

# Oconee County Regional Airport

## Directors Report: February 1 , 2020

### **AIRFIELD:**

- We have been very fortunate with all the wind and storms that no damage to any aircraft has been reported.

### **OPERATIONS:**

- Our 000 Gallon lease truck will be here March 1, 2020.
- The Temporary Control Tower for the 2020 Clemson football season has been requested in the budget.

### **SAFETY/SECURITY:**

- N/A at this time

### **FBO FINANCIALS:**

- See attached

## **CAPITAL PROJECTS:**

- Pre-construction meeting was completed in our conference room January 10, 2020. (Randy Renz to give update on meeting).
- As of Tuesday 2-11-2020, we received our final grant offer from the FAA for the pavement/lighting, this will complete the Road Relocation and West Apron Expansion project.
- Next up for 2020, we are submitting the Runway Pavement Rehabilitation & Airfield Lighting Rehabilitation (design) bid to the FAA. This is the next item on our Capital Improvement Plan and I will keep pushing it to stay on schedule.

## **TERMINAL/FACILITIES:**

- Our team has painted the restrooms and replaced the hand towel dispensers, they are now hands free.
- We have also painted the crew room.

## **PERSONNEL:**

- A new operations supervisor has joined the team. Judson Minyard started with us February 10, 2020, if you have a chance please welcome him.
