

Out of an abundance of caution, to ensure all public notice requirements are met, the Oconee County Agricultural Advisory Board has been invited to attend the 2022 Oconee Food Sovereignty Convening Wednesday June 8, from 8am-6pm at the Tamassee DAR School. Members of the Oconee Agricultural Advisory Board members who choose to attend will be there for the purpose of participating in the meeting, and will not be participating in the business of the Oconee County Agricultural Advisory Board.
