Capital Projects - New Stub Taxiway (Bravo). Pre-construction meeting on June 17^h at 11:00am with Rifenburg Construction. WK Dickson has begun talking to property owners for Phase II land acquisitions. Funding for each of these projects has been approved by the FAA.

Terminal / Facilities Issues – Shopping for a new refrigerator. We will designate the old fridge for catering. We are also looking at adding some plants and a popcorn machine in the Lobby.

Operations – New Lav cart is being ordered.

Personnel Issues – I just completed Quality Control training with Shell Aviation, therefore I will be able to assist more with fueling operations.

Other – The Governor signed H3568. This means that aircraft parts used in the repair of your aircraft are now exempt from sales tax. This was promoted by our State Aeronautics Commission to make South Carolina more aviation friendly!

Next Meeting September 10th, 5:30 pm
