

Oconee County Regional Airport Directors Report: June 14, 2018

AIRFIELD:

- Cleaning of the storm water pond behind the Clemson club building and the future apron area has been completed.
- We have had a problem with mud between hangar E and the sheriff's hangar. The county brought in mulch to resolve the issue. This free mulch will be used in many other areas of the airport.
- I met with the State and I have started the process of getting a quote for our annual Vegetation spraying program.

Operations:

- The State denied the request to help fund our tower operations at this time. (explain)
- After some discussion, Eastern Fuels will provide us with a three thousand gallon Jet-A truck from September 1st until December 1st 2018 for our game day weekends. (explain)

SAFETY/SECURITY:

- We are having many problems with the main exit gate. We will look at repairs in the new budget year.

FBO FINANCIALS:

- See attached

CAPITAL PROJECTS:

- The Independent Fee Estimate for work being accomplished on our CIP for FY 2018; the FAA has requested, is complete and has been submitted to the Atlanta office. (explain)
- Update from WK Dickson:
 - o They are working on the final grant application for the design work FY2018. This is the yes or no request for funding from the State and the FAA. They feel confident we will get the funding.
- Review of an email from FAA.

TERMINAL/FACILITIES:

- Hangar E office rental has been completed. It was approved by council and the lease has been signed.

PERSONNEL:

- Jim Moats has formally turned in his retirement notice; his last day will be 9/8/2018. We will soon start the process of a new hire.

OTHER:

- The Humane Society Event was a great day. The event raised approximately Eight Thousand Dollars.
- The FAA has asked to do a FAASTeam Seminar at our Airport on July 20, 2018 at 1400. The topic will be-Fly the Aircraft First-and Illegal Charter Operations. This will last approximately 1.5 hours.
- Mr. Moulder, 8 year County Administrator, has resigned his position and will truly be missed. He was an airport advocate and an all-around great person to work with – as he understood the needs and functions of the airport as well as all county divisions. Mr. Moulder supported the commission and the Airport and helped us make several improvements.
