

MINUTES, OCONEE COUNTY COUNCIL MEETING, FEBRUARY 2, 1982

The regular Oconee County Council Meeting was held February 2, 1982 in Council Chambers with all members present.

Members of the press present: John Gouch - Anderson Independent, Steve Matthews - Greenville News, Myron Hosea - Seneca Journal, Ashton Hester - Keowee Courier.

The meeting was called to order by Supervisor-Chairman Crain who welcomed the guests and media.

The invocation was given by Mr. Butts.

Dr. Earle made a motion, seconded by Mr. Harper, approved 5 - 0 to adopt the minutes of the January 18, 1982 meeting.

Mr. Walt Purcell, Emergency Preparedness Director briefed Council on the upcoming emergency exercise that will be taking place on March 10 & 11 (See Attached copy). Prior to the exercise there will be a public meeting held at the Utica Elementary School for all citizens of the surrounding area.

Mr. Bill Breedlowe & Mr. Joe Wallace of the US Forestry explained to Council the proposed amendment on the special use permits for Oconee County. (See attached copy)

Mr. Crain referred this to the Roads & Transportation Committee and asked them to make a recommendation at the next meeting.

Mr. Earl Holcombe, Sheriff informed the Council that he had a deficit of \$3554 in his maintenance account, 12 20 04 1 and asked Council to transfer \$10,000 into this account.

After considerable discussion Mr. Williams made a motion, seconded by Dr. Earle, approved 5 - 0 to take from contingency \$5,000 and place it into this account. (12 20 04 1)

Mr. Dillard Medford, Assessor informed Council that Purchasing had received only one bid on the unused computer equipment. Mr. Williams made a motion, seconded by Mr. Harper, approved 5 - 0 that this bid of \$1,500 be accepted.

By selling these three unused computer parts our maintenance on the computer will be reduced by \$232.

Dr. Earle informed Council that the Personnel Committee had met with the PRT Commission and it had been decided that \$1,379 would be transferred from account 18 11 00 1, PRT Director to account 18 11 04 1, PRT Superintendent for salary purposes.

Mr. Brandt presented Resolution 82-1, "Protection of the Elderly" and made a motion that it be adopted on first and final reading. This motion was seconded by Mr. Butts, Approved 5 - 0. The Delegation is to be sent a copy of this Resolution.

Dr. Earle made a motion that Council accept Terry Williams resignation from the Aeronautics Commission and he be sent a letter of appreciation. This motion was seconded by Mr. Butts, approved 5 - 0.

Mr. Williams made a motion that \$87.40 which had been refunded due to an overcharge in the water bill be put back into account 26 44 03 1, Public Buildings - Educational Building. This motion was seconded by Mr. Butts, approved 5 - 0.

Mr. Williams made a motion that \$10,740 be taken from contingency and placed into account number 22 33 00 1, Postage due to the increase in the volume of mail we are now having to handle. This motion was seconded by Mr. Butts, approved 5 - 0.

Mr. Williams made a motion, seconded by Dr. Earle, approved 5 - 0 that Mr. Hercial Sheriff be reappointed to the Emergency Preparedness Commission for a four year term expiring January 1, 1986.

Mr. Crain informed Council that Clemson University has a surplus motor grader with a cracked head for sell for about \$700. It has about \$2,000 worth of tires on it and State Surplus has a fire truck that we could obtain for around \$3,000. These two items have parts that we could interchange on our equipment.

Council agreed it would be good to look into this since there would be interchangeable parts. Mr. Crain said since he and Mr. Butts had to go to Columbia February 11 they would look at the equipment State Surplus has.

Mr. Crain asked the Law Enforcement, Safety, Health, Welfare & Services Committee to work up some guidelines on accepting animals from the towns.

Mr. Crain informed Council that General Electric had made a donation in the amount of \$50.00 to the local Duke Power Office to be dispersed through Charity Medical in the form of food coupons to needy people.

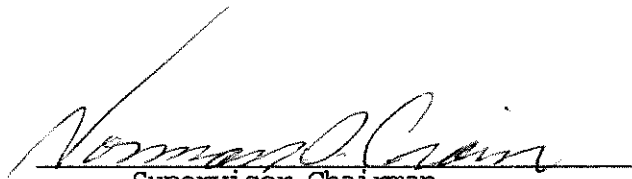

Mr. Crain announced that the State planned to print the fuel assistance coupons on Thursday and they should be received by the applicants by the first of the week.

Page 3 - February 2, 1982

Mr. Crain read excerpts from letters from Governor Riley, Congressman Campbell, Congressman Derrick and Senator Hollings expressing concern over the possibility of the Fish Hatchery being closed.

He then read a letter from Senator Hollings informing us the hatchery would not be closed this fiscal year.

C. SEATING ARRANGEMENT

Agencies are requested to occupy designated areas in the FEOC as identified in Figure 2. Agency nameplates will also identify the proper seating arrangements in the SEOC.

