Sec. 2-61. - Access to and conduct at county meetings, facilities and property.

(a) *Purpose.* The county council has determined that it is necessary to regulate access to county facilities, grounds and property in order to ensure the safety and security of the public who visit these areas or the county employees who serve them. The conduct of persons who visit county facilities and/or who have contact with county employees must also be regulated to preserve public order, peace and safety. The regulation of access and conduct must be balanced with the right of the public to have reasonable access to public facilities and to receive friendly, professional service from county employees. These regulations apply to all county facilities and meetings, as defined below, for and over which county council exercises control and regulation, and to the extent, only, not preempted by state or federal law.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Facility means any building, structure, or real property owned, leased, rented, operated or occupied by the county or one of its departments, offices or agencies.

Meeting means any assemblage of persons for the purpose of conducting county governmental business, operations or functions or any assemblage of persons within a county governmental facility. The term "meeting" includes, but is not limited to, county council meetings, county board and committee and staff meetings, trials, hearings and other proceedings conducted in the courts of general sessions and common pleas, family court, master-in-equity, probate court and magistrate's court; and other meetings by entities duly authorized by the county council.

(c) *Prohibited acts.* It shall be unlawful for any person to:

- (2) Bring, carry, or otherwise introduce any firearm, knife with blade longer than two inches or other dangerous weapon, concealed or not concealed, into any facility or meeting. This prohibition does not apply to law enforcement personnel or any other person whose official, governmental duties require them to carry such firearm, knife, or other weapon.
- (3) Engage in partisan political activity, including speech, in any meeting not authorized and called for the purpose of partisan political activity and explicitly authorized for such purpose in the facility in which such activity is to be conducted, or refusing to cease such activity when the presiding official of the meeting in question has ruled that the activity in question is partisan political activity and has directed that such activity stop.
- (4) Interfere with, impede, hinder or obstruct any county governmental official or employee in the performance of his duties, whether or not on county government property.
- (5) Enter any area of a county government facility, grounds or property when such entry is prohibited by signs, or obstructed or enclosed by gates, fencing or other physical barriers. Such areas include rooms if clearly marked with signs to prohibit unauthorized entry.
- (6) Enter by vehicle any area of a county governmental facility, grounds or property when such area is prohibited by signs or markings or are obstructed by physical barriers; or park a vehicle in such restricted areas; or park in a manner to block, partially block or impede the passage of traffic in driveways; or park within 15 feet of a fire hydrant or in a fire zone; or park in any area not designated as a parking space; or park in a handicapped parking space without proper placarding or license plate; or park in a reserved parking space without authorization.

- (7) Use any county governmental facility, grounds or other property for any purpose not authorized by law or expressly permitted by officials responsible for the premises.
 - (8) Enter without authorization or permission or refuse to leave any county governmental facility, grounds or other property after hours of operation.

 - (11) Damage, deface, injure or attempt to damage, deface or injure a county governmental property, whether real property or otherwise.
 - (12) Enter or attempt to enter any restricted or nonpublic ingress point or any restricted access area, or bypass or attempt to bypass the designated public entrance or security checkpoint of a facility without authorization or permission.
 - (13) Perform any act which circumvents, disables or interferes with or attempts to circumvent, disable or interfere with a facility's security system, alarm system, camera system, door lock or other intrusion prevention or detection device. This includes, without limitation, opening, blocking open, or otherwise disabling an alarmed or locked door or other opening that would allow the entry of an unauthorized person into a facility or restricted access area of the facility.
 - (14) Exit or attempt to exit a facility through an unauthorized egress point or alarmed door.
- (d) *Penalty for violation of section.* Any person violating the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction, shall be punished in accordance with section 1-7. The first \$1500 of Oconee County building permit fees and related and associated building code fees are, to the extent permitted by law, hereby waived and set at \$0 for any Oconee County non-profit or eleemosynary entity duly recognized as such by the State of South Carolina and granted tax exempt status by the Internal Revenue Service of the United States (“IRS”), to the extent the building project is for the general public good, and only for so long as such entity maintains such non-profit or eleemosynary status and tax exempt recognition by the IRS. All building permit fees and building code fees in excess of \$1500, per applying non-profit, eleemosynary entity per application, will be applied and collected as usual, per this budget, this proviso, and the attached and incorporated Oconee County Departmental Fees Schedule. Oconee County Council hereby determines and finds that this reduction in fees is appropriate and justified by the provision of public services which these non-profit, eleemosynary entities provide to Oconee County and the public of Oconee County – services of public use and public benefit which would otherwise have to be provided by some unit of local government.

