The replacement land shall have the same or greater significance when evaluated under the criteria set forth in section 2-403. The board shall verify that suitable replacement interests in lands have been identified and will be obtained before authorizing that any interest in land purchased with OCCB funds be extinguished, sold, transferred, assigned, or conveyed. Where replacement in whole or in part is impossible, funds realized which are not used for replacement interests in land must be credited to the OCCB fund. Where funding for an original acquisition was from multiple sources, funds realized must be credited to the OCCB fund under this section in proportion equal to the contribution that OCCB funds made to the original acquisition.

(h) The eligible OCCB recipient or property owner shall notify the board in the event that a claim against the title to the property has been made.

(i) In the event that the title to the protected property interest is invalidated or otherwise found to be deficient, the board shall be reimbursed by the eligible OCCB recipient and/or owner in an amount up to the amount of the award approved by county council and disbursed to the eligible OCCB recipient.

Westminster Magistrate Court Timeline

In 2019, Oconee County purchased real property, located at 1601 E Main Street, Westminster, South Carolina, for the future site of the new Westminster Magistrate Court. Oconee County hosted a Demolition and Donuts Day where Council members and members of the community could review the future site and exterior drawings of what the facility could look like were shared with the public.

The existing 5,142 sq. ft. structure was formerly utilized as a church which closed and remained abandoned for a number of years. Staff initiated Procurement procedures and issued RFP 19-03 in January 2020. Based on various proposals, staff determined the best course of action would be to demolish the current structure and build a new facility at the location.

<td>Staff received the new floor plan (3,581 sq. ft.) proposal for review. Chief Magistrate, William Derrick, reviewed the plan and determined the proposed floor plan would meet the needs of the Westminster Magistrate Office / Court (Attachment 8).</td>

</tbody>
</table>
**July 27, 2020**  | **Staff Determination**
---|---
Staff received the final proposal (Attachment 9) with the new floor plan, factoring in minimal work by Oconee County. The proposed expenditures are as follows:
- $745,637.00
- $8573.00 Automated Fire and Security Alarm System
- $13,324.00 Cementitious Siding and Stone wainscot (exterior)
- $767,534.00
- **$ 76,753.40** 10% Contingency for unforeseen items / issues
- $844,287.40

Staff determined Oconee County would obtain a better product for a better price by tearing the building down and doing new construction. It is the staff’s recommendation that the new floor plan proposal be presented to Council for approval.

With County Council approval to move forward, staff anticipates the construction would be completed in or around the month of April 2021. The tentative timeline for the project is as follows:
- **Engineering and Drawings for Permitting** 3 Weeks
- **Permit Submittal and Approval** 30-45 Days
- **Construction** 5 Months
