Mr. George Blanchard District I
Mr. Thomas S. Crumpton, Jr., District II
Mr. Mario Suarez, District III
Mr. Marion E. Lyles, District IV, Chairman
Mr. H. Frank Ables, Jr., District V

Oconee County Council met with members of the Oconee County Infrastructure Advisory Commission on Tuesday, December 11, 2007 at 3:00 PM in Council Chambers, 415 South Pine Street, Walhalla, SC with all Council Members [except Mr. Suarez], County Administrator Dale K. Surrent, Elizabeth G. Hulse, Clerk to Council & Mr. Bradley A. Norton, County Attorney present.

Press:

Members of the press notified (via mail): Keowee Courier, Westminster News, Daily Journal, Anderson Independent, WGOG Radio, WYFF TV, WLOS TV WSPA TV & WSNW Radio.

Member of the press present: Dick Mangrum – WGOG Radio, Brett McLaughlin – Daily Journal and Dave Williams – Anderson Independent.

Guest of Commission: Mr. George McDaniel, Management Specialist, Appalachian Council of Governments

Call to Order:

Chairman Lyles called the meeting to order at 3:00 pm.

Mr. Bob Winchester, Commission Chairman, addressed Council noting that he presented each member with a letter from the Commission [filed with these minutes]. He outlined that the Infrastructure Advisory Commission's goal to provide County Council and the public with information regarding Capital Project Sales Tax.

Oconee County Infrastructure Advisory Commission Presentation to Council:

Mr. Winchester introduced Mr. George McDaniel who will give a formal presentation to council regarding Capital Project Sales Taxes [filed with these minutes].

Mr. McDaniel outlined the types of tax relief currently in use throughout South Carolina, noting that we are only one of six counties [map provided and filed with these minutes] not currently utilizing some form of special tax.

The presentation covered how the process works, estimated revenues, permitted uses and a sample of projects other counties have initiated with their special tax.

Mr. Winchester noted that the list of projected complied for the 2006 referendum totaled approximately \$53,000,000 and covered infrastructure needs, recreation needs, roads, etc. He also noted that the Infrastructure Advisory Commission, which is made up from a cross section of private sector businesses, municipalities and county employees, would be happy to work closely with the Capital Projects Sales Tax Commission once formed to help identify current needs throughout the county. Mr. Winchester asked Council to identify projects that they would like included.

Mr. Ables asked potentially narrowing the list of projects and potentially shortening the length of time requested for the tax.

Mr. Lyles noted that as the county is promoting tourism that this might be a good opportunity for the county to fund a recreation center.

Mr. Winchester noted that up to 25% of the sales tax would be paid by individuals who do not reside in Oconee County but are either working or visiting the county.

Mr. Blanchard questioned if the Commission was aware of support from the local municipalities. Mr. Winchester assured Council that there is support in the municipalities. In addition it was noted that the Chambers of Commerce also support this tax.

Mr. Surrett noted that it is imperative that the Commission look at what are critical projects and identify the best way to fund these projects; noting that with time any needed projects will only increase in price to build. He also noted that everyone pays property tax in Oconee County – visitors help pay businesses taxes as it is a cost that the business will pass on to its customers as part of doing business.

Mr. Blanchard questioned if there was sufficient time to identify the projects and prepare a referendum for the 2008 November ballot. Mr. Norton noted that the draft language for the referendum must be submitted to the state no later than 60 days prior to the election.

Mr. Jim Alexander, Economic Development Director, noted that there should be no negative impact on future economic development with the implementation of a special tax.

Mr. Lyles thanked Mr. McDaniel, Mr. Winchester and the Infrastructure Advisory Commission for their presentation and work to date.

Boy Scout Troop #120

Mr. Lyles recognized representatives and two scouts from Boy Scout Troop #120 who attended this meeting to fulfill part of a merit badge requirement.

Adjourn:

Chairman Lyles adjourned the meeting at 3:37 PM.

