Re: CDBG Grant #5-L-98-033-Georgetown Newer Housing Rehabilitation

Dear Dirk:

We have reviewed your request dated May 8, 2002 regarding the above referenced grant. This grant was to rehabilitate 15 houses in the Newer community of Georgetown County. It is our understanding that 14 of these houses have been completed and the 15<sup>th</sup> has been bid out and awaiting the contract to be signed. If this contract is allowed to be completed, the average cost per unit will exceed the CDBG cap of \$20,000 by approximately \$500.

Due to the size of the units in the area and the additional funds that were pledged to these houses, we are approving the request and will allow the County to exceed the average rehabilitation cap. However, exceeding the cap is a performance issue that may affect the County's ability to receive future Community Investment funds.

If you have any further questions, please give Dale Colbreth, your Grants Manager, a call at (803) 754-0420.

Sincerely,

Lisa Salsbeck  
Assistant Director  
Division of Community Grant Programs

Dear Ann:

Thank you for your letter of April 10 concerning the Newby Housing Rehab project and the letter you received from Dale Culbreth at the Department of Commerce. We are working on resolving the issues detailed in Dale's letter of March 13. Some of the issues have already been resolved, as several of the documents she has requested were present in a file at the COG office, but not present when the monitoring was conducted at the Clemson City Hall. However, I have requested a 30-day extension in responding to the letter in order to adequately address all of her concerns.

Let me first apologize for the problems detailed in Dale's letter. I will not attempt to make excuses for, or to even explain, the reasons for them. In fact, some really have no explanation. However, please be assured that we are working at addressing the problems and we are changing some procedures to keep them from occurring again.

I understand you are concerned that these monitoring findings reflect upon Georgetown County, since these grant funds were awarded to you. I am also concerned that it reflects upon the Appalachian COG. That is why I am committed to seeing that these issues are resolved to the satisfaction of you and the State Department of Commerce.

I will of course copy you on our response to Dale's letter, which will address each problem item-by-item. Meanwhile, if you would like to talk to me about this, I would be happy to meet with you at your convenience.

Sincerely,

Dax Reis  
Grants Services Manager

## OFFICE OF ANN H. HUGHES SUPERVISOR-CHAIR

April 10, 2002

Dirk Kels, Economic Development & Grants Services Manager  
Appalachian Council of Governments  
Post Office Drawer 6658  
Greenville, South Carolina 29606

Dear Mr. Kels:

We are in receipt of a letter dated March 13, 2002 from Dale Culbreth, SC Department of Commerce Division of Community Grant Programs Grants Manager, regarding the monitoring for the Newby Housing Rehabilitation Grant (CDBG #3-1-98-011). This letter was written in response to the monitoring made on January 25, 2002. Within this letter are noted five (5) concerns, thirty-nine (39) identified problems and forty (40) required actions. We are very concerned about these findings.

We understand that the construction on many of these homes was completed over a year ago and, understandably, they may not be in the same condition that they were in at the time of completion. This could account for a small portion of the findings. However, a large portion of these findings were related to administration. This includes the notation on the top of page five which states that "DCLG" is concerned about the way the files for this project are being managed. There were numerous items that were missing or incomplete. There were also several findings regarding construction management.

These grant dollars were awarded to Oconee County and, as a result, any monitoring findings reflect on our organization. We are concerned that consideration of future awards from this and other agencies could be negatively affected as a result. Mr. Culbreth notes that ACOG has until April 12, 2002 to respond to this report. We also request documentation for our files that each of these issues were satisfactorily addressed prior to this date.

We recognize the long term, positive relationship that we have enjoyed with your agency and appreciate the continued assistance that you offer. We look forward to the resolution of this matter and to continuing our joint service to Oconee County citizens.

Sincerely,

Ann H. Hughes, Supervisor-Chair

Dear Ms. Dillard:

Pursuant to my conversation yesterday with you and Phyllis Lombard, the base audit fee for fiscal year 2002-2003 will be \$25,500 as previously agreed upon. The fee for the additional work required to implement GASB 34 and include the School District's financial information as a component unit of the County will not exceed hourly rates ranging from \$35-\$75 per hour.

Should you have further questions, please do not hesitate to give me a call.

