The Oconee Men's Outreach continue to pray for you, the members of our Oconee County Council. As you wrestle with the financial issues facing Oconee County during these complex economic times.

Starting in May we are asking God to work within you an appreciation of the importance God places on your fiscal responsibility, by applying His Word in 2 Corinthians 9:8. We have personalized this Bible passage as follows: "And God is able to make all grace abound toward you, that... Chairman Reg Dexter, Wayne McCall, Mario Suarez, Joel Thrift and member to be selected... always having all sufficiency in all things, may abound in every good work." It is in the name of Jesus, that we are asking God to apply this Scripture in giving you overwhelming blessings in making fiscal decisions as Council members.

As a reminder of our prayers for you the Council, we wish to provide each of you and the members of your staff present here with two cards inscribed as follows:

Father, please apply Your Word
in my life today, including -
**2 Corinthians 9:8: And God is able
to make all grace abound toward
you, that ye, always having all
sufficiency in all things, may
abound in every good work.**

Our request is that the business card be carried in your wallets as a periodic reminder of our prayers, and the 3 X 5 card be placed on your desk during your meetings, where you can reference God's Word as you consider the business of Oconee County.

Thanks for your commitment to Oconee County and blessings on your day!

For the Praying Men,

Greetings and introductions —

Image 1 In the year 2000, County Council voted 5-0 for incorporating a monument to our Native American heritage into the design for the new courthouse grounds...

In August 2007, Chief John Hiltz asked the Arts and Historical Commission for assistance with the monument project.

Image 2 The original proposal was to place the monument in the middle of the parking lot...

Image 3 Our revised proposal is to locate the Spirit of Cherokee monument in the grassy area along the Short Street staircase...

County Council approved the designed 3-0 and authorized the Cherokee Boys Club to raise funds with the understanding that courthouse collections will have to be used first...

Image 4 We have raised funds and purchased materials for the monument and have over ten hours equity-time support, but there is one major problem...

Image 5 My granddaughter, Charlotte would like to see the monument completed before she goes off to college.

We will interface with government representatives on these issues of interest. At this time we would like to express our support of the efforts for the Heritage Fair to be held at the Commerce Park this fall.

CONCLUSION

I would like to thank you for this opportunity to introduce ourselves. We look forward to working with this Council to accomplish the goals identified in VOSO's mission.

COMMENTS ON PROPOSED CHANGES TO ORDINANCE 2007-18

THIRD READING 5-19-2009

Sec 38-2.7 Complaints

It is stated in this section that "Complainants must reside in the same planning district in which the potential violation lies." I feel that owners of property within the same planning district in which the potential violation lies should also be able to file valid complaints.

Sec 38-8.5 (1) – Planning District Initiated by Citizens

If a property owner has more than one parcel in a specific Planning District when rezoning is initiated, does the owner have one vote for each parcel? If so, it should be stated here.

Sec 38-8.5 (2) – Small Area Rezoning

If a property owner has more than one parcel in a specific Subdivision when rezoning is initiated, does the owner have only one vote? If so, it should be stated here. It should also be stated that Subdivisions separated by a road or railroad right of way are considered contiguous.

WHEREAS, in accordance with the Act and the Zoning Enabling Ordinance, Oconee County Council has referred such matters to the Oconee County Planning Commission for their review, comment, and recommendation. The Oconee County Planning Commission has, in fact, reviewed all such matters and offered its comments and recommendations as to such matters, and to certain others considered by the planning commission, to the Oconee County Council. The Oconee County Council has considered the comments and recommendations of the Oconee County Planning Commission, held a public hearing, duly noticed and advertised, as required by law, to receive the comments of the public, finds that such comments and recommendations are correct and necessary, and desires to amend the Zoning Enabling Ordinance, as codified at Chapter 38 of the Oconee County Code of Ordinances, in certain limited particulars only, based on the review, comments, and recommendations of the Oconee County Planning Commission and the public, and to

Standards contained on Appendix A shall apply only to those zoning districts or overlay districts specifically identified in Section 10, "Zoning Districts", and Section 11, "Overlay Districts", as being subject to Appendix A, each of which may be subject to all or part of the entire appendix, but only as specified. In no instance shall standards contained in Appendix A apply to any zoning district or overlay district unless so specified in such sections.
- (4) Notwithstanding any other provision herein to the contrary, proposed utility facilities and structures needed by regional and local utility providers for production, transmission, and distribution, as well as any facility or structure necessary to comply with any federal or state license requirements related to such production, transmission, and distribution, shall be permitted in any district, provided the Planning Commission approves a plan, in each such instance, to mitigate potential negative impacts on neighboring uses.

