### **BOND REQUIREMENTS**

A. <u>BID BOND</u>: Each offeror shall submit with his Bid a Bid Bond with a good and sufficient surety or sureties company licensed in South Carolina, in the amount of five percent (5%) of the total Bid amount. The Bid bond penalty may be expressed in terms of a percentage of the Bid price or may be expressed in dollars and cents.

#### **OTHER ACCEPTABLE METHODS:**

1. CERTIFIED CHECKS: If a certified check is submitted in lieu of a Bid bond, it will be made payable to the Oconee County Treasurer's Office, in the amount of 5% of the total Bid amount.

A check will be returned to the unsuccessful offerors after award and will be returned to the successful offeror after acceptance of the final contract and surety by the offeror.

- 2. IRREVOCABLE LETTER OF CREDIT: Oconee County will accept an Irrevocable Letter of Credit in lieu of a Bid Bond. Letter shall be issued by a Financial Institution insured by the FDIC or FSLIC in the amount of 5% of the total Bid amount.
- B. <u>PERFORMANCE AND PAYMENT SURETY:</u> The successful contractor shall pay the cost and furnish within ten days after written notice of acceptance of Bid, an irrevocable Surety in the form of a Performance and Payment Bond, Certificate of Deposit, Cashier's Check or irrevocable letter of credit. Performance Bond shall include a one-year warranty of workmanship and materials and shall commence upon completion and acceptance of the total contract by Oconee County. The Surety shall be issued in the amount of 100% of the total contract covering the entire term of the contract as awarded.

**Option 1: Performance Bond:** Bond must be issued by a Surety Company licensed to do business in South Carolina, with an "A" minimum rating of performance as stated in the most current publication of "Best's Key Rating Guide, Property Liability" which shall show a financial strength rating satisfactory to Oconee County. Each bond shall be accompanied by a Power of Attorney, authorizing the attorney-in-fact to bind the surety and certified to include the date of the bond.

**Option 2: A Certified Check:** Equal to 100% of the contract amount to be retained by Oconee County until satisfactory completion of the contract.

**Option 3: Irrevocable Letter Of Credit:** Shall be issued by a Financial Institution insured by the FDIC or FSLIC in the amount of 100% of contract amount.

# FAILURE TO SUBMIT CORRECT BID GUARANTEE MAY RESULT IN REJECTION OF YOUR BID. OWNER - COUNTY OF OCONEE

### INSTRUCTIONS AND CONDITIONS

#### 1. GENERAL:

- a. Only one copy of your bid is required, unless otherwise stated.
- b. Bids, amendments thereto or withdrawal request must be received by the time advertised for bid openings to be accepted. It is the vendor's sole responsibility to insure that these documents are received by the Procurement Office at the time indicated in the bid document.
- c. When specifications or descriptive papers are submitted with the bid invitation, be sure all documents are clearly labeled with the Bidder's name.
- d. Submit your **signed** bid on the forms provided in this bid package. Failure to do so may be cause for rejection. Show bid number on envelope as instructed. Oconee County assumes no responsibility for unmarked or improperly marked envelopes.
- e. All Competitive Sealed Bids must be enclosed in a **SEALED** envelope before submitting to Procurement Office.
- f. Bidders must clearly mark as "Confidential" each part of their bid which they consider to be proprietary information that could be exempt from disclosure under the South Carolina Freedom of Information Act (SCFOIA) as set forth in Chapter 4, Title 30, of the South Carolina Code of Laws, 1976, as amended. The County reserves the right to determine whether this information should be exempt from disclosure and no legal action may be brought against the County or its agents for its determination in this regard.
- g. By submission of a bid, the bidder is guaranteeing that all goods and services meet the requirements of the solicitation during the contract period. Unless otherwise stated it is understood and agreed that all items shall be new and in first class condition.
- h. All prices and notations shall be printed in ink or typewritten. Errors should be crossed out, corrections entered and initialed by the person signing the bid. No bid shall be altered or amended after specified time for opening.
- 2. COST OF BIDS: Under no circumstances will the County be liable for any costs associated with any response to solicitations. The bidder shall bear all costs associated with the preparation of all bid materials submitted.
- 3. BIDDERS RESPONSIBILITY: Each bidder shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this bid. It is expected that this will sometimes require on-site observation. The failure or omission of a bidder to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this bid or to the contract.
- 4. DELIVERY: Oconee County requires that delivery be made to specified destination within the shortest time frame possible. Delivery shall arrive between the hours of 8:30 a.m. and 4:00 p.m., Monday through Friday, provided that such day is not a legal holiday. The purchase order number must be indicated on all delivery tickets. Other specific delivery instructions may be noted in the bid specifications.
- 5. SHIPPING: All deliveries shall be shipped F.O.B. point of Destination-freight prepaid, the seller pays and bears all freight charges; collect shipments will not be accepted. It is agreed by the parties hereto that delivery by the contractor to the common carrier does not constitute delivery to the County. Any claim for loss or damage shall be between the contractor and the carrier.
- 6. PAYMENT TERMS: Following are the payment terms, unless otherwise stated in the Minimum Specifications:
  - A. Construction Contracts Payment application for construction contracts are to be submitted on an