Sincerely,

Mark A. Payne, CPA

AGREEMENT  
FOR THE SECURE DETENTION OF JUVENILES**

**THIS AGREEMENT** is made this \_\_\_ day of \_\_\_\_\_, 2002, by and between the South Carolina Department of Juvenile Justice (DJJ) by and through its duly authorized employee and the governing body of Oconee County, hereinafter referred to as Oconee County, by and through its duly authorized official and/or employee:

**WHEREAS**, the Juvenile Detention Act of 1990, in compliance with the Juvenile Justice and Delinquency Prevention Act of 1974, mandates, in effect, that juveniles who are held in secure detention be confined in separate and distinct facilities from adults similarly confined; and

**WHEREAS**, Oconee County does not operate or manage its own secure detention facility for juveniles, or otherwise have such a facility available to it for the secure detention of juveniles; and

**WHEREAS**, DJJ maintains and operates a secure facility for the detention of juveniles who are awaiting their adjudication and/or dispositional hearings in the Family or General Sessions Courts of this State, which has passed all necessary state inspections, and is a suitable facility for the secure detention of juveniles; and

**WHEREAS**, the General Assembly has mandated that "the governing body of the law enforcement agency having original jurisdiction (over) where the offense occurred" be responsible for paying a portion of the costs of detaining juveniles who are charged with committing crimes within its jurisdictional limits at DJJ's Detention Center;

**NOW THEREFORE**, in consideration of the mutual promises contained herein, it is agreed as follows:

DJJ will accept in its Juvenile Detention Center those juveniles who are charged with committing criminal/status offenses within the jurisdictional limits of the above listed entity and who have been/are:

1. qualified to be placed in secure detention (as determined by Section 20-7-7210 (A)), which the local law enforcement entity wishes to have detained prior to a detention hearing before the Family Court; or
2. ordered to be detained by the Family Court; or

3. pending waiver or juveniles (16 and below) who have been waived to the Court of General Sessions to be tried as adults; or
4. 16 years old and charged as an adult with committing a Category A-D felony.

Acceptance and retention of detainees in its Juvenile Detention Center will be on a space available basis and will be in accordance with admission and retention criteria established by DJJ. However, Oconee County agrees to remove any detainees accepted and detained under paragraph 4 above, on or within one week after that detainee's 17<sup>th</sup> birthday.

Oconee County agrees to assign an open Purchase Order Number \_\_\_\_\_, to be effective from July 1, 2002 to June 30, 2003.

The per diem rate for the detention of juveniles, to be paid by "the governing body of the law enforcement agency having original jurisdiction where the offense occurred," is \$25.00 per 24-hour day. (Detention periods of between from 1 to 23 hours shall be charged as a 1/2 day.). Payments to DJJ are to be made on a monthly basis as the costs accrue. **Should the General Assembly's passage of a Proviso or through the ratification of an Act change the maximum per diem rate the Department is authorized to charge local entities who seek to detain juveniles in the Department's Detention Center, then the rate the Department charges local entities, and the rate local entities agree to pay, will increase accordingly for all juveniles detained on the effective date of the Proviso or Act, with that rate continuing in effect from that date forward through the end of the contract term.**

DJJ agrees to bill Oconee County on a monthly basis; said bills to be sent on or before the 15<sup>th</sup> day of the month after the month where the costs are incurred, with payment to be made on or before the first (1<sup>st</sup>) day of the following month.

The "local law enforcement agency having jurisdiction where the offense was committed" shall be responsible for transporting all juveniles to and from DJJ's Juvenile Detention Center.

In accordance with Act #571 of 1990, relating to Juvenile Detention and consistent with the criteria outlined in DJJ Community Services Policies and Procedures (24-Hour Detention/Release; Policy Number 380.01), no juvenile shall be placed in and/or transported to, a DJJ detention facility until law enforcement has notified DJJ and DJJ has conducted a detention screening, or until a Family Court Judge or other judicial official, has determined that placement in secure detention is appropriate.

MEMORANDUM OF AGREEMENT

PAGE 3

Oconee County shall provide the DJJ Juvenile Detention Center with all relevant information pertaining to the juvenile, including medical history/limitations/pre-existing conditions, known psychological and psychiatric problems, charges pending before the court, and completed screening or detention forms if such records or information are in the possession of, or otherwise known to, the transporting law enforcement agency.

DJJ's Juvenile Detention Center shall have the right to refuse admission when a juvenile is presented for placement without an appropriate detention order signed by the Court or detention referral papers, completed and signed by a DJJ employee or screening agent. DJJ's Juvenile Detention Center shall also have the right to refuse admission when a juvenile is deemed inappropriate by the Center for placement due to psychological/psychiatric problems, age, history, not meeting referral/admissions criteria, indications of alcohol or other drug intoxication, or for any other reason which puts the Center at risk, should such a juvenile be accepted.

Detention services provided by DJJ shall commence upon execution of this contract and terminate, unless this contract is reauthorized and renewed, on June 30, 2003. Either party may cancel this agreement upon thirty (30) days' written notice.

Sums paid or payable under this contract shall not exceed \$ 5,877,000 for fiscal year 2002-2003 as determined by both parties. However, if juveniles continue to be presented for secure detention by Oconee County once the above budgeted amount has been reached, Oconee County agrees to pay for the cost of any additional detainees as provided for in the paragraph addressing detention rates.
