Subject: Request for County Acceptance of "Lakewood Dr., West Union" Road

- We would like to request instructions to allow our neighborhood to apply for County acceptance of "Lakewood Dr., West Union" utilizing the special tax district provision described in item #6 (see below) of under Section 26-6 Acceptance of Roads Into County Road System".

(6) The county may accept a road as a county road through the creation of a special tax district, a legislatively created administration division of the county whereby resident freeholders fund, through the collection of uniform fees included on the annual property tax bill, upgrades to existing private roads in order for such roads to meet the standards of and for the purpose of acceptance into the county road system.

Thanks for your help.
