

# Oconee County Regional Airport Directors Report: August 9, 2018

## **AIRFIELD:**

- Slope Mowing is scheduled for the end of September.
- Discuss our runway/taxiway and the chain of events that have taken place; our plan going forward. This is an update on the email from the FAA on our runway condition.  
(Explain)

## **Operations:**

- The new tug will be here at the end of the month.
- The First CU football game is September 1<sup>st</sup>. We are ramping up and getting ready.
  - \*No tower for the first CU game because it is Furman.
  - \*The shuttle service will be in operation for each home football game.
  - \*Extra manpower will be available to help on game day Saturdays.
  - \*The spare fuel truck will be here by the end of the month.

\*See Attachment of home games/tower operations.

## **SAFETY/SECURITY:**

- I have scheduled the fence company that completed the ramp gate project to look at our entrance gate for repairs.

## **FBO FINANCIALS:**

- See attached

## **CAPITAL PROJECTS:**

- Good news to be reported, primary portion of the agenda.

## **TERMINAL/FACILITIES:**

- Terminal Work completed:
  - \*Hallway has been painted.
  - \*Conference Room updated. Thanks to Eastern Fuels and Eddie Babb for the TV.
  - \*Painted and mounted a TV in the kitchen.

## **PERSONNEL:**

- We have posted Jim Moats job through Staffmark.  
(Explain)

## **OTHER:**

- The FAA Safety Team will have a 1 Hour event here in our Terminal on August 24<sup>th</sup> at 1400, about a safety TOPIC OF THE MONTH. Only 30 seats are available so look for the invitation through the FAASTeam email notification for sign-up instructions.
