All other persons who have asked to be notified of meetings were also notified by mail.

Other Persons

The meeting was called to order by Supervisor-Chairman Crain who welcomed the guests and media.

Meeting

The invocation was given by Mr. Stone.

Invocation

Dr. Earle made a motion, seconded by Mr. Stone, approved 5 - 0 that the minutes of the February 21, 1989 meeting be adopted as printed.

Minutes

First on the agenda was a public hearing to receive written and/or oral comments regarding the 1988-89 supplemental appropriation ordinance. There was no one present with either written and/or oral comments.

Public Hearing

Next on the agenda Mr. Keith Shuler was scheduled to address Council regarding the requirements for Superintendent of Education. However, before Mr. Shuler spoke, Mr. Fedder advised Council the only authority Council had in this matter was the setting of millage to fund the schools and such requirements are set by the legislature. The Council, as a body politic, has no input into these requirements.

Keith Shuler

Mr. Shuler urged Council to check into the situation and see what the people would like to have done.

After discussion, Mr. Crain referred this matter to the Intergovernmental Committee to make a recommendation to Council as to the action Council should take, if any, regarding the matter.

Mr. William Rowell of DHEC addressed Council regarding the ban of lead solder flux and pipe in the drinking water industry. Mr. Rowell urged Council to adopt a building code such as the Southern Building Code in Oconee County to protect citizens from health damages that can be caused by lead in drinking water.

DHEC

Mr. Dyar made a motion, seconded by Dr. Earle, approved 5 - 0 that Ordinance 89-1, "An Ordinance for the Identification of Fire Hazardous Materials" be adopted on third and final reading.
