INSTRUCTIONS AND CONDITIONS

1. **GENERAL:** By submission of a quote, the vendor is guaranteeing that all goods and services meet the requirements of the Request for Quote (hereafter referred to as RFQ) during the contract period. Unless otherwise stated, it is understood and agreed that all items shall be new and in first class condition.
2. **VENDOR'S RESPONSIBILITY:** Each vendor shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this RFQ. It is expected that this will sometimes require on-site observation. The failure or omission of a vendor to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this RFQ or to the contract.
3. **PAYMENT TERMS:** Equipment, Goods, and Services – Payment shall be made within 30 days after receipt of equipment, goods and services that are complete and meet all specifications of the RFQ. The County will not make “pre-payments” for any goods or services and partial payments shall be at the discretion of the Procurement Director.
4. **COMPETITION:** This solicitation is intended to promote competition. If any language, specifications, terms and conditions, or any combination thereof restricts or limits the requirements in this solicitation to a single source, it shall be the responsibility of the interested vendor to notify the Procurement Office in writing within seven (7) calendar days after receipt of RFQ. The solicitation may or may not be changed, but a review of such notification will be made prior to the award.
5. **DEVIATIONS FROM SPECIFICATIONS:** Any deviation from specifications indicated herein should be clearly pointed out; otherwise, it will be considered that items offered are in strict compliance with these specifications. Deviations should be explained in detail on separate attached sheet(s). The listing of deviations, if any, is required but will not be construed as waiving any requirements of the specifications. Deviations found in the evaluation of the quote and not listed may be cause for rejection. Vendors offering substitute or equal items should provide information sufficient enough to determine acceptability of item offered.
6. **"OR APPROVED EQUAL":** Certain processes, types of equipment or kinds of material are described in the specifications and/or on the drawings by means of trade/brand names and catalog numbers. In each instance where this occurs, it is understood and inferred that such description is followed by the words "or approved equal". Such method of description is intended merely as a means of establishing a standard of comparability. However, the County reserves the right to select the items which, in the judgment of the County, are best suited to the needs of the County based on price, quality, service, availability and other relative factors. Vendors should indicate brand name, model, model number, size, type, weight, color, etc., of the item quoted, if not exactly the same as the item specified. Vendor's stock number or catalog number is not sufficient to meet this requirement. If any vendor desires to furnish an item different from the specifications, vendor shall submit along with the quote, the information, data, pictures, designs, cuts, etc., of the item they plan to furnish so as to enable the County to compare the item specified; and, such item shall be given due consideration. The County reserves the right to insist upon, and receive items as specified if the submitted items do not meet the County's standards for acceptance.
7. **UNIT PRICES:** When applicable, unit prices will govern over extended prices unless otherwise stated in this RFQ. All quotes shall remain effective for a minimum of 60 days, unless otherwise stated.
8. **INTERPRETATIONS OR ADDENDA:** No oral changes shall be made to any vendor regarding the RFQ or any part thereof. Every request for an interpretation shall be made in writing via email or fax to the Buyer as indicated in the RFQ. Any changes to the specifications shall be in the form of a written Addendum to the RFQ. The Addendum will be posted on the Procurement web site at www.oconeesc.com/procurement. The Addendum will also be emailed to all Vendors who have contacted the Procurement Office and asked to be placed on the Bidder's List. It shall be the vendor's responsibility to make inquiries as to the Addenda issued. All such Addenda shall become part of the RFQ and all vendors shall be bound by such Addenda, whether or not received by the vendors.

9. **REJECTION OR ACCEPTANCE OF QUOTES; WAIVER OF TECHNICALITIES AND IRREGULARITIES:**
The County shall reserve the unqualified right to reject any and all quotes or accept such quotes, as appears in the County's own best interest. The County shall reserve the unqualified right to waive technicalities or irregularities of any kind in solicitations made under this Article. In all cases, the County shall be the sole judge as to whether a vendor's quote has or has not satisfactorily met the requirements to solicitations made under this Article.
10. **AWARD:** The contract shall be awarded to the lowest responsible and responsive vendor(s) whose quote meets the requirements and criteria set forth in the RFQ. Oconee County reserves the right to waive any technicalities and informalities, and accept or reject any quote as deemed in the best interest of the County. The County will be sole judge as to whether bids submitted meet all requirements contained in this solicitation. When so stated in the RFQ, the award can be made to one or a multiple vendors, whichever is in the best interest of the County, and quantities may vary, depending upon availability of funds, unless otherwise stated.
11. **CONTRACT:** This RFQ and submitted documents, when properly accepted by Oconee County along with a written purchase order, shall constitute a contract equally binding between the successful offeror and Oconee County. No different or additional terms will become a part of this contract, except through a Change Order, when applicable.
12. **ASSIGNMENT:** Once a contract has been executed, the Contractor shall not assign, sublet, or transfer the contract without the written consent of the Procurement Director.
13. **CHANGE ORDERS:** No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing by the Procurement Director.
14. **INDEMNIFICATION:** The Contractor agrees to indemnify and hold harmless the County of Oconee and all County officers, agents and employees from claims, suits, actions, damages and costs of every name and description, arising out of or resulting from the use of any materials furnished by the Contractor, provided that such liability is not attributable to negligence on the part of the County or failure of the County to use the materials in the manner outlined by the Contractor in descriptive literature or specifications submitted with the Contractor's quote.
15. **FORCE MAJEURE:** The Contractor shall not be liable for any excess costs if the failure to perform the contract arises out of causes beyond the control and without fault or negligence of the contractor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required delivery schedule.
16. **S.C. LAW CLAUSE:** Upon award of a contract under this RFQ, the person, partnership, association or corporation to whom the award is made must comply with the laws of South Carolina which require such person or entity to be authorized and/or licensed to do business within the State. Notwithstanding the fact that applicable statutes may exempt or exclude the Contractor from requirements that it be authorized and/or licensed to do business in this State, by submission of this signed RFQ, the Contractor agrees to subject himself to the jurisdiction and process of the courts of the State of South Carolina as to all matters and disputes arising or to arise under the contract and the performance thereof, including any questions as to the liability for taxes, licenses, or fees levied by the State.

17. **6% SC SALES TAX:** Oconee County is subject to South Carolina Sales Tax on all purchases of goods and services, except for the mining operation of the Oconee County Rock Quarry, and the recycling operation of the Oconee County Solid Waste Department. If state or federal guidelines prohibit or otherwise limit local preference, then the County shall not use local preference in awarding the contract. If there are multiple responsible and responsive vendors who meet the local preference guidelines as set forth in this section, the County shall use standard procurement practice and procedure to determine the priority of selection. The local preference as set forth in this section does not waive or otherwise abrogate the County's unqualified right to reject any and all quotes or accept such quotes, as appears in the County's own best interest.
