Third & Final Reading of Ordinance 2007-10, "ROAD NAMING AND ADDRESSING ORDINANCE OF OCONEE COUNTY, SOUTH CAROLINA"

**BACKGROUND OR HISTORY:**

The E-911 Addressing Office was recently transferred into the Planning Division from Information Technology. As part of assimilating the office and its operations, the Planning Department undertook a review of the existing E-911 Addressing Ordinance to ensure compliance with all state requirements, and the existing ordinance (which contains both funding requirements and road naming and addressing standards) should be streamlined; any funding matters governed under the Budget & Control Board section of state code should be appropriately amended and remain in the existing ordinance, and all issues controlled by the State Planning Act (road naming and addressing) should be removed and put in a separate ordinance. In addition, formal policies and procedures governing road naming and addressing should be established, and in line with state regulations, placed within the purview of the Planning Commission.

**SPECIAL CONSIDERATIONS OR CONCERNS:**

If the proposed draft is approved, the existing E-911 Ordinance will need to be amended to reflect the existence of the new Road Naming and Addressing Ordinance prior to final reading; also, as E-911 funding involves contractual obligations, the County Attorney will need to review all final versions to ensure that no unintended negative impacts ensue.

**STAFF RECOMMENDATION FOR COUNCIL ACTION:**

Staff recommends adoption of Ordinance 2007-10.00 second reading.

Specific guidelines related to displaying addresses shall be available from the Addressing Office.

### **SECTION 11.-ENFORCEMENT**

The County agrees as follows:

Section 2.1. The Fee Agreement will contain suitable provisions for acquisition and construction of the project by the Company.

Section 2.2. The Fee Agreement will be executed at such time and upon acceptable terms to the County, as the Company shall request subject to Section 4.2 herein.

Section 2.3. The terms and provisions of the Fee Agreement by and between the County and the Company shall be substantially in the form generally utilized in connection with the Act as agreed upon by the County and the Company. Such Fee Agreement shall contain, in substance, the following provisions:

(a) The term of the Fee Agreement will coincide with the maximum term of the negotiated fee pursuant to the Act. Thus, the Company shall be allowed to invest under and pursuant to the Fee Agreement not less than \$30,000,000 of such qualifying fee in lieu of tax investment in the Project occurring by the end of the fifth (5<sup>th</sup>) year after the year of execution of the Fee Agreement and being maintained in accordance with the Act.

(b) The Company will maintain the Project and will (i) keep the Project insured against loss or damage or perils generally insured against by industries or businesses similar to the Company and will carry public liability insurance covering personal injury, death or property damage with respect to the Project; or (ii) self-insure with respect to such risks in the same manner as it does with respect to similar property owned by the Company; or (iii) maintain a combination of insurance coverage and self-insurance as to such risks.

(d) The Fee Agreement shall contain agreements providing for the indemnification of the County and the individual officers, agents and employees thereof for all expenses incurred by them and for any claim of loss suffered or damaged to property or any injury or death of any person occurring in connection with the planning, design, approval, acquisition, construction and carrying out of the Project.

(e) The Fee Agreement shall contain a provision requiring the Company to make payments in lieu of taxes. Pursuant to the Act, such payments shall continue for a period of up to twenty (20) years from the date of the Fee Agreement and each of the annual capital investments made under the Fee Agreement for the first five years, not counting the initial year of the Fee Agreement, and any amendments or supplements to the Fee Agreement to the extent permitted by law and authorized by the County, herein. The amounts of such payments shall be determined by using an assessment ratio of 6%, a fixed millage rate based on the June 30, 2007 millage rate for the Project site (which the parties believe to be 204 mills), and the fair market value for the Project property (which value is not subject to reassessment as provided in the Act) as determined by using original cost for any real property and original cost less allowable depreciation for any personal property in accordance with Title 12, Chapter 37, Code of Laws of South Carolina 1976, as amended.

(f) The County and the Company agree, in accordance with the Act, that the Company may dispose of property subject to fee payments, as set forth in this Section.

