Oconee County Surplus Equipment Sales

Oconee County currently holds public auctions via the Internet through an on-line auction service, **GovDeals**. This online auction service replaces the past “traditional” auctions that were held locally.

The first auction using **GovDeals** was held in May, 2006. Since that time the County has posted a variety of equipment and vehicles available for sale to the public utilizing the **GovDeals** site.

Generally, the equipment and vehicles will be posted on **GovDeals** in small groups as it becomes available to be sold as surplus equipment. Check the **GovDeals** website periodically for new listings.

To bid on any item, you must go to www.govdeals.com and register as a bidder.

Registration for all bidders is free of charge. Visit **GovDeals** at www.govdeals.com to register, view, and place all bids. Free internet access is available at all County Libraries for those who do not have access to the Internet.

To review only the Oconee County surplus items, go to:

- www.govdeals.com
- Advanced search option
- Select Oconee County, South Carolina from the list of sellers

All items shall be sold where is and as is with no warranties expressed or implied. Acceptable methods of payment are cash, money order and cashier's check. Please review the terms and conditions before bidding, which can be obtained on line at **GovDeals**.

For questions about using the **GovDeals** website, please contact **GovDeals** at (800)613-0156.
