Mr. Mize made a motion, seconded by Mr. Hart, approved 2 – 0, to approve the July 19, 2022 minutes as presented.

Mr. Kyle Reid, Assistant Director of Public Works, provided information related to road construction, noting the County would need an “As Built Survey” of the non-county-maintained portion of McAlister Road to be able to assess what improvements or corrections would be needed in order to accept the road into County maintenance.

Lengthy discussion followed between the Committee, Mr. Reid and Mr. Lemmons related to McAlister Road.

Mr. Hart recommended to Mr. Lemmons that the subdivisions making this request obtain an “As Built Survey” and return to the Transportation Committee for consideration to send to full Council for approval.