Respectfully Submitted:

JOINT OCONEE COUNTY COUNCIL MEETING
with OCONEE COUNTY SEWER COMMISSION
December 11, 2007

MEMBERS, OCONEE COUNTY COUNCIL

Mr. George Blanchard District I
Mr. Thomas S. Crumpton, Jr., District II
Mr. Mario Suarez, District III
Mr. Marion E. Lyles, District IV, Chairman
Mr. H. Frank Ables, Jr., District V

Oconee County Council met with members of the Oconee County Sewer Commission on Tuesday, December 11, 2007 at 3:45 PM in Council Chambers, 415 South Pine Street, Walhalla, SC with all Council Members [except Mr. Suarez], County Administrator Dale K. Surrent, Elizabeth G. Hulse, Clerk to Council & Mr. Bradley A. Norton, County Attorney present.

Press:

Members of the press notified (via mail): Keowee Courier, Westminster News, Daily Journal, Anderson Independent, WGOG Radio, WYFF TV, WLOS TV WSPA TV & WSNW Radio.

Member of the press present: Carlos Garza – Daily Journal, Brett McLaughlin – Daily Journal, Dick Mangrum – WGOG Radio and Dave Williams – Anderson Independent.

Members of Sewer Commission identified: Lowell Ross, Commission Attorney, Mr. Bob Winchester, General Superintendent OCSC, Mr. Greg Dietterick, City of Seneca Administrator & Sewer Commission Member, and Mr. Bob Froneberger, Engineer with W. K. Dickson Engineering.

Call to Order:

Chairman Lyles called the meeting to order at 3:50 pm.

Oconee County Sewer Commission Presentation to Council:

Mr. Bob Winchester made a short statement and provided a summary letter [filed with these minutes]. In addition, he introduced Mr. Bob Froneberger, Engineer with W. K. Dickson Engineering. Mr. Froneberger provided a handout and map to council members [filed with these minutes].

Mr. Froneberger outlined the preliminary soils investigations results, future land application requirements, reclaimed water requirements and provided Council with recommended steps to proceed and cost estimate projections. The soil at the Commerce Park was noted to be generally suitable for land application using either drip or spray irrigation or a trench system. Some soil was unsuitable due to massive loam or clay loam soils with firm or very firm consistence due to past agricultural activities.

Mr. Froneberger identified the need to obtain a good aerial topographical map of the sight and recommended Council authorize proceeding with authorizing an aerial topographical survey. He noted that this time of year is the best time to conduct this survey and he estimated a cost between \$16,000 and \$20,000 to survey the approximately 410 acres. The only areas of concern are the wooded areas that may require a field team to conduct that portion of the survey. Mr. Ables questioned if a land survey would be better and Mr. Froneberger stated that it would be both more costly and take several weeks longer to complete. Mr. Froneberger stated that he would obtain a cost estimate for this type of survey for comparison purposes. Mr. Surret informed Council that money was already allocated for this project.

Mr. Surret questioned if the county could intermingle the treated wastewater and storm water. Mr. Froneberger noted that this would not work and that it would be necessary to keep the two water sources separate.

Discussion took place regarding estimates for usage by type of different industry that would utilize the wastewater treatment plant. It was also discussed that as development commences that it be a requirement that some of the water be required to be used for watering common areas and grounds for each industry. Mr. Ables questioned if adjacent land could be used for land application with the permission of the various land owners. Mr. Froneberger noted that this is done in other places effectively with benefit to both the county and the landowner.

Mr. Blanchard summarized the next steps to be taken on this project as follows:

1. Authorize W. K. Dickson to proceed with the aerial topographical study of the Commerce Park
2. Obtain additional preliminary soils investigations for infiltration and saturated hydraulic conductivity tests
3. Prepare Preliminary Engineering Report [PER]
4. Council to designate land for land application at the Commerce Park

Mr. Surret noted that the county will work closely with the Oconee County Sewer Commission to obtain the needed survey, will obtain input from the Road Department regarding future road / infrastructure needs.

Adjourn:

Chairman Lyles adjourned the meeting at 4:28 PM.