(1) When the Company disposes of property subject to the fee, the fee payment must be reduced by the amount of the fee payment applicable to that property, subject to an absolute requirement to invest not less than \$30,000,000 of such qualifying fee in lieu of tax investment occurring by the end of the fifth (5<sup>th</sup>) year after the year of execution of the Fee Agreement and being maintained in accordance with the Act.

(2) Property shall be considered disposed of for purposes of this Section only when it is scrapped or sold in accordance with the Fee Agreement.

(3) The Company will be allowed to replace personal property subject to

the Fee Agreement to the full extent provided by law.

Section 2.4. Upon the request of the Company, the County will permit the planning, design, acquisition, construction and carrying out of the Project to commence prior to the execution and delivery of the Fee Agreement. Contracts for construction and for purchase of machinery, equipment and related real and personal property deemed necessary under the Fee Agreement may be let by the Company.

Section 2.5. Oconee County Council agrees that this Agreement constitutes a Millage Rate Agreement, within the meaning of the Act, providing the Company with the millage rate legally levied and applicable to the Project site on June 30, 2007, which millage rate shall be fixed as to all property subject to the Fee Agreement for the duration of the Fee Agreement.

### ARTICLE III

Section 3.1. Prior to execution of the Fee Agreement and subsequent to this Agreement, the Company may advance any acquisition or construction funds required in connection with the planning, design, acquisition, construction and carrying out of the Project including any infrastructure and be entitled to subject the constructed or acquired property to the Fee Agreement, to the extent permitted by law.

Section 3.2. The County will have no obligation to assist the Company in finding a bank and the Company may endeavor to finance the Project to the extent required to finance the cost of the acquisition and installation of the Project and the costs of the fee in lieu of tax transaction.

Section 3.3. If the Project proceeds as contemplated, the Company further agrees as follows:

The Company also agrees to reimburse or otherwise pay, on behalf of the County, any and all expenses not hereinbefore mentioned incurred by the County in connection with the Project. This indemnity shall be superseded by a similar indemnity in the Fee Agreement;

Attachment: Dorchester Ordinance: 07-02

STATE OF SOUTH CAROLINA

COUNTY OF DORCHESTER

ORDINANCE NUMBER 07-02

AN ORDINANCE TO ADD A NEW SECTION 23 TO DORCHESTER COUNTY ORDINANCE NO. 91-08 PERTAINING TO BUSINESS LICENSES SO TO ADD THE "DORCHESTER COUNTY, SOUTH CAROLINA, LAWFUL EMPLOYMENT ORDINANCE," TO PROVIDE FOR AN EFFECTIVE DATE, SEVERABILITY, AND OTHER MATTERS RELATING THERETO

**SECTION 23.A. FINDINGS AND DECLARATION OF PURPOSE**

This Section shall be known and may be cited as the "Dorchester County, South Carolina, Lawful Employment Ordinance."

**The Dorchester County Council finds and declares:**

State and federal law require that certain conditions be met before a person may be authorized to work in this country; and

Unauthorized aliens as defined by Federal law do not normally meet such conditions as a matter of law when present in the County of Dorchester; and

Unlawful employment harms the health, safety and welfare of persons authorized to work in the United States; and

The state and federal government lack the resources to properly protect the citizens of Dorchester County from the adverse effects of the employment of unauthorized aliens; and

The County finds that providing business license applicants and licensees (hereinafter "licensees") with information, education and assistance with respect to hiring only persons authorized to work in the United States will assist licensees in complying with State and Federal laws; will operate as a deterrent to the employment of unauthorized aliens in violation of Federal Law; and further, the County finds it appropriate to serve licensees doing business in the County by providing information with respect to employment eligibility, employment eligibility verification, and available automated systems which serve as employment eligibility verification checks; and, further, the County finds that it possesses authority delegated by the federal government pursuant to the United States Code Title 8, Sections 1324a(h)(2), 1373 and 1644 to verify whether persons providing work or services on behalf of licensed businesses within the County are lawfully present in the United States under a citizenship or immigration status which authorizes the performance of such work.

