

# Oconee County Regional Airport Directors Report: August 22, 2019

## **AIRFIELD:**

- Runway end 25 slope mowing has been completed.
- Recently purchased a new Kubota mower for grass cutting.
- Fence line has been partially sprayed with a State supported chemical. Next we are acquiring a quote for the full fence line to be sprayed - to include all retention ponds and drainage area vegetation. It will be a 75/25 cost split with the State.
- We are seeing an increase in the volume of traffic (review evidence in financial section of this meeting).

## **OPERATIONS:**

- Discuss the Jet-A truck lease.
- New callout pricing is in effect and going well.
- Temporary Control Tower Team is set and ready for the 2019 Clemson football schedule.
- The airport has its own shuttle bus this year - and once again we will also use Senior Solutions support for shuttle operations.

## **SAFETY/SECURITY:**

- Camera signs have been posted on the building and at each entrance. (Update on extra security cameras).

## **FBO FINANCIALS:**

- See attached

## **CAPITAL PROJECTS:**

- Discuss land purchase.
- Update on Capital Project, Primary portion of the agenda.

## **TERMINAL/FACILITIES:**

- In the process of buying new lobby furniture.
- Talking to the administrator about paving grass area behind the terminal for parking. (Discuss)

## **PERSONNEL:**

- Welcome Clay Sanders - as he is now the fulltime County airport Groundskeeper.
- We hired Antony Wayland full time for the airport line attendant job.

## **OTHER:**

- The staff is prepping for football season – as it is upon us. (Discuss West ramp parking pertaining to based customers).
- Humane Society event update.
