ADDENDUM NO. 2

BID NO. 19-04

**New Electrical Service for Mobile Mine Duty Crushing Plant
for Oconee County Rock Quarry**

Bid Date: ~~Monday, July 15, 2019 @ 2:00PM~~

**~~Bid date has been extended to Tuesday, August 13, 2019 @ 2:00 P.M.~~
Bid date has been extended. The Bid date is TBD. We will provide the bid
date along with engineered documents at a later date.**

Please make the following changes:

During the pre-bid held on Monday, July 8, 2019 at 10:30am it was decided it would be in the best interest of the County and the potential bidders if we, the County, obtained engineered drawings / plans for the electrical service at the Rock Quarry. We have met with and obtained an Engineer to provide the drawings / plans. We have not received those documents at this time. When they are received the County will issue Addendum No. 3. All dates, deadline for questions and bid due date will be confirmed in Addendum No. 3 which will include the engineered drawings.

This Addendum #1 includes answers to the following question(s) and/or clarification(s) from Oconee County. **A signed copy of this Addendum #1 must also be returned with your bid.**

Question: Does the County have a preference for the company providing the MSHA certifications?

Answer: No, the County does NOT have a preference. The certificate will be for New Miner Training (all 3 classes). Companies that offer the training can be found by doing a google search "New Miner Training near me". If contacting the company(s) state that you need training to work on a mine site / Rock Quarry.

END ADDENDUM NO. 2

Dated: August 8, 2019

Please acknowledge receipt of Addendum by signing and attaching to your bid.