The County finds it is in the best interests of, and will serve and benefit, the health, safety and welfare of the public and licensees to enact this Section to deter and prevent

employment of unauthorized aliens; provided, however;

The County shall not construe this Section to prohibit rendering of emergency medical care, emergency assistance or legal assistance to any person.

**NOW THEREFORE, BE IT ORDAINED AND ENACTED**, by the County Council of Dorchester County, South Carolina, duly assembled and by the authority of the same as follows:

## **SECTION 23.B. DEFINITIONS**

When used in this Section 23, the following words, terms and phrases shall have the meanings ascribed to them herein and shall be construed so as to be consistent with state and federal law, including federal immigration law:

- "Business" and "business entity" shall have the same meaning as provided in Dorchester County Ordinance 91-08 Sec. 2.A.
2. "County" means the County of Dorchester, South Carolina.
  3. "Contractor" means a person, licensee, subcontractor or business entity that enters into an agreement to perform any service or work or to provide a certain product in exchange for valuable consideration. This definition shall include but not be limited to a subcontractor, contract employee, or a recruiting or staffing entity.
  4. "Unauthorized alien" shall have the same meaning as 8 U.S.C. §1324a(h)(3) and means with respect to the employment of an alien at a particular time that the alien is not at that time either:
    - (a) an alien lawfully admitted for permanent residence; or
    - (b) authorized to be so employed by the United States Immigration and Nationality Act or by the United States Attorney General.
  5. The County shall not conclude that a person is an unauthorized alien unless and until an authorized representative of the County has verified with the federal government, pursuant to United States Code Title 8, subsection 1373(c), the person's citizenship or immigration status.
  6. "Basic Pilot Program" means an electronic verification of work authorization program provided under the auspices of the Illegal Immigration Reform and Immigration Responsibility Act of 1996, P.L. 104-208, Division C, Section 403(a), United States Code Title 8, subsection 1324a, and operated by the United States Department of Homeland Security (or a successor program).

established by the federal government).

7. "Employment Eligibility Verification" means the verification by an authorized representative of the County of Dorchester that a person providing work or services on behalf of a business entity licensed by the County is lawfully present in the United States in an immigration status for which such work has been authorized. Verification is made by the submission of such personal data of such a person as may be required by the appropriate federal government agency, which has been duly collected by the business and provided to the County pursuant to an enforcement action under this Section 23.

#### **SECTION 23.C. INFORMATION, EDUCATION AND ASSISTANCE**

It is unlawful for any business entity to recruit, hire for employment, or continue to employ, or to permit, dispatch, or instruct any person who is an unauthorized alien to perform work in whole or part within the County.

Every business or person that applies for a business license to engage in any type of work in the County shall sign an affidavit, on a form designated by the County, attesting under penalty of perjury that the business and, or person does not knowingly utilize the services of, engage or hire any person who is an unauthorized alien; and further, the licensee shall affirm and attest that as a condition of issuance for a business license the applicant accepts and agrees to the provisions of this Section 23 and shall fully cooperate with the enforcement Section 23 as provided herein.

Upon request, the County will provide a business license applicant or licensee with information pertaining to the requirements of Federal law regarding the unlawful employment of unauthorized aliens and unfair immigration-related employment practices.

#### **SECTION 23.D. ENFORCEMENT**

The County of Dorchester Business License Department shall enforce the requirements of this Section 23.

For purposes of this section, an enforcement action is an action undertaken by the County to ascertain the lawful employment of any person within the County.