- Any structures or any other objects that are impediments in the establishment of the required buffer shall be moved unless the total square footage they contain is added to the buffer at another location, resulting in a buffer area equal to the required buffer area.

STATE OF SOUTH CAROLINA
COUNTY OF OCONEE
ORDINANCE 2009-010

AN ORDINANCE TO AMEND SECTION 32-4 OF THE OCONEE COUNTY CODE OF ORDINANCES PERTAINING TO THE OCONEE COUNTY PLANNING COMMISSION, IN CERTAIN LIMITED REGARDS AND PARTICULARS, ONLY, AS TO MEMBERSHIP REQUIREMENTS AND STANDARDS, TERMS OF MEMBERS, PROCEDURES FOR REMOVAL OF MEMBERS, AND SALARIES AND FUNDING STANDARDS; AND TO RATIFY AND AFFIRM ALL OTHER PROVISIONS OF SUCH SECTION 32-4 NOT AMENDED OR MODIFIED HEREBY; AND OTHER MATTERS RELATED THERETO.

WHEREAS, pursuant to the requirements established in Title 6, Chapter 29 (the "Act") of the South Carolina Code of Laws, 1976, as amended (the "Code"), the Oconee County Council (the "County Council") adopted an Ordinance creating the Oconee County Planning Commission (Ordinance 95-2) on April 4, 1995 (the "Ordinance") and later proposed to amend the Ordinance by Oconee County Ordinance 1999-14 (the "Amending Ordinance"), all of which is currently codified at Section 32-4 (the "Section") of the Oconee County Code of Ordinances (the "Oconee County Code"); and,

WHEREAS, the adoption of the Section not only created the Oconee County Planning Commission, but defined the duties and authorities identified in state law as appropriate and necessary for a local planning commission to act in an advisory capacity for the governing body, as well as carrying out certain land use and planning-related functions; and,

WHEREAS, subsequent to adoption of Ordinance 95-2, Oconee County changed from a Council-Supervisor form of government to a Council-Administrator form of government, resulting in certain inconsistencies and ambiguities in some sections of the adopted Ordinance, and even the Section, necessitating review and amendment to clarify and ensure that responsible individuals, entities, duties, powers, and offices are properly identified; and,

WHEREAS, reappointments of the membership of the Oconee County Planning Commission (the "Planning Commission") have, at times in the past, been accomplished so as to alter the system of staggered terms originally established, thereby resulting in a majority of the Commissioners' terms ending at the same time, which may unintentionally result in lessening the Planning Commission's collective experience and institutional knowledge; and,

WHEREAS, County Council approved an increase in Planning Commission members' compensation under a separate document on June 30, 2003; and,

WHEREAS, Oconee County, a body politic and corporate and a political subdivision of the State of South Carolina, acting by and through its County Council, desires to restate and reaffirm the Section, so as to clear up all ambiguities, reestablish fully staggered terms, provide for removal and replacement of members, provide for salaries and funding of the Planning Commission, and address other matters related thereto and to the Act.

NOW, THEREFORE, it is hereby ordained by Oconee County Council, in meeting duly assembled, that

1. Section 32-4 of the Oconee County Code of Ordinances is hereby amended to read, in its entirety, as follows:

"Sec. 32-4. County planning commission.