Section 11

For all economic development projects in a joint county industrial or business park (“MCIP”) in the unincorporated portion of the County, for which revenue is first received on or after July 1, 2021, excluding any MCIP agreements now in existence (or which have been previously approved by County ordinance) wherein a different allocation is in place, and subject to any superior agreements allocating portions of such revenue, all revenue or remaining revenue, as the case may be, received from such MCIP which is/was attributable to the levy of all general fund millages shall be

divided and distributed in the following percentages, in order to offset the costs of economic development which made the project(s) possible: (1) Oconee County General Fund – 33%; Oconee County Economic Development Capital Projects Fund – 34%; School District of Oconee County - 33%; (2) all other taxing entities levying millage at the site in question - 1% each;^[1] (3) all other taxing entities in Oconee County - 0%. Revenue attributable to the levy of debt service millage or other non-general fund millage shall be distributed to the taxing entity levying such millage. For joint county industrial or business parks located within municipal limits, the intergovernmental agreement governing the creation of such MCIP shall govern distribution of revenues. Any unused revenues in such fund at the end of any fiscal year shall be carried over to the succeeding fiscal year.

Section 12

Pursuant to authority given to governing bodies of South Carolina counties by the South Carolina General Assembly in Section 12-43-360 of the South Carolina Code of Laws, 1976, as amended, the Oconee County Council hereby reduces the assessment ratio otherwise applicable in determining the assessed value of general aviation aircraft subject to property tax in Oconee County to a ratio of four percent (4%) of the fair market value of such general aviation aircraft. Such assessment ratio shall apply uniformly to all general aviation aircraft subject to *ad valorem* property taxation in Oconee County. This proviso first became effective in the 2011-2012 budget ordinance and is a part of the budget ordinance beginning July 1, 2021 and ending June 30, 2022.

Section 13

Oconee County seeks to increase and maintain its unassigned fund balance to and at an amount not less than twenty-five percent (25%) of its regular general fund operating expenditures. (See Oconee Code of Ordinances Section 2-476.) Oconee County’s unassigned fund balance as of the last audited fiscal year (2020) was \$9,478,187. Oconee County’s assigned fund balance as of the last audited fiscal year (2020) was as follows:

Section 15

Section 16

Oconee County receives federal, state, and local grants for specified purposes. Oconee County is hereby authorized, absent any other factor, to apply for, receive, and expend all such grants for which no local match is required or for which such funds are budgeted herein, in addition to all other authority elsewhere given, and in accordance with all other policies and directives of Oconee

^[1] If there are other taxing entities levying millage at the site in question, then the County and the SDOC percentages shall apply to the remainder.

County. These grants, including any local match, are deemed budgeted for the specified purposes upon acceptance of such grants. These grants are budgeted for on a project basis in accordance with the grantors' terms and conditions instead of an annual basis and as such, unexpended appropriations for uncompleted grant projects are carried forward as a part of the budget authorized by this Ordinance. The Oconee County Administrator, or his or her duly authorized representative, is hereby authorized to apply for all federal, state, and other grants for which no County matching funds are required, if all necessary operating funds for the County facility, institution, or programs in question have been made available by County Council through the County's operating and capital budgets or are available in applicable County enterprise fund balances, or for those grants for which County matching funds are required when all necessary County matching funds have been made available by County Council through the annual County operating and capital budgets or are available in applicable County enterprise fund balances, for County Council authorized programs, institutions, and facilities of the County, and to receive and expend such federal and state grant funds, for the purposes authorized in the respective grant applications.

ADMINISTRATIVE SERVICES ONLY (ASO) AGREEMENT**

This Agreement, dated this 14th day of April 2021, effective for the Administrative Service Period of 12 months beginning May 1, 2021, and ending April 30, 2022, is entered into by and among the Plan Sponsor/Administrator, Oconee County, and the Plan Supervisor, Planned Administrators, Inc. ("PAI").

WITNESSETH:

Whereas, The Plan Sponsor/Administrator identified above has adopted an Employee Health and Welfare Benefit Plan known as the Oconee County Employee Health and Welfare Benefit Plan ("Plan"), which is set forth in the Plan Document, for certain employees and their dependents (hereinafter referred to as "covered persons"); and

Whereas, PAI has been designated by the Plan Sponsor/Administrator as the Third Party Administrator (TPA) to provide administration and claims services for the establishment and operation of the Plan; and

Whereas, the Plan Sponsor/Administrator has requested that PAI perform the services that are specified in the Agreement and PAI has agreed to do same upon the terms and conditions hereinafter set forth.

