

Oconee County Regional Airport Directors Report: April 10, 2018

AIRFIELD:

- Cleaning of the storm water pond behind the Clemson club building and the future apron area has been completed.
- There has been a situation with lots of mud between hangar E and the sheriff's hangar. We had the county bring in mulch to resolve the issue. We have decided to use this free mulch in other areas of the airport also.
- I met with the State last week; I am in the process of getting a quote for an annual Vegetation spraying program. (Explain)

Operations:

- The State denied the request to help fund our tower operations at this time. (explain)
- I have worked out with Eastern Fuels to provide us with a three thousand Gallon Jet - A truck from September 1st

until December 1st 2018 for CU game day weekends.