AIA Application for Payment form. Application for payment shall reflect work completed through the last calendar day of the month. Retainage for construction contracts will be as follows: 10% of completed, 10% of materials stored on site. Partial payments will be made as follows: Provided an application for payment is received by the Architect, or project manager, no later than the 5th day of the month, the County shall make payment to the Contractor not later than the 25th day of the same month. If an application for payment is received by the Architect after the 5th day of the month, payment shall be made by the County no later than 20 days after the architect, or project manager, receives the application for payment. If an application for payment is returned to the Contractor by the Architect due to errors or omissions, payment shall be made by the County no later than 20 days after the architect, or project manager, receives the corrected application for payment.

- B. Equipment, Goods, and Services Payment shall be made within 30 days after receipt of equipment, goods and services that are complete and meet all specifications of bid solicitation. The County will not make "pre-payments" for any goods or services and partial payments shall be at the discretion of the Procurement Director.
- C. Electronic Payments Oconee County may choose to utilize checks, Procurement Cards (credit card issued by Visa), E-payables or other types of electronic payment methods approved by the Oconee County Administrative Services department. The successful bidder agrees to accept electronic payment by Oconee County at no extra charge, should the County decide to use this method of payment.
- 7. COMPETITION: This solicitation is intended to promote competition. If any language, specifications, terms and conditions, or any combination thereof restricts or limits the requirements in this solicitation to a single source, it shall be the responsibility of the interested vendor to notify the Procurement Office in writing within seven (7) calendar days after receipt of bid. The solicitation may or may not be changed, but a review of such notification will be made prior to the award.
- 8. DEVIATIONS FROM SPECIFICATIONS: Any deviation from specifications indicated herein should be clearly pointed out; otherwise, it will be considered that items offered are in strict compliance with these specifications. Deviations should be explained in detail on separate attached sheet(s). The listing of deviations, if any, is required but will not be construed as waiving any requirements of the specifications. Deviations found in the evaluation of the bid and not listed may be cause for rejection. Bidders offering substitute or equal items should provide information sufficient enough to determine acceptability of item offered.
- 9. "OR APPROVED EQUAL": Certain processes, types of equipment or kinds of material are described in the specifications and/or on the drawings by means of trade/brand names and catalog numbers. In each instance where this occurs, it is understood and inferred that such description is followed by the words "or approved equal". Such method of description is intended merely as a means of establishing a standard of comparability. However, the County reserves the right to select the items which, in the judgment of the County, are best suited to the needs of the County based on price, quality, service, availability and other relative factors. Bidders should indicate brand name, model, model number, size, type, weight, color, etc., of the item bid, if not exactly the same as the item specified. Vendor's stock number or catalog number is not sufficient to meet this requirement. If any bidder desires to furnish an item different from the specifications, vendor shall submit along with the bid, the information, data, pictures, designs, cuts, etc., of the item they plan to furnish so as to enable the County to compare the item specified; and, such item shall be given due consideration. The County reserves the right to insist upon, and receive items as specified if the submitted items do not meet the County's standards for acceptance.
- 10. UNIT PRICES: When applicable, unit prices will govern over extended prices unless otherwise stated in this bid invitation. All bid prices shall remain effective for a minimum of 60 days, unless otherwise stated.

