RE: FARMER AND RANCHER LISTENING SESSION

10/10/2018

Council members,

The Agricultural Advisory Board is hosting a Farmer & Rancher Listening session on November 15th at 6:30 in Council Chambers. The Board is asking for all farmers and ranchers to come and voice their thoughts on the opportunities and challenges regarding agriculture in Oconee County. This will also give the Board an opportunity to lay ground work for the Agricultural Element for the 2020 Comprehensive Plan. The Board would like to invite Council members to come and interact with the farmers and ranchers of the County and hear their concerns, if you are available. We will be streaming the meeting on the County's YouTube channel, as well. The Board thanks you for your continued commitment to agriculture.
