MINIMUM SPECIFICATIONS FOR ROOF REPLACEMENT FOR CHAU-RAM COUNTY PARK

Oconee County is seeking quotations from qualified, licensed contractors to re-roof the main recreation building at Chau-Ram County Park, 1220 Chau Ram Park Road, Westminster, SC 29693.

The Contractor shall provide all equipment, materials, and labor necessary to remove and dispose of the current roof and install new roofing as described herein. Materials include, but are not limited to sheathing, roofing felt, roofing nails, tin caps (if required), roofing shingles, ridge vent, flashing and sheet metal, and waterproof valley flashing underlayment.

SCOPE OF WORK

The main recreation building roof is approximately 3,720 square-foot; which includes the main event area and the attached maintenance shop. Currently, the building has shingles and felt laid on top of tongue and groove boards. Vendor shall remove existing shingles and felt. Inspect under felt for damaged and rotten tongue and groove boards and replace as needed with matching material and dimensions – standard 6-inch by 1-in tongue and groove boards. Quotes shall include a 100 sq. foot allowance for replacement of tongue and groove boards. A price per linear foot shall be provided on the Quote Form (page 1).

Vendor shall inspect all trusses for any rot or damage. Any truss material that needs to be replaced shall be replaced with rough sawn lumber and be scabbed on both sides with rough sawn lumber. The rough sawn lumber shall match the existing dimensions of existing. Quotes shall include a 100 linear foot allowance for truss repair and scabbing. A price per linear foot shall be provided on the Quote Form (page 1).

Add ½-inch Zip Roofing System sheathing (or approved equivalent) on top of existing tongue and groove boards per manufacturer's installation directions. Install starter shingles, roof over ridge vent, and ridge caps as needed for entire building roof. Shingles shall be 30-year architectural shingles and shall be as close to original color as possible. There shall be no roofing nails visible through the tongue and groove boards.

Cut overhanging deck boards flush with fascia boards with matching lumber and dimensions. Install drip edge, ice/water shield at side walls (pipe boots) and water diverter above front doors. Replace all pipe boots. Supply and install approximately 75-foot of new 8in seamless gutters on back side of main event area over porch area and place two downspouts at each end of the gutter. Downspout on the back left side of the building shall be installed from the gutter down through the porch floor to exit, as close to building as possible. Awarder vendor is responsible for cutting the hole through the porch floor.

Vendor shall provide lump sum pricing, to include materials and labor, for the roof replacement of the main recreation building on the Quote Form (page 1).

ADDITIONAL SPECIFICATIONS

Vendor shall supply dumpster for all debris and haul away.

Vendor shall ensure there are no nails remaining around construction site after construction is complete.

Prior to construction, Park Staff will mark off construction areas from public entrance. Sufficient space will be provided for disposal dumpster and materials.

PROJECT SCHEDULE

The recreation building and shelter are available to the public for day use rentals. Therefore, the work specified herein shall be completed between the dates of July 1, 2023 and August 31, 2023.

Contractor shall note on Quote Form estimated time to complete roof replacement and the start date of the work to be performed.

PERMITS

Awarded vendor shall be responsible for any permits required for this project.

LICENSES

Awarded contractor shall be a licensed commercial, general contractor with roofing classification by the South Carolina LLR. Contractor's must submit license number on the space provided on the Quote Form.

WARRANTY

Prior to the request for final payment, Bidder shall furnish a written warranty of the roofing system. Roofing workmanship & entire Roof System shall have a 2-year leak-free warranty on installation.