- 11. INTERPRETATIONS OR ADDENDA: No oral changes shall be made to any bidder regarding the Bid Documents or any part thereof. Every request for an interpretation shall be made in writing via email or fax to the Buyer as indicated in the bid document. All inquiries must be received by the last day for questions stated in the solicitation document. Any changes to the specifications shall be in the form of a written Addendum to the Bid Documents. The Addendum will be posted on the Procurement web site at www.oconeesc.com/procurement. The Addendum will also be emailed to all Bidders who have contacted the Procurement Office and asked to be placed on the Bidder's List. It shall be the bidder's responsibility to make inquiries as to the Addenda issued. All such Addenda shall become part of the Bid Documents and all bidders shall be bound by such Addenda, whether or not received by the bidders.
- 12. BID OPENING: The Procurement Director or his/her designee shall decide when the time set for bid opening has arrived, and shall so declare to those present. He/she shall then personally and publicly open all bids received prior to that time and read them aloud to those persons present and have the bids recorded. At the opening the following information is read aloud:
  - A. **Sealed Bids**: Bidders name, brand name, model number, unit price, and lot price or lump sum, as may be applicable.
  - B. Best Value Bids: Only the names of the bidders who responded to the bid will be provided.
  - C. Request for Proposals: Only the names of the bidders who responded to the bid will be provided.

Questions and other information regarding the contents of specific bids shall not be released until after the evaluation is complete and the award has been made. Only then shall the entire file be available for public review.

<u>Disclosure of Bid Information</u>: Only the information disclosed by the County Procurement Director or his/her designee at bid opening is considered to be public information under the South Carolina Freedom of Information Act, Chapter 4,Title 30 of the South Carolina Code of Laws, 1976, as amended, until after the award is made.

- 13. TIE BIDS: If two or more bidders are tied in price, while otherwise meeting all of the required terms and conditions of the bid, awards may be determined as follows:
  - A. If there is an in-county business (active business or warehousing facility located within Oconee County) tied with an out-of-county business, the award will go to the in-county business.
  - B. If there is an in-state business (active business or warehousing facility located within South Carolina) tied with an out-of-state business, the award will go to the in-state business.
  - C. Tie bids involving in-County and in-State firms may be resolved by the flip of a coin in the office of the Procurement Director witnessed by all interested parties.
- 14. BIDDERS QUALIFICATION: Bidders must, upon request of the County, furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. The County reserves the right to make the final determination as to the bidder's ability to provide the products or services requested herein.
- 15. CORRECTION OR WITHDRAWAL OF BID; CANCELLATION OF AWARD: Correction or withdrawal of inadvertently erroneous bids before or after bid opening, or cancellation of awards or contracts based on such mistakes, may be permitted subject to the following: appropriate mistakes discovered by the bidder before bid opening may be modified or withdrawn by submitting written notice to the Procurement Department prior to the time set for bid opening. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the County shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards, or contracts, after award but prior to performance shall be supported by a written determination made by the Procurement Director.

- 16. REJECTION OR ACCEPTANCE OF BIDS; WAIVER OF TECHNICALITIES AND IRREGULARITIES: The County shall reserve the unqualified right to reject any and all bids or accept such bids, as appears in the County's own best interest. The County shall reserve the unqualified right to waive technicalities or irregularities of any kind in solicitations made under this Article. In all cases, the County shall be the sole judge as to whether a bidder's bid has or has not satisfactorily met the requirements to solicitations made under this Article.
- 17. AWARD: A Notice of Award will be publicly posted in the County Administrative Building lobby, and will also be posted on the Oconee County web site at www.oconeesc.com/procurement. The contract shall be awarded to the lowest responsible and responsive bidder(s) whose bid meets the requirements and criteria set forth in the Invitation for Bid. Oconee County reserves the right to waive any technicalities and informalities, and accept or reject any bid as deemed in the best interest of the County. The County will be sole judge as to whether bids submitted meet all requirements contained in this solicitation. When so stated in the bid solicitation, the award can be made to one or a multiple vendors, whichever is in the best interest of the County, and quantities may vary, depending upon availability of funds, unless otherwise stated. Best value bids will be evaluated and awarded based on the criteria set forth in the bid document. Based on the total award amount the final decision for award may rest with the Oconee County Council.