Respectfully Submitted:

Member of the press present: Brent McLaughlin–Daily Journal and David Williams–Anderson Independent.

Call to Order:

Chairman Lyles called the meeting to order at 7:00 p.m.

Pledge of Allegiance:

Mr. Norton led the pledge of allegiance to the US Flag.

Minutes:

Mr. Ables made a motion, seconded by Mr. Blanchard, approved 4 – 0 that the minutes from the regular meeting held November 13, 2007 be adopted as printed.

Public Comment Session:

Mr. Tom Markovich, Home Builders Association of Oconee, addressed Council regarding his concerns that Council is moving forward too quickly on zoning.

Mr. Tommy Alexander addressed Council regarding his opposition to zoning.

Mr. Berry Nichols addressed Council regarding opposition to county employees serving on the Building Codes Appeal Board and fast tracking the zoning issue.

Mr. Bo Horne, TargetOC, addressed Council regarding the taxpayer's frustration with Council and his opposition to any additional taxation.

Mr. B. J. Littleton addressed Council regarding the loss of constitutional rights by county citizens.

Mr. Berry Nichols Address to Council:

Mr. Berry Nichols addressed Council regarding his concerns about the drought and water conservation. Mr. Nichols stated that we are in a drastic situation and the crisis needs to be addressed by Council. Mr. Blanchard noted that two meetings have taken place with Duke Energy regarding water restrictions on the lake. He noted that if the situation continues to worsen that more drastic measures may be taken by Duke to conserve water.

Ordinance 2007-19:

Public Hearing:

Mr. Norton addressed Council noting that no changes have been made to this ordinance between second and third readings. He noted he has worked with Maj. Steve Pruitt, Oconee County Sheriff's Department, to define violent and non violent offenses. Mr. Norton provided Council with a short summary listing [filed with these minutes] of the crimes considered violent and not eligible for home detention. He stated that this listing would become part of the regulations that apply to this ordinance and not included in the ordinance language.

Mr. Lyles asked if anyone present had either written or oral comments regarding Ordinance 2007-19.

Mr. B. J. Littleton addressed Council regarding the need to not exclude individuals from home detention based on the crime but the circumstances that led up to the crime.

Mr. Tom Markovich addressed Council asking how as an employer he would be able to identify an employee or potential employee who was under home detention as either a part of their bond or as part of their sentence. He asked if a web site would be created to identify these individuals. Mr. Norton stated he would follow up with the Sheriff's Department but at the present time no web site is available. He also stated that the intent of this program is to provide an option for low risk offenders such as individuals with child support arrearages. It will allow them to continue to work to fulfill their obligation but restrict their other activities as part of their sentence.

Third & Final Reading of Ordinance 2007-19:

Mr. Blanchard made a motion, seconded by Mr. Crumpton, approved 4 – 0 that **Ordinance 2007-19, “AN ORDINANCE ESTABLISHING A HOME DETENTION PROGRAM”** be adopted on third and final reading.

Ordinance 2007-18:

Mr. Lyles made a motion, seconded by Mr. Ables, approved 4 – 0 to table second reading of this ordinance and to schedule a workshop with the Oconee County Planning Commission to discuss **Ordinance 2007-18 ‘OCONEE COUNTY ZONING ENABLING ORDINANCE’**.

Mr. Lyles stated that the date for this workshop will be set at the first meeting to be held on January 8, 2008.

Ordinance 2004-25:

Mr. Lyles made a motion, seconded by Mr. Ables, approved 4 – 0 to table first reading regarding the **FUTURE LAND USE MAP** which is an amendment to **Ordinance 2004-15 “OCONEE COUNTY COMPREHENSIVE PLAN”** and to schedule a workshop with the Oconee County Planning Commission to discuss this issue.

Mr. Lyles stated that the date for the workshop will be set at the first meeting to be held on January 8, 2008.