2. An enforcement action shall be initiated by means of:

3. A complaint shall include specific allegations describing the alleged violation including but not limited to: the date and location where an alleged violation occurred. For purposes of this section, "the alleged violator" means a licensee and "the actions constituting a violation" include allegations which create in the mind of a reasonable person that the licensee engages in unlawful business practices in violation of this Section 23.
4. A complaint which alleges a violation solely or primarily on the basis of national origin, ethnicity, or race shall be deemed invalid and shall not be enforced nor shall same constitute grounds to conduct an audit pursuant to Dorchester County Ordinance 91-08 Sec.10.
5. A licensee shall not be subject to license suspension if the licensee, prior to the date of the alleged violation, shows to the satisfaction of the Business License Department that it verified employment eligibility for all newly hired individuals under an electronic verification of work authorization program as defined in Sec. 23.B.6.
6. Upon receipt of a written complaint alleging that a licensee has failed, neglected or refused to comply with this Section 23 or upon receipt of specific information which would lead a reasonable person to conclude there exists cause to investigate the compliance of a licensee, the Business License Division will cause an investigation to commence.
7. The Business License Division shall request a licensee to provide information, including but not limited to, employee identity information.
8. If an investigation of a complaint or the results of an audit show that the licensee:
  - (a) complied with 8 U.S.C. 1324 a; or
  - (b) utilizes the "Basic Pilot Program" (or an equivalent Program) and electronically verifies work authorization for all individuals subject to this Section 23;the investigation shall be immediately concluded and the complainant notified thereof in writing.
9.
  - (a) If an investigation of a complaint or the results of an audit show that the licensee failed, refused, or neglected to provide documentation of employment verification as required pursuant to 8 U.S.C. §1324a or, upon production of such documentation, the County obtains verification information pursuant to 8 U.S.C. §1373 evidencing the employment of unauthorized alien(s), the employer shall receive written notice of the findings and notice of further action, including, but not limited to, possible suspension of the licensee's business license.
  - (b) Upon receipt of such notice, the licensee may submit to the Business

License Department any additional documentation to support that the individual is authorized to work in the United States. Additional documentation shall be filed with the Department within (15) business days from the date of notice unless an extension of up to forty-five (45) working days is requested and granted. During this period, the licensee's business practices may remain unaltered. However, absent additional documentation to support a finding of lawful employment, the licensee shall be subject to license suspension as provided in Subsection 11.

- (c) Upon the expiration of the period referred to in Subsection 9(b), above, the failure, refusal or neglect by the licensee to provide additional documentation shall support the entry of a finding of a violation of this Section 23. All findings shall be made in writing with findings of fact and conclusions of law separately stated.
10. Appeals: An appeal from a finding shall be made to the Circuit Court under the applicable rules of Civil Procedure relating to an appeals from a final adjudication.
11. Penalties: The exclusive remedy for violation of this Section 23 is as provided herein.
- (a) Notwithstanding the monetary penalty provided at Dorchester County Ordinance 91-08, the exclusive penalty for violation of this Section 23 shall consist of suspension of the business license of any business entity which fails to correct a violation of this section within three (3) business days after receipt of notification of a violation by the County.
  - (b) The suspension of a business license shall terminate one (1) business day after a legal representative of the business entity submits to the Business License Department a sworn affidavit attesting that the violation has ended.
  - (c) The affidavit shall include a description of the specific measures and actions taken by the licensee to end the violation and shall include the name, address and other identifying information of the unauthorized alien related to the complaint.
  - (d) Upon a finding, that a licensee employs two (2) or more unauthorized aliens, the licensee shall be required to file with the Business License Department, in addition to the affidavit provided in Section 11.b. above, documentation acceptable to the County which evidences that the licensee has enrolled and participates in the Employment Eligibility Verification program provided at Section 23.B.7. for the duration of the business license granted to the licensee.
  - (e) In the event of a second or subsequent violation of Section 23, the

Business License Department shall suspend the licensee's business license for a period of twenty (20) days. Upon the expiration of the suspension, and upon receipt of the affidavit provided in Section 11 b. above, the Business License Department shall reinstate the licensee's business license and notify the appropriate Federal enforcement agency of same. In the case of the employment of a person unauthorized to work under State law and which is not related to Federal immigration laws, the Business License Department shall notify the appropriate State agency(s).

12. All agencies of the County shall enroll and participate in the Basic Pilot Program.
13. As a condition for any award of any County contract or grant to a business entity for which the value of employment, labor or personal services shall exceed \$10,000, the business entity shall provide documentation confirming its enrollment and participation in the Employment Eligibility Verification program provided at Section 23 B.7.
