[5] a. Roads & Bridges / [22' Samurai boom Mower](#) with 5' Rotary Head installed on a John Deere 6330 Tractor / \$90,784.85

b. Approval of Budget Justification

One slope mower, purchased in 1996, is still currently in service and will be used to mow along rural roads. The proposed John Deere tractor w/ Samurai Boom mower is operated by joystick, thus, it never requires the driver to take his hand off the wheel which increases safety and improves efficiency. The Samurai Boom for the new slope mower is available to interchange, with a quick hitch, with the rotary head and buzzbar currently in use by the Roads & Bridges Dept. This will allow for more efficient use of the slope mower and its attachments.

It is the staff recommendation to approve a budget justification to spend an additional \$11,884.85 on the 90 hp agricultural tractor with a 22' Samurai Boom Mower attachment. This amount is currently available in budget line 010-601-50870.

It is the staff recommendation to award purchase of one 22' Samurai Boom Mower with 5' Rotary Head installed on a John Deere 6330 tractor in the amount of \$90,784.85 to Alamo Industrial Inc., of Sequin TX, per state contract 08-S7683-A13729. The authorized dealer that will receive credit for and deliver and services the equipment is GreenSouth Equipment, Inc. of Williamston, SC.

[6] Courthouse / [Change Order #5](#) / PO 44635 / \$10,000

Due to litigation for the Oconee County Courthouse, Ard, Wood, Holcombe & Slate was selected to assist in the ADA issues recognized by the US Department of Justice [USDOJ]. With this change the remaining balance in the Courthouse Correction line item will be \$30,832.37.
