

# Oconee County Regional Airport Directors Report: October 11, 2018

## **AIRFIELD:**

- Slope mowing is scheduled to be accomplished by the end of October.

## **Operations:**

- We received our new tug and it is working great for our team.
- Our spare Jet-A truck is in operation. What a plus this is for our staff on game days.
- The temporary tower has been in operation for two home games. It has been a great add for airport safety. We have had great feedback from pilots thanking us for the tower addition.

- The event fee change we decided on has been very well received and we saw an increase in fuel sales because of this new option.
- The shuttle service is working well. The majority of our guests are using this service.

### **SAFETY/SECURITY:**

- As discussed in the last meeting, we had a fence company look at our main gate. The gate has been enhanced ~~This~~ and fixed - with new loops installed.
- We had our annual fire inspection. A few issues were mentioned. We are in the process of addressing these items.

### **FBO FINANCIALS:**

- See attached

### **CAPITAL PROJECTS:**

- The design process is moving along. WK Dickson has started the process of our ramp expansion. Surveying is complete and the soil borings took place last week. This data will be collected and then the design will actually get underway.

## **TERMINAL/FACILITIES: N/A**

## **PERSONNEL:**

- We have hired a replacement for Jim Moats. Tyler Smith is the new hire. We are pleased to have him as a part of our team.
- We also have hired a new grounds keeper through the temporary agency. We welcome Tony Mize to our team.

## **OTHER:**

- The FAA Safety Team meeting that took place here was a very informative session. The FAA would like to conduct another one on December 7<sup>th</sup>.
- Thanks to Randy Renz and Jackye Cocoros for planning and having the Southeastern Bonaza Society event here at our airport. Total gallons sold to aircraft attending the event were 351.8 gallons. (Randy to update us on attendance and details).