D. Supplies

Operational Journal Sheet Message Forms, will be furnished to each agency by EPD. Copies of these forms are shown as Figure 3 and Figure 4. Maps will also be furnished. These forms should be familiar to all participants prior to the exercise. Organizations will provide their own administrative and operational supplies.

E. Transportation

Exercise participants will furnish their own transportation.

F. Lodging and Feeding

1. Exercise participants are responsible for their own overnight accommodations. The nearest motel accommodations to the FEOC are:

a. Holiday Inn - Clemson (Phone - 654-4450)

b. Howard Johnson's Motel - I-85 and US 76
(Phone - 226-3457)

Keep lodging receipts for reimbursement from EPD.

2. Meals: (See Administrative Instructions)

G. Staffing

Each organization is responsible for having personnel available for shift rotations throughout the exercise.

H. Communications

Prior to the exercise, a telephone directory will be made available to all players and controllers/evaluators, which will show the telephone assignments for each agency. Telephone will be the primary means of exercise communication.

I. The exercise will be open for visitation by all state agencies. It is requested that the number of observers be limited to one per agency at any one time due to limited space in the FEOC. Prior coordination with EPD is required due to security restraints.

J. Facilities for actual medical treatment are located as follows:

1. Oconee Memorial Hospital:
Hwy. 123, West
Seneca, S. C.

2. Cannon Memorial Hospital:
110 Pendleton Street
Pickens, S. C.

3. Easley Baptist Hospital:
Fleetwood Drive
Easley, S. C.

K. A list of abbreviations and acronyms that are used in RER plans is found as Table 1.

III. EXERCISE CONTROL

- A. The overall responsibility for exercise control rests with the Chief Controller and/or the Deputy Chief Controller. This does not by any means preclude assigned controllers to interject "free play" messages.
- B. Controllers will be responsible for maintaining an even flow of exercise messages and events as furnished by the Chief Controller.

IV. EXERCISE RULES OF PLAY

A. General Information

1. SAFETY WILL BE THE FOREMOST CONSIDERATION DURING THE EXERCISE. At no time will an individual or agency create a situation that may be hazardous to life, limb, or property.
2. All state and local laws will be followed and enforced throughout the exercise.
3. If an actual emergency occurs during exercise play, the test will be terminated and actual field operations will be initiated.
4. When the FEOC is not established, the SEOC will coordinate the off-site RER activities of state agencies, local governments, and contiguous states. When the FEOC is established, the SEOC will relinquish operational control and will continue operation by supporting the FEOC. The FEOC will be dispatched to its forward position on order of the Governor based upon recommendation of DHEC.
5. All agencies participating in the exercise will check in and out with the EPD Operations Officer to insure that a player will be present at all times.

B. Time

The 24-hour clock will be used during the exercise. Examples of the 24-hour clock are as follows:

2400 -- Midnight
0001 -- One minute after midnight
1000 -- 10 AM
1200 -- Noon
1215 -- 12:15 PM
1700 -- 5:00 PM
1835 -- 6:35 PM

C. Weather

Weather conditions will be simulated during the exercise unless otherwise announced.

D. Security

During the exercise, participants and controller/evaluators will be required to wear the appropriate identification badges and armbands at all times. Entrance into secured areas will not be permitted without proper I.D. Vehicles must also be properly marked for clearance.

1. Controller/Evaluators will wear White armbands, in addition to the appropriate badges.
2. Observers will wear Red armbands, in addition to the appropriate badges. Armbands will be issued at the SEOC and/or FEOC.
3. Players - All Players will wear the appropriate color-coded badges as identified in Table 2, SLED, SOP.

E. Evacuation

1. To test the capabilities of local emergency welfare services, a group of school children from each county will be evacuated and processed through the appropriate Reception Centers.
 - a. Pickens County - R. L. Lewis Elementary to Table Rock State Park Reception Center.
 - b. Oconee County - ^{TAMASSEE -} Salem ^{High School} ~~Elementary~~ to Westminster Elementary Reception Center.
2. Oconee Nuclear Station will also evacuate non-essential plant personnel to test the on-site evacuation procedures.
3. All other evacuations will be simulated unless otherwise directed.

F. Exercise Messages

1. All exercise messages will be preceded and ended with the phrase: "THIS IS AN EXERCISE MESSAGE"
2. All messages, including those by telephone, will be recorded on an Operational Journal Sheet.

G. Forms

1. Operational Journal (Figure 3)

This will be the most frequently used form during the exercise. Each state agency assigned to the SEOC or the FEOC will use the Operational Journal Sheet to log all messages received by telephone and all free-play message input by the controllers. Operational Journals will be distributed to each agency when the SEOC and FEOC are activated. Each agency will turn in its Operational Journal to EPD Operations as soon as the exercise is terminated.

2. Outgoing/Incoming Message Form (Figure 4)

This is a four (4) part color coded form that will be used by the message center for incoming messages through the EPD Communications Van. It will also be used by the controllers to input "free play" messages.

3. Request for State Support Form (Figure 5)

This form is to be used when counties request state aid, such as additional personnel or equipment. Forms will be distributed when the SEOC and the FEOC are operational.
