Public Hearing
Ord. 94-7

Mr. Perrish McCormick of McNair Law Firm informed Council that the purpose of the ordinance was to provide economic development incentives and the companies participating in the park would be given jobs tax credits for state corporate taxes in the amount of \$1,500 for five (5) years for each job new job created.

Also the companies participating in this park will pay an amount equal to property taxes in lieu of taxes. Although there is no actual cost to the county, one percent (1%) of taxes collected from each parcel of land in the park will be sent to Williamsburg County.

The companies included in the agreement are: The Kendall Company, Johnson Controls, Inc., True Temper Sports, Inc., Stone Mountain Industrial Park, Inc. & Ed L. Dickerson properties.

The agreement is for twenty (20) years, but it can be modified after ten (10) years.

Mr. Ben Vissage spoke against the industrial park stating he felt the county should seek retirees rather than industry to come into the county.

After further discussion, Mr. Harper made a motion, seconded by Mr. Strickland that Ordinance 94-7 be adopted on third and final reading.

Mr. Strickland made a motion, seconded by Mrs. Burrell, approved 4 - 0 (Mr. Williams absent) that Ordinance 94-7 be amended to include the Kendall Company, True Temper Sports, Inc., Johnson Controls, Inc., Stone Mountain Industrial Park, Inc., Ed L. Dickerson property, W. R. Grace & Co. properties, U. S. Engine Valve & S. M. Mihaly (Nason).
