## **Consideration of the following Ordinances:**

### **Ordinance 2009-15:**

Chairman Dexter noted that this request was being withdrawn from consideration at the request of the petitioner and asked for a motion by Council to permanently remove this ordinance from consideration.

Mr. Suarez made a motion, seconded by Mr. Thrift, approved 5 – 0 to permanently remove Ordinance 2009-15 “AN ORDINANCE TO AMEND THE OCONEE COUNTY ZONING ENABLING ORDINANCE, ORDINANCE 2007-18, IN CERTAIN LIMITED REGARDS AND PARTICULARS, ONLY, AS TO REZONE A SERIES OF PARCELS SPECIFIED HEREIN, AND TO RATIFY AND AFFIRM ALL OTHER PROVISIONS OF ORDINANCE 2007-18 NOT AMENDED OR MODIFIED HEREBY; AND OTHER MATTERS RELATING THERETO”.

Mr. Dexter also made a motion, seconded by Mr. Thrift, approved 5 – 0 to direct the Planning Department Staff for each new zoning request received to send a letter to each parcel owner within the re-zoning request area; notifying them of the specific request by the petitioner [specifically outlining different zoning classifications within the request area if not all the same]. This letter is to be done PRIOR to first reading [in title only] before Council. In addition, the letter should have a statement requesting feedback if they are not in agreement with the request and also should note that no response to the letter will denote agreement with the proposed zoning request.

Mr. Dexter noted that ample public input will be available outlining the process below:

- |    |                             |   |
|----|-----------------------------|---|
|    | Before First Reading        | Letter sent for citizen input                   |
| 1. | First Reading in Title Only | Council send to Planning Commission             |
| 2. | Planning Commission         | They review, amend if needed, return to Council |
| 3. | Second Reading              |   |
| 4. | Public Hearing              |   |
| 5. | Third & Final Reading       |   |

Mr. Martin noted that method #2 is a “request” for zoning only and that it is the responsibility of the Council and the Planning Commission to verify the appropriateness of the request utilizing the Future Land Use Map as guidance. Mr. Martin stated that re-zoning can not be done by either referendum or petition – it can only be done by County Council on the recommendation of planning staff and the Planning Commission.