Items for Consideration by Council:

Follow-up to the Arts & Historical request for Oconee County School District–Artist in Residence Program:

Mr. Surrett addressed Council regarding his follow-up regarding the Oconee County School Districts request for \$2,000 to be used to fund artist in residence and performances in all of the Oconee County Schools. Mr. Surrett noted that he contacted the School District and they stated that they have other funding that they could move to cover this program if Council does not decide to fund this program.

Mr. Ables made a motion, seconded by Mr. Crumpton, approved 4 – 0 to deny the request for \$2,000 for the Oconee County School District – Artist in Residence Program.

Bid #2007-07: Playground Equipment for DSS:

Mr. Surrett addressed Council regarding the purchase of playground equipment for the new DSS building. Nine companies submitted bids with Playground Safety Services, Inc of Shelby NC submitting the lowest bid of \$30,498.

Mr. Ables made a motion, seconded by Mr. Crumpton, approved 4 – 0 to award bid #2007-07 to Playground Safety Services, Inc for \$30,498 to include the playground structure and surface which includes an optional ADA compliant ramp.

Bid #2007-10: Wheel Loader for Transfer Station at Solid Waste:

Mr. Surrett addressed Council regarding this wheel loader for Solid Waste. The “best value” system was used to evaluate the proposals to be reviewed for this purchase. Best value proposals take into consideration price as well as other factors such as safety aspects, quality of design, engine performance, dealer service and parts support, and results of machine demonstrations. Eight companies submitted a proposal and each was evaluated by an evaluation committee. The committee recommends the purchase of the John Deere 624J loader from Van Lott, Inc. based on the criteria.

Mr. Swain Still, Solid Waste Director, addressed Council along with Ms. Maryann Dillard, Procurement Director, regarding the bid process and product evaluation. Mr. Still noted that the lowest bid had fiberglass body parts that were deemed to be insufficient to the needs of Solid Waste. The John Deere had better fuel economy and Van Lott included a 5 year / 7,500 hour extended power train warranty and a counterweight.

Mr. Blanchard made a motion, seconded by Mr. Ables, approved 4 – 0 to award Bid #2007-10 to Van Lott, Inc. of Greenville in the amount of \$192,106.98, which includes a 5 year / 7,5000 hour extended power train warranty and a counterweight.

Bid #2007-13: Horizontal Grinder for Solid Waste Mulch Yard:

Mr. Surrett addressed Council regarding this horizontal grinder noting that it is the staff’s recommendation to purchase the grinder from Mobark. This proposal was reviewed using the “best value” method taking into consideration price as well as other factors such as price, safety, quality of design and workmanship, engine performance, dealer service record, support, reputation and longevity, warranty, and the results of machine demonstrations. Two companies submitted proposals and each was evaluated by an evaluation committee. The committee recommends the purchase of the 4600XL horizontal grinder from Morbark, Inc based on the criteria.

Mr. Swain Still, Solid Waste Director, addressed Council along with Ms. Maryann Dillard, Procurement Director, regarding the bid process and product evaluation. Mr. Still noted Morbark, Inc. offered a full machine warranty for 5 years / 5,000 hours. It is recommended that this warranty be purchased due to its specialized use.

Mr. Ables made a motion, seconded by Mr. Crumpton, approved 4 – 0 to award bid #2007-10 to Morbark, Inc. of Winn, MI, for the amount of \$454,744, which includes a 5 year / 5,000 hour full machine extended warranty, satellites linkage system and an oscillating discharge system.

Bid #2007-14: Tri-Axle Dump Truck for Road Department:

Mr. Surrett addressed Council regarding the purchase of a tri-axle dump truck for the Road & Bridges Department. Two companies submitted bids, with Carolina International Trucks, Greer, SC submitting the low bid of \$104,086.41.

Mr. Blanchard made a motion, seconded by Mr. Ables, approved 4 – 0 to award bid #2007-14 to Carolina International Trucks, Greer, SC submitting the low bid of \$104,086.41.