#### 18. PROTEST PROCEDURE:

- A. **Right to Protest**. Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Procurement Director, except as otherwise stated in this Article. The protest shall be submitted in writing within seven (7) calendar days after such aggrieved prospective bidder, offeror, or contractor knows or should have known of the facts giving rise thereto.
- B. Authority to Resolve Protests. The Procurement Director shall have authority, prior to the commencement of an action in court concerning the controversy, to settle and resolve a protest by an aggrieved bidder, offeror, or a contractor, actual or prospective, concerning the solicitation or award of a contract.
- C. **Decision on Protests**. If the protest is not resolved by mutual agreement, the Procurement Director shall issue a decision in writing within ten (10) calendar days. The decision shall: (a) state the reasons for the action taken; and (b) inform the protestant of the protestant's rights to appeal the decision of the Procurement Director as provided in this Section.
- D. Notice of Decision on Protests. A copy of the decision under Subsection 2-443(d) of this Section shall be mailed or otherwise furnished to the protestant.
- E. **Finality of Decision on Protests**. A decision under Subsection 2-443(c) of this Section shall be final and conclusive, unless a business adversely affected by the decision appeals administratively to the County Council in accordance with this Section.
- 19. CONTRACT ADMINISTRATION: Questions or problems arising after award of this contract shall be directed to the Procurement Director by calling 864-638-4141. Copies of all correspondence concerning this contract shall be sent to the Procurement Director, 415 S. Pine Street, Walhalla, SC 29691. All change orders must be authorized in writing by the Procurement Director. Oconee County shall not be bound to any change in the original purchase order or contract without prior written approval of the Procurement Director.
- 20. CONTRACT: This bid and submitted documents, when properly accepted by Oconee County along with a written purchase order, shall constitute a contract equally binding between the successful offeror and Oconee County. No different or additional terms will become a part of this contract, except through a Change Order, when applicable.
- 21. ASSIGNMENT: Once a contract has been executed, the Contractor shall not assign, sublet, or transfer the contract without the written consent of the Procurement Director.

- 22. CHANGE ORDERS: No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing by the Procurement Director.
- 23. ARBITRATION: Under no circumstances and with no exception will Oconee County act as arbitrator between the Contractor and any subcontractor.
- 24. DEFAULT: In case of default by the Contractor, the County reserves the right to purchase any or all items in default in the open market, charging the contractor with any excessive costs. Should such charge be assessed, no subsequent bids will be considered or purchase orders issued to the defaulting contractor until the assessed charge has been satisfied.
- 25. INDEMNIFICATION: The Contractor agrees to indemnify and hold harmless the County of Oconee and all County officers, agents and employees from claims, suits, actions, damages and costs of every name and description, arising out of or resulting from the use of any materials furnished by the Contractor, provided that such liability is not attributable to the gross negligence or willful misconduct of the County or if the liability arises solely from the failure of the County to use the materials in the manner outlined by the Contractor in descriptive literature or specifications submitted with the Contractor's bid.
- 26. PUBLICITY RELEASES: Contractor agrees not to refer to award of this contract in commercial advertising in such a manner as to state or imply that the products or services provided are endorsed or preferred by the County. The contractor shall not have the right to include the County's name in its published list of customers without prior approval of the County. With regard to news releases, only the name of the County, type and duration of contract may be used and then only with prior approval of the County. The contractor also agrees not to publish, or cite in any form, any comments or quotes from the County Staff, unless it is a direct quote from the County Administrator.
- 27. FORCE MAJEURE: The Contractor shall not be liable for any excess costs if the failure to perform the contract arises out of causes beyond the control and without fault or negligence of the contractor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required delivery schedule.
- 28. PROHIBITION OF GRATUITIES: The following applies to all procurements issued by Oconee County: Amended section 8-13-700 and 705 of the 1976 Code of Laws of South Carolina states: "Whoever gives or offers to any public official or public employee any compensation including a promise of future employment to influence his action, vote, opinion or judgment as a public official or public employee or such public official solicits or accepts such compensation to influence his action, vote, opinion or judgment shall be subject to the punishment as provided by Section 16-9- 210 and Section 16-9-220."
- 29. S.C. LAW CLAUSE: Upon award of a contract under this bid, the person, partnership, association or corporation to whom the award is made must comply with the laws of South Carolina which require such person or entity to be authorized and/or licensed to do business within the State. Notwithstanding the fact that applicable statutes may exempt or exclude the Contractor from requirements that it be authorized and/or licensed to do business in this State, by submission of this signed bid, the Contractor agrees to subject himself to the jurisdiction and process of the courts of the State of South Carolina as to all matters and disputes arising or to arise under the contract and the performance thereof, including any questions as to the liability for taxes, licenses, or fees levied by the State.

