Aeronautics  
& Planning  
Commission  
Appts.

Dr. Earle made a motion, seconded by Mr. Strickland, approved 4 - 1 (Mr. Dyar voting against) that the Aeronautics Commission be allowed to consult an engineering firm through regular purchasing procedures to develop a plan to include a taxiway, apron and lighting at the airport. Also to pursue federal a state grants for the financing of these projects and give periodic reports to Council. The fee for the engineering firm is to be paid from grants.

Airport

Mr. Crain presented the attached letter to Council in which Mr. Sam Cargill stated there was a bid on the Falcon Sewer line that he was unaware of, however it was much higher than the bid he presented to Council and if he had had this bid his recommendation would have been the same. By consent Council agreed to let the matter stand as previously decided.

Sam Cargill  
Letter

Mr. Crain informed Council that Mr. Bill Richardson of the School District was going to act as consultant on the construction of the Veterans Affairs Office. Mr. Richardson has suggested the V/A Office would look better if it were not attached to the existing structure housing Board of Registration and Election Commission.

V/A Office
