

## **Notice to Bidders**

Chau Ram Park is currently closed due to damage from Hurricane Helene, and no one is permitted to enter the park at this time. We hope to reopen by Saturday, October 5, 2024. A new Public Notice will be issued to inform contractors when the park is accessible again. If the closure extends beyond October 5, 2024, we will also extend the deadline for questions and the bid submission date.