Replacement Award – Telsmith Model 44 Fine Cone Support Bowl for Rock Quarry:

Mr. Surrett addressed Council regarding the replacement of the Telsmith Model 44 Fine Cone Support Bowl for the Rock Quarry. Mr. Ables questioned if the replacement was needed due to normal wear or was it due to lack of proper maintenance. Mr. Crumpton noted that the bowl does not wear evenly with normal use and they have maintained proper maintenance of the bowl.

Mr. Crumpton made a motion, seconded by Mr. Ables, approved 4 – 0 to award the replacement of the Telsmith Model 44 fine cone support bowl to Interstate Equipment Company, as the sole authorized dealer for Telsmith repair parts for this area, for a total cost of \$68,648.30 plus shipping and handling.

IT: Master License Agreement & Software Maintenance Agreement with IT Nextus:

Mr. Surrett addressed Council regarding the master license agreement & software maintenance agreement for GIS. This will enhance GIS capabilities to utilize the Viewer for ArcGIS Server. Mr. Blanchard questioned if the maintenance agreement locked the county into anything. Mr. Richard Reeves, IT Director, noted that the county has an option to renew after 1 year and that we are not required to renew.

Mr. Blanchard also stated that during the 2008-2009 budget process Council will want to review in depth with IT all maintenance contracts.

Mr. Crumpton made a motion, seconded by Mr. Ables, approved 4 – 0 to execute the master license agreement and software maintenance agreement with IT Nextus at a cost of \$4,990.00 which includes maintenance for the first year.

IT: Contract with Blue Ridge Security Systems for the DSS Building:

Mr. Surrett addressed Council regarding the contract with Blue Ridge Security Systems for maintenance and monitoring to include police and fire dispatch for the DSS building located at 223 Kenneth Street, Walhalla, SC.

Mr. Blanchard made a motion, seconded by Mr. Crumpton, approved 4 – 0 to accept the contract with Blue Ridge Security Systems at a monthly cost of \$30.00 – after the first year the maintenance and monitoring is \$230.00 a month which will be budgeted in the 2008-2009 budget cycle.

IT: Agreement: Technologies Solutions [web-based payment portal]:

IT: Agreement: NPC/COCARD [card present account]:

IT: Agreement: NPC/COCARD [card not present account]:

IT: Agreement: NPC/COCARD [internet account]:

Mr. Richard Reeves addressed Council regarding these four agreements with NPC/COCARD for credit card processing for the Treasurer's office.

The first agreement with Technologies Solutions would be for web design so that internet credit card payments could be securely received by the Treasurer's office. Mr. Blanchard questioned why this web design could not be done in house as the IT department had assisted other department with updating/design of their web site. Mr. Reeves stated that it was a very complex design that was needed and was a timeframe issue for his department. It requires developing an interface with the credit card company and the bank. Mr. Blanchard also

questioned why this was being presented without going through the appropriate bid process. Mr. Reeves stated that he approached other vendors without success. Technology Solutions works with this credit card company.

Mr. Blanchard voiced concern that this process had been ongoing for 6 months and that Council was being asked to review these contracts in just a few days. He voiced grave concerns that the three contracts with NPC/COCARD have three different maintenance rates in them. In addition, Mr. Blanchard was not satisfied with the response of the company to inquiries from Mr. Reeves about credit card security.

Mr. Blanchard questioned who was paying the 3.8% - 4.2% service fees outlined in the contracts. Mr. Reeves stated that Community First Bank is presently waiving those fees for the County. The question arose if this was being done by contract or verbal agreement. Mr. Reeves stated we had nothing in writing from Community First Bank regarding this practice.

Mr. Blanchard stated that he felt that these types of contracts should be addressed during the budget process when adequate time can be spent to have all questions/concerns addressed. Mr. Blanchard stated that he was upset by this request and did not approve of the way it was presented to Council.

Mr. Lyles made a motion, seconded by Mr. Blanchard, approved 4 – 0 to table discussion of these contracts and schedule a workshop to have all concerns/questions addressed.

