This Addendum #1 includes following clarifications and answers to questions from Oconee County.

**A signed copy of this Addendum #1 must also be submitted with your quote.**

**Question 1:** Could you clarify a couple of items:

The #4 rebar around the entire perimeter, is that 1,2, or 3 bar matt?  
Does the existing concrete need to be drilled and doweled at the new concrete edge?

**Answer 1:** The rebar around the perimeter shall be 2 bar matt and a minimum of ½ inch diameter.  
No drilling or dowelling is required between the existing asphalt and the new concrete.
