Mr. Dexter recognized Mr. Hal Johnson, CEO and President of Upstate Alliance, who addressed Council regarding a program called "Upstate Reality Check" which pulls together representatives from the 10 upstate counties in the Alliance for a one day workshop meeting to discuss growth issues that will affect us all in the coming years. Mr. Johnson gave a brief history regarding the inception of the program, noting that Urban Land Institute [ULI] is the group that will be hosting/facilitating the workshop meeting. He stated that it is estimated that the population of the upstate will grow by 265,000 people by 2030. Mr. Johnson ran a short video [copy available for viewing in the Clerk to Council office] showing how this program worked in the Charleston area.

In addition, several handouts were distributed [filed with these minutes and distributed to Council members not in attendance] outlining the program and the county's participation.

Mr. Johnson asked that Oconee County agree to participate with her sister counties by selecting 40 representatives to participate in a one day meeting to be held on Wednesday, April 8, 2009 at the Carolina First Center beginning at 10:00 a.m. The meeting will include a work session and speakers talking about growth.