- 30. 6% SC SALES TAX: Oconee County is subject to South Carolina Sales Tax on all purchases of goods and services, except for the mining operation of the Oconee County Rock Quarry, and the recycling operation of the Oconee County Solid Waste Department. Therefore, 6% sales tax must be added to all orders, except for the mining operation of the Rock Quarry. Lump sum bids however, shall include sales tax in bid price unless otherwise noted. By submission of a signed bid, you are certifying, under penalties of perjury, that you comply with Title 12, Chapter 36, Article 1 of the SC Code of Laws 1976, as amended, relating to payment of any applicable taxes. This will certify to the County your compliance.
- 31. DRUG-FREE WORKPLACE: By submittal of this bid, you are certifying that you will comply with Title 44, code of Laws of South Carolina, 1976, Section 44-107-30.
- 32. ILLEGAL IMMIGRATION REFORM ACT 2008 Title 8, Chapter 14, Act. No. 280: By submittal of this bid, you are certifying that you are in compliance with Title 8, Chapter 14, or that this law is inapplicable to you and your subcontractors. An overview of this law is available at www.procurementlaw.sc.gov/immigration. This is required of all contractors and subcontractors as of January 1, 2010.
- 33. LOCAL PREFERENCE: The lowest local responsible and responsive bidder who is within two percent (2%) of the lowest non-local responsible and responsive bidder and thereby be awarded the contract. The local preference as set forth in this section shall only be applied to responses to solicitations of written bids and invitations to bid in excess of ten thousand dollars (\$10,000.00). The local preference as set forth in this section shall only be given to local responsible and responsive bidders who have a physical business address located and operating within Oconee County and who have met all other requirements of the solicitations of written quotes or the invitation to bid, including, without limitation, payment of all duly assessed state and local taxes. If state or federal guidelines prohibit or otherwise limit local preference, then the County shall not use local preference in awarding the contract. If there are multiple responsible and responsive bidders who meet the local preference guidelines as set forth in this section, the County shall use standard procurement practice and procedure as set forth in this Article to determine the priority of selection. The local preference as set forth in this section does not waive or otherwise abrogate the County's unqualified right to reject any and all bids or proposals or accept such bids or proposals, as appears in the County's own best interest.
- 34. INSURANCE: The successful contractor shall procure, maintain, and provide proof of insurance coverage for injuries to persons and/or property damage as may arise from, or in conjunction with, the work performed on behalf of the County by the contractor, his agents, representatives, employees or subcontractors. Proof of coverage as contained herein shall be submitted fifteen (15) days prior to the commencement of work and such coverage shall be maintained by the contractor for the duration of the contract period; for occurrence policies.

C. Workers' Compensation: Limits as required by the Workers' Compensation Act of SC, to include state's endorsement for businesses outside of SC. Employer's Liability, \$1,000,000.

#### **Coverage Provisions**

- 1. All deductibles or self-insured retention shall appear on the certificate(s).
- 2. Oconee County, its' officers/ officials, employees, agents and volunteers shall be added as "additional insured" as their interests may appear. This provision does not apply to Professional Liability or Workers' Compensation/Employers' Liability.
- 3. The contractor's insurance shall be primary over any applicable insurance or self-insurance maintained by the County.
- 4. Shall provide 30 days written notice to the County before any cancellation, suspension, or void of coverage in whole or part, where such provision is reasonable.
- 5. All coverage for subcontractors of the contractor shall be subject to all of the requirements stated herein.
- 6. All deductibles or self-insured retention shall appear on the certificate(s) and shall be subject to approval by the County. At the option of the County, either; the insurer shall reduce or eliminate such deductible or self-insured retention; or the contractor shall be required to procure a bond guaranteeing payment of losses and related claims expenses.
- 7. Failure to comply with any reporting provisions of the policy(s) shall not affect coverage provided the County, its officers/officials, agents, employees and volunteers.
- 8. The insurer shall agree to waive all rights of subrogation against the County, its' officers/officials, agents, employees or volunteers for any act, omission or condition of premises which the parties may be held liable by reason of negligence.
- 9. The contractor shall furnish the County certificates of insurance including endorsements affecting coverage. The certificates are to be signed by a person authorized by the insurance company(s) to bind coverage on its behalf, if executed by a broker, notarized copy of authorization to bind, or certify coverage must be attached.
- 10. All insurance shall be placed with insurers who are lawfully authorized to do business in the state of SC, and who maintain an A.M. Best rating of no less than an A:VII. If A.M. Best rating is less than A:VII, approval must be received from the County's Risk Manager.

