer 5: No plans for construction at this time.

Question 6: When was the current solid waste management plan prepared?

Answer 6: The current Solid Waste Plan was completed in the last ten years.

Question 7: Who is the current engineering firm for Solid Waste?

Answer 7: For the past five years the County has used Smith Gardner, Inc., of Raleigh, NC, as our engineering firm for Solid Waste.

END ADDENDUM NO. 1