- (b) *Functions, powers and duties.* It is the function and duty of the county planning commission to undertake a continuing planning program for the physical, social, and economic growth, development, and redevelopment of the county. The plans and programs must be designed to promote public health, safety, morals, convenience, prosperity, or the general welfare as well as the efficiency and economy of the county. Specific planning elements must be based upon careful and comprehensive surveys and studies of existing conditions and probable future development and include recommended means of implementation. The county planning commission may make, publish, and distribute maps, plans, and reports and recommendations relating to the plans and programs and the development of the county to public officials and agencies, public utility companies, civic, educational, professional, and other organizations and citizens. All public officials shall, upon request, furnish to the planning commission, within a reasonable time, such available information as it may require for its work. The planning commission, its members and employees, in the performance of its functions, may enter upon any land with consent of the property owner or after ten days' written notification to the owner of record, make examinations and surveys, and place and maintain necessary monuments and stakes on them, provided, however, that the planning commission shall be liable for any injury or damage to property resulting therefrom. In general, the planning commission has the powers as may be necessary to enable it to perform its functions and promote the planning of the county.

In the discharge of its responsibilities, the county planning commission has the power and duty to:

- (1) Prepare and revise periodically plans and programs for the development and redevelopment of the county as provided in S.C. Code 1976, § 6-29-310 *et seq.*; and

 - b. Regulations for the subdivision or development of land and appropriate revisions thereof, and to oversee the administration of the regulations that may be adopted;
 - c. An official map and appropriate revisions on it showing the exact location of existing or proposed public street, highway, and utility rights-of-way, and public building sites, together with regulations to control the erection

- of buildings or other structures or changes in land use within the rights-of-way, building sites, or open spaces;
- d. A landscaping ordinance setting forth required planting, tree preservation, and other aesthetic considerations for land and structures;
 - e. A capital improvements program setting forth projects required to implement plans which have been prepared and adopted, including an annual listing of priority projects for consideration by the county council prior to preparation of its capital budget;
 - f. Policies or procedures to facilitate implementation of planning elements; and

Appeals regarding alleged errors by the planning director concerning a decision on a land development plan or subdivision may be heard by the planning commission. The planning commission shall act on the appeal within 60 days and the action of the planning commission is final. An appeal from the decision of the planning commission may be taken to circuit court within 30 days after actual notice.

(c) *Membership.*

1. The membership of the county planning commission shall be seven (7) members, selected and appointed by a majority vote of the membership of the county council voting in any meeting of county council, duly assembled, with five (5) members being selected from each of the five (5) county council districts in existence and as delineated at the time of the adoption of this section, nominated by the respective member of county council from each district, together with two (2) members from the county at large, who shall be designated and appointed by the entire membership of the county council.
2. If after an appointment of a member to represent a particular council district of the county to the planning commission, such district is altered, then such commission member shall continue to serve thereon for the remainder of the term to which said member is appointed, regardless of his/her place of residence within the county.
3. In the event the county is further divided into additional county council districts, additional appointments of members to the commission to represent the newly created district(s) may be made by county council through amendment of this section.
4. Should any member of this commission move and establish residence outside of the county or the district where such member was residing at the time of the appointment to this commission, such move shall constitute a resignation by the member, and a replacement member shall be appointed to fill the unexpired term of such resigned member, in the same manner as the original appointment.
5. No member of the planning commission may hold an elected public office within the boundaries of the county.

(d) Terms of Members:

1. The length of the regular term served by each member shall be four (4) years, beginning on January 1 of the year of appointment.
2. For the purposes of implementing the standards of this section, and thereby returning the reappointment/replacement schedule of the membership of the commission to staggered lengths in as fair and equitable manner as possible, the following shall apply:
 - (a) All members appointed by county council district shall serve for the same term as the length of the remaining term of the council member who appointed them, after which the term of such district members shall be equal to and coincidental with the term of the council member appointing or reappointing them, with all terms or parts thereof starting as of January 1 of the year of appointment or reappointment.
 - (b) The first at-large member appointed by county council after adoption of the restatement of this section shall serve for four (4) years and the second such at-large member shall serve for two (2) years, after which the term of each such at-large member shall be four (4) years following appointment/reappointment, with all terms or parts thereof starting as of January 1 of the year of appointment or reappointment.
 3. In the event the regular term of a member in good standing expires prior to reappointment or replacement by County Council, said member shall continue to serve until his/her replacement is appointed and qualified. The date of reappointment or replacement, however, in no way alters the scheduled length of the term.
- (e) *Removal of Members.* Members of the county planning commission may be removed at any time by a majority vote of the county council, for cause (defined herein as dereliction of duty, as duties are defined herein, conviction of any felony or any crime of moral turpitude, or violation of the S.C. Ethics Act, all as determined by county council). If, or in the event any member of the commission shall fail to attend fifty percent (50%) or more of the regularly scheduled meetings of the commission within any period of twelve (12) calendar months, without excuse of the commission chairman, such member may be replaced without notice by action of the county council.
- (f) *Organization, Meetings, Procedural Rules, Records, and Purchases.* The county planning commission shall organize itself, electing one of its members as chairman and one as vice-chairman, whose terms must each be for one (1) year. It shall also be the duty of the planning commission to provide advice to the county council on any and all matters related to growth and development within the unincorporated areas of the county.
- (h) *Salaries and Funding.* Each member of the county planning commission shall be paid the sum of twenty-five (25) dollars per meeting of the commission attended, or as county council shall subsequently direct by ordinance or resolution. Additionally, members shall be compensated at the same rate, and in the same manner, as county employees for expenses incurred as a result of attending schools, seminars, meetings, and other normal activities associated with membership, provided said trips and activities are approved in advance by the Chairman of County Council."
2. All other parts and provisions of the Oconee County Code of Ordinances not amended hereby, either explicitly or by implication, remain in full force and effect. The Section, including as amended hereby, is ratified and affirmed, *ab initio*.
 3. Should any part or provision of this Ordinance be deemed unconstitutional or unenforceable by any court of competent jurisdiction, such determination shall not affect the rest and remainder of this Ordinance, all of which is hereby deemed separable.
 4. All ordinances, orders, resolutions, and actions of Oconee County Council inconsistent herewith are, to the extent of such inconsistency only, hereby repealed, revoked, and rescinded.
 5. This Ordinance shall take effect and be in full force and effect from and after third reading and enactment by Oconee County Council.

- Oconee County Council hereby authorizes the transfer of the Real Property to Charles F. Finley, Jr., pursuant to and because of the reverter clause contained in the deed from

Tamassee DAR School

"The Place of the Sunlight of God"

May 4, 2009

Beth Pulse
415 S Pine Street
Walhalla, SC 29691

Dear Beth,

Tamassee DAR School has been serving children and families in our community for 90 years. The actual birthday was February 24; however, we are having a community wide celebration on Saturday, May 30th.

We do indeed want to invite the community to Tamassee to celebrate this special occasion with us. Many lives have been touched through the mission of Tamassee and we would be remiss to let this special event pass without remembering those who have benefited from Tamassee along with all those who have served the children over the past 90 years. When we first began to plan for this celebration, we had no idea the economy would be in such decline. Just like many other businesses and charities during this economic downturn, Tamassee has found herself in a struggle to meet the budget. The reality is that we do not have funds for this celebration so we are depending on the kindness of friends to help us with the cost and to make the day affordable for our families.

We have one particular need that we have yet to acquire that I am hoping you can help us with. Our Thrift Store is a major contributor to the funding of Tamassee DAR School. To publicize it during the 90th Anniversary Celebration, we are having a Classic Car Cruise-in and hotdog sale onsite at the Thrift Store. We desperately need gravel behind the Thrift Store for the dirt driveway and parking. While this would meet the need for May 30th, it would also help us in the future for other events. In addition, the gravel would provide safe parking for our staff and delivery trucks that must park behind the store. The trucks are prone to getting stuck during rainy weather.

Robbie Lee of Lee's Hauling & Ground Covers Plus has agreed to haul and spread the gravel if County Council agrees to donate the rock. Mr. Lee has also helped to estimate the amount of rock needed to correct the problems we have behind the Thrift Store. The only cost to the county would be the expense of the gravel. According to the manager of the Rock Quarry, Rick Martin, the cost per ton of Crusher Run is \$6.85 per ton. With this in mind, below is my request:

100 ton of Crusher Run gravel at a cost of \$6.85 for a total of \$685.00

On behalf of the staff and students of Tamassee DAR School, I want to thank you for considering this request. We would be most appreciative if you could help us complete this project prior to Saturday, May 30th.