Supplemental Local Planning Grant [SLPG]:

Mr. Surretts addressed Council regarding this grant FEMA grant administered by the SC Emergency Management Division.

Mr. Blanchard made a motion, seconded by Mr. Crumpton, approved 4 – 0 to allow Emergency Serviced to apply for the Supplemental Local Planning Grant.

UPS Battery Powered Unit for the Sheriff's Office Voter Repeater located at Toccoa Falls College, Toccoa, GA:

Mr. Surretts addressed Council regarding this UPS battery powered unit which was not on the published agenda.

Mr. Ables made a motion, seconded by Mr. Blanchard, approve 4 – 0 to amend the December 11, 2007 agenda to include this agenda item.

Mr. Surretts noted that the county has an agreement with Toccoa Falls College that allows us to place a radio repeater site on their tower. Toccoa Falls College is allowing the county to use the tower at no monthly cost to the county and they pay all fuel costs associated with the operation of the generator and the monthly electric bills. Based on these facts it is recommended that the county pay for the purchase and installation of a 30 KVS UPS battery unit. Mr. Surretts noted that Toccoa Falls College is providing us with free rental, electrical bill, and propane gas. The cost of this unit will pay for itself in one year.

Mr. Crumpton made a motion, seconded by Mr. Ables, approve 4 – 0 the purchase of the UPS battery powered unit for installation at Toccoa Falls College, GA.

Mr. Lyles instructed the County Attorney to draft a formal proclamation honoring Ms. Moses for presentation at the next council meeting.

Capital Project Commission: Appointment of Members:

Mr. Blanchard made a motion, seconded by Mr. Ables, approved 4 – 0 that the Infrastructure Advisory Commission appoint three of its members to serve as County Council appointees on the Capital Project Sales Tax Commission.

Board of Zoning Appeals: Appointment of Members:

Mr. Lyles noted that three of the seven members have resigned from this Board. In addition one member is now deceased. Mr. Blanchard questioned if Ms. Coward, as a council member in the City of Salem, could continue to serve on this Board. Mr. Norton stated that it would be a conflict. Five members need to be appointed by Council.

Mr. Lyles made a motion, seconded by Mr. Blanchard, approved 4 – 0 to re-appoint Mr. Clark Wilmont for District IV to the Board of Zoning Appeals.

Mr. Ables stated that he would contact Mr. Molin to determine if re-appointment would be appropriate.

All other District appointments and At Large appointments we tabled for a future meeting.

Town of Salem: Stone Request:

Mr. Crumpton made a motion, seconded by Mr. Blanchard, approved 4 – 0 to grant the Town of Salem request for stone as outlined in their letter [filed with these minutes].

Scenic Highway Proposal [Ordinance 2007-21 “AN ORDINANCE ESTABLISHING OCONEE COUNTY’S SCENIC HIGHWAYS”]:

Mr. Blanchard stated a need to identify highways in Oconee County as “scenic”. He asked County Attorney, Brad Norton, to address Council and present a draft **Ordinance 2007-21 “AN ORDINANCE ESTABLISHING OCONEE COUNTY’S SCENIC HIGHWAYS”**. This ordinance would allow citizen groups to request a road be designated a county scenic highway. Specifics are outlined in the Ordinance regarding criteria for designation, responsibilities of the group making the request, signage, etc. Mr. Norton asked that the ordinance be passed on first reading only and be forwarded to the Planning Commission for further review.

Mr. Blanchard made a motion, seconded by Mr. Ables, approved 4 – 0 to approve **Ordinance 2007-21 “AN ORDINANCE ESTABLISHING OCONEE COUNTY’S SCENIC HIGHWAYS”** on first reading in title only and that Ordinance 2007-21 be forwarded to the Planning Commission for further review and discussion.

Adjourn:

Mr. Lyles again noted that the workshop with the Planning Commission regarding Ordinance 2007-18 and the amendment to Ordinance #2004-25 will be scheduled at the first council meeting to held on January 8, 2008 at 7:00 p.m.

Mr. Lyles adjourned Council at 8:38 PM