### SPECIAL TERMS AND CONDITIONS FOR CONSTRUCTION PROJECTS

- 1. LICENSES, PERMITS, INSURANCE & TAXES: All costs for required licenses, insurance and taxes shall be borne by the contractor. It shall be the responsibility of the contractor to obtain all licenses and permits and to pay all fees associated with work performed within the jurisdictions of any city, where applicable. If work is performed in unincorporated areas of the County, a County building permit is required; however, the County will waive any fees.
- 2. BUILDING CODES: The contractor will be solely responsible for compliance with applicable Building Code requirements, all dimensions, and all conditions relating to his work under this contract.
- 3. WORKMANSHIP: Workmanship shall be first quality in every respect. All measures necessary to ensure a first class job shall be taken.
- 4. WATCHMEN: It is not required that a full-time watchman be employed on this job, however the contractor shall be responsible for the safekeeping of materials and protection of the public during the entire construction period.
- 5. INTERFERENCE: The construction work must be carried on in such a manner, consistent with the practical conditions involved in the erection of the new work, as to cause the least amount of interference and inconvenience to the occupants of nearby or adjoining buildings or property.
- 6. PROTECTION OF ADJACENT WORK: Protect work and adjacent work at all times with suitable covering or by other approved methods. All damage to work in place caused by the contractor shall be repaired and restored to the original good and acceptable condition using same quality and kinds of materials, as required, to match and finish with adjacent work.
- 7. SITE CLEANING: The contractor shall keep the construction site clean and free from an accumulation of debris or materials during the construction. At the completion of the work, the entire facility and premises shall be left clean. All accumulations of trash and other materials which are not to be used in the construction, must be removed from the premises on a daily basis.
- 8. TIME LIMIT: It is hereby understood and agreed by the parties hereto that time is of the essence in this contract and that great energy and diligence shall characterize all operations carried on under this agreement.
- 9. FINAL INSPECTION: At the completion of the contract work, a representative of the Owner shall accompany the contractor on an inspection of the work. All defects found in the work will be corrected by the contractor before final payment will be authorized.
- 10. GUARANTEE: Upon completion of the work and before final payment is made, the contractor shall furnish the Owner a guarantee stating that the contractor shall keep his entire portion of the work in repair, without expense to the Owner, as far as concerns defects of workmanship for a period of one (1) year from the date of final Certificate (unless specified for a longer time elsewhere) and he shall be responsible for, and make good any damage to his work caused by such defect; but this clause shall not be interpreted as holding him responsible for making good any deterioration on his part of the work due to its use or abuse by the Owner.
- 11. DATE OF COMMENCEMENT AND COMPLETION: It is the intent of the County to issue a statement of award (contingent on County Councils Approval) to the successful contractor on or about **July 16, 2019**. Contractor shall submit signed contract, performance and payment bonds, and certificate of insurance, where applicable, within ten (10) days. Upon receipt of signed documents, a Notice to Proceed will be issued. The contractor shall achieve completion of the entire work not later than <u>TBD</u> calendar days after the Notice to Proceeds date, subject to adjustments of the contract time as provided for in subsequent approved change orders. The County and the awarded contractor will set a schedule and the expected completion date. The County would like for the work to be completed no later than September 30, 2019.

12. CONTRACT PERIOD: Time extensions will not be granted for rain, wind, snow, or other natural phenomena of normal intensity for the locality where the work is located. For the purpose of establishing that abnormal adverse weather conditions have caused a delay, and determining the extent of delay attributed to such weather conditions, the Contractor shall furnish with his claim National Oceanic and Atmospheric Administration National Weather Service records of climatic conditions during the same time interval for the previous five year for the locality of the work; the Contractor's daily job site logs/daily construction reports showing weather, job activities, and the effect of weather on the progress of the work; and an impact schedule showing the effects of the weather event on the critical path of the Contractor's Construction Schedule. Time extensions for weather delays do not entitle the Contractor to recovery of "extended overhead" associated with that claim. Should the Contractor feel he is eligible for a contract extension due to abnormal weather conditions, the request, along with documentation, shall be submitted with the Contractor's monthly Application for Payment.

### MINIMUM SPECIFICATIONS

Oconee County is seeking competitive bids from qualified licensed contractors to install new electrical service, provide and set new switch for mobile mine duty crushing plant at the Oconee County Rock Quarry.

