MISSION: The Capital Projects Advisory Committee will review, score and recommend projects for inclusion in a Capital Project Plan for Oconee County submitted by County Department Heads. The Capital Project Plan will be forwarded to the Planning Commission for review and administration and sent for final approval to full Oconee County Council.

Summarized Powers, Duties and Responsibilities of Committee.

The Committee shall:

- (1) Review, evaluate and score all proposed capital projects based on criteria to be established.
- (2) Upon completion of the review of each proposed project, the committee will inform the Planning Commission of its findings to include a recommendation regarding the manner and time frame in which the project should be completed. The County Administrator may adapt policies relating to the coordination the Committee and the Planning Commission.
- (3) Report on the status of all capital projects in the county, whether completed, in process or proposed at a minimum of twice a year to County Council.
- (4) Provide copies of all information or materials regarding any project to County Council or Committee member upon request.
- (5) Hold at least two public hearings per year to allow citizens an opportunity to be heard regarding capital projects.
- (6) Meet from time to time with the officials of the various municipalities, the county school district and the various utility providers or other entities to receive their input regarding capital projects.
- (7) Adopt any rules or bylaws relating to the operation of the committee with the understanding that County Council may by resolution, void or amend any such rules or bylaws adopted by the committee.

Please be advised that nothing contained in these guidelines shall preclude County Council from considering or taking action on any capital project at any time, regardless of whether such capital project has been first considered by the Committee or Planning Commission.

Proposed Committee Member Description to include but not limited to:

- Primary residence in the county *(for a minimum of the last three years)*
- Recognized involvement in Oconee County community affairs
- Prefer professional background or experience in constructing public or private sector capital projects; in capital project planning or community master planning; and, in capital project funding or public and/or private finance
- May not be employees of the county, or any municipality or other political subdivision, or any department or agency, of the State of South Carolina