Best Regards,

Vickie Lee

**AGENDA ITEM SUMMARY
OCONEE COUNTY, SC**

COUNCIL MEETING DATE: May 19, 2009
COUNCIL MEETING TIME: 7:00 PM

ITEM TITLE OR DESCRIPTION:

Award of contract for the posting of delinquent notices for County Tax Collector to Palmetto Posting, Inc. of Spartanburg, SC, as a sole source. The estimated cost of this contract will not exceed \$35,000.

BACKGROUND OR HISTORY:

The County desires to employ an independent contractor to take exclusive physical possession of properties on which ad valorem property taxes are due, by posting a notice on the premises in accordance with SC Code of Laws, Section 12-51-40. Last year the County utilized Palmetto Posting, Inc. for the first time at a cost of \$36 for each parcel posted. This year, per the attached agreement, they have reduced the price to \$20 per parcel posted. The posting of parcels prior to last year had been done in-house by delinquent tax staff. The time to perform this task averaged 12 to 15 weeks depending on the number of parcels. This work time could be better utilized performing tasks that will generate additional county revenue.

SPECIAL CONSIDERATIONS OR CONCERNs:

Palmetto Posting utilizes proprietary software and a patented process to post delinquent tax notices and is the only known company in existence offering this service. This will reduce the posting time frame to three weeks, therefore, alerting taxpayers and allowing them additional time to pay required taxes.

COMPLETE THIS PORTION FOR ALL PROCUREMENT REQUESTS:

Does this request follow Procurement Ordinance #2001-15 guidelines? Yes as a Sole Source

STAFF RECOMMENDATION:

Staff recommends that Council award this contract, not to exceed \$35,000 to Palmetto Posting, Inc., of Spartanburg, SC as a sole source.

FINANCIAL IMPACT:

There is no cost to the County general budget; the cost is paid for through the funds collected from delinquent tax payers.

DELINQUENT TAX

TO: Robyn Courtright, Procurement Director
FROM: Linda Shugart, Delinquent Tax Collector
DATE: May 5, 2009
SUBJECT: Sole Source Justification for Palmetto Posting System
SC Code of Laws 12-51-40

Attached is a letter from Palmetto Posting, Inc. stating that they are the only source that offers a service that utilizes proprietary software and a patented process to post the physical parcel as required by South Carolina Code of Laws, section 12-51-40.

- Palmetto Posting, Inc. is the sole source for this service.
- Palmetto Posting, now holds contracts in twelve counties, of which two required formal bids and Palmetto Posting was the only company to submit a proposal.
- Their unique patented process fully integrates with Smith Data, (tax center software) and GIS software.

For these reasons outlined above, I recommend declaring Palmetto Posting as sole source for the posting of delinquent tax parcels as required by SC code of laws 12-51-40.

(D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts (see the FAR at Subpart 32.11) for the same parent concern.

Registered in the CCR database means that:

- (1) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database; and

(m) The Contractor is responsible for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration, or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(g)(1)(ii) If a Contractor has legally changed its business name, "doing business as" name, or dream name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the CCR database; (B) comply with the requirements of Subpart 42.12 of the FAR; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (g)(1)(i) of this clause, or fails to perform the agreement at paragraph (g)(1)(ii)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(2) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims (see FAR Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the CCR database. Information provided to the Contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(b) Officers and Contractors may obtain information on registration and annual confirmation requirements via the internet at <http://www.acquisition.gov> or by calling 1-888-227-2473, or 202-961-5359.

Dear Members,

The Board of Directors of the Rosa Clark Medical Clinic realizes that in this economic time an increase in funding to the Clinic is not possible. We do appreciate your funding us \$80,000.00, which is the same amount that we have received for the past 4 years.

This will allow us to continue to provide much needed help to those in our county who have fallen on hard times and desperately need this life-sustaining service.

Members of our Board and Administration will be available at the Dept. 401 meeting to answer any questions that you might have.

Sincerely,

Jerry Crabtree, Treasurer
