

**Oconee County Airport  
Director's Report**

May 13

**Airfield** - Pace pavement Technologies Inc will perform runway and taxiway Crack sealing next month at a cost of \$3,742. Crack sealing the pavements will require brief periods when there will be a small group of men with machines on the runway. NOTAMS will be issued during these times. Also, the growing season has started and airfield mowing is in progress.

**Safety /Security Issues** – No significant issues to report for the month of March /Apr 2013. The Airport emergency plan is still out for edit/comment.