The Oconee County Quarry is a granite quarry owned and operated by Oconee County and has been in operation at the present location, 686 Rock Crusher Road, Walhalla, SC 29691, for approximately forty three (43) years. Mine property consists of approximately ninety (90) acres. The Quarry has blasted an average of 482,000 tons per year for the past five (5) years.

The current crushing plant utilizes multiple components to produce over ten different products. The main components are the Jaw, conveyor belts; two Cone Crushers and two Screen Decks. The Quarry produces about 300 tons of crushed stone per hour and sells approximately 530,000 tons annually. When running at full capacity the existing stationary plant is unable to produce the quantity of product needed for the current customer base and meet demand for products. After considerable research and discussion, The County and Quarry staff felt it was in the County's best interest to purchase a Mobile Mine Duty Crushing Plant to increase production.

#### BACKGROUND

The County entered an agreement / contract with Sandvik Mining & Construction USA, LLC of Smyrna, GA to purchase a Mobile Mine Duty Crushing Plant. The new Mobile Crushing plant consists of one (1) jaw crusher (UJ640), one (1) primary cone crusher (US550E), one (1) tertiary cone crusher (UH550E), two (2) screen decks (QA441), three (3) mobile stackers (Trackstack 8042TSL), and multiple conveyor belts.

The purchase of the new Mobile Plant has required the County to upgrade the electrical system to support the machines. Blue Ridge Electric, Coop is the power supplier and they have completed the supply lines to provide the required voltage to support the load of the new plant.

The plant is expected to be delivered and installed by Sandvik Mining & Construction, LLC in or around September 2019. The County would like for the New Electrical Service project to be completed by September 30, 2019.

#### **SCOPE OF WORK**

#### **QUALITY AND WORKMANSHIP**

The design of the Mobile Mine Duty Crushing Plant shall embody the latest approved engineering practices. The workmanship shall be of the highest quality in its respective field. All equipment furnished shall be guaranteed to be new and of current manufacture, to meet all requirements of these specifications. All workmanship shall be of high quality and accomplished in a professional manner so as to insure a functioning plant.

#### **REQUIRED DOCUMENTATION**

A. MSHA Certification

MSHA requires any person that is completing work, on site, at the Rock Quarry to be MSHA Certified. Therefore, the Awarded contractor must obtain MSHA Certification for each employee that will be onsite during this project. If they are currently MSHA Certified, include a copy of each certification. If NOT MSHA Certified, include documentation that MSHA certification will be obtained within 10 days after notice of award.

- B. South Carolina Licenses Proposer shall provide copies of Licenses for:
  - a. Master Electrician
  - b. Journeyman

C. Electrical Wiring Diagrams

Two (2) electrical wiring diagrams, both electronically and written, shall be provided in paper format at time of completion

D. A preliminary schedule to complete the required work based upon an estimated start date of July 29, 2019. Also address undersigned's overall workload during this period and availability to meet stated deadline.

#### **SPECIFICATIONS**

The intent of these specifications is to describe the minimum requirements for an electrical upgrade at the Oconee Quarry with the following general minimum specifications

- A. The proposer shall ensure that the installed electrical components will safely and sufficiently power the Mobile Mine Duty Crushing Plant equipment. A list of equipment with equipment id's and capacities is included with this document. See Attachment # 1 on page #25 & 26.
- B. A proposed drawing and electrical specifications which shows the expected construction of the electrical upgrade is Attachment # 2 on Page # 27.
- C. The County will supply an 8'x8'x20' sea container and the electrical components will be installed inside. The total available height inside the container is 93".
  - a. The contractor shall supply and install two additional 120 volt outlets and one 240 volt outlet inside the container at the switchgear. The container must also be wired at multiple points with lighting installed.
- D. Upon project completion the project the awarded contractor shall provide as-built drawings of the electrical installation.
- E. On-Call Service and Maintenance

The County wishes to have the awarded contractor serve as an on-call maintenance and emergency repair vendor. The awarded contractor shall provide continued maintenance service and emergency call repair. Due to the effect of downtime to rock production, it is essential to complete the repairs as quickly as possible; therefore, the awarded contractor shall provide same-day service/repair.

- a. Provide Cost for the following on provided bid form page # 17 & 18:
  - Regular Hourly Rate
  - Weekend Hourly Rate
  - Holiday Hourly Rate
  - After Hour Rate