Now therefore, in consideration of the mutual promises and covenants contained herein, it is hereby agreed as follows:

- 1.3 To the extent set forth in Exhibits A, B, C & D, PAI shall assist the Plan Sponsor/Administrator in the preparation of any report, or similar papers, required by a state or federal authority, for the Plan.

SECTION 2. PLAN SPONSOR/ADMINISTRATOR OBLIGATIONS

- 2.1 It is understood that the effective performance of all obligations hereunder by PAI will require that the Plan Sponsor/Administrator furnish to PAI certain timely reports and information in a form and manner specified by PAI, and such shall be as follows:
 - A. Previous Plan Document and Health Insurance Contract;
 - B. Plan Summary Booklet;
 - C. Copy of previous Carrier's billing for month preceding the effective date of coverage of the new Plan;
 - D. Complete, legible, and accurate enrollment forms on all covered employees and timely submission of Employee Data Change Forms and Health Questionnaires when appropriate;
 - E. Any and all necessary information regarding any Excess Loss (Stop Loss) Insurance ("Excess Loss (Stop Loss) Insurance" means the insurance procured by the Plan Sponsor/Administrator that insures against claims made in excess of certain amounts); and
 - F. Other information or documentation as may be required from time to time, within 30 days of request.

If applicable, items A through C shall be delivered to PAI within 15 days of the effective date of this Agreement. Item D shall be delivered to PAI no later than the 20th of each month for enrollments, changes, and questionnaires completed during the prior calendar month.

- 2.2 PAI shall not be responsible for delay in the performance of the claim and administrative and billing services

caused by failure of the Plan Sponsor/Administrator to furnish any required information on a timely basis.

- 2.3 The Plan Sponsor/Administrator shall comply with all requirements of the Employee Retirement Income Security Act of 1974 and any other laws and regulations covering self-funded employee benefits programs.
- 2.4 The Plan Sponsor/Administrator shall be responsible for determining which covered persons are eligible for benefits under the Plan and shall certify this eligibility to PAI. Eligibility determinations shall be made by the Plan Sponsor/Administrator in compliance with the terms of the Plan Document. The Plan Sponsor/Administrator is responsible for ensuring that any member (employees or employees' dependents who Plan Sponsor/Administrator determines are eligible to participate in the Plan and who have elected to participate in the Plan) coverage rescissions reported to PAI are due to fraud, intentional misrepresentation of material fact or non-payment of premium contribution amounts. Any member notices required by law due to rescissions of coverage are also the Plan Sponsor/Administrator's responsibility. The Plan Sponsor/Administrator is responsible for reconciling its employment records to the lists of covered employees on PAI's monthly invoices, and reporting any discrepancies to PAI.
- 2.5 The Plan Sponsor/Administrator shall open and maintain a separate checking account at the bank of its choice, from which claims payments will be issued. The Plan Sponsor/Administrator shall provide PAI with bank account documentation, i.e. signature card, MICR encoded bank specifications sheet. Claims checks will be issued from this account on a twice-weekly basis. The Plan Sponsor/Administrator shall be responsible for timely deposit of sufficient funds for claims checks to be mailed two business days following the date of the check issuance (check date). Escheat/Unclaimed Funds reporting and compliance shall be the responsibility of the Plan Sponsor/Administrator.
- 2.6 The Plan Sponsor/Administrator is responsible for timely payment of all premiums for any insurance purchased by or for the benefit of the Plan. The Plan Sponsor/Administrator has the final authority to decide the insurance company(s) that will provide any such insurance.
- 2.7 If the Plan Sponsor/Administrator purchases COBRA services from PAI, Plan Sponsor/Administrator shall:
- A. Complete a COBRA initial notification form (which shall be provided by PAI or its designee within ninety (90) days of any new employees and within thirty (30) days of a member's Qualifying Event (as defined in the Plan Document));
 - B. Determine the amount of contributions required for COBRA continuation coverage and notify PAI or its designee of such amount;
 - C. Inform PAI or its designee of continuation rights, by use of the COBRA notification form or other electronic means upon the occurrence of a Qualifying Event;
 - D. Notify PAI or its designee upon receipt of notification of any second Qualifying Event.

If the Plan Sponsor/Administrator does not purchase COBRA services from PAI, then this section is not applicable.

- 2.8 Internal Revenue Code Section 125 Plan ("125 Plan") Services: If applicable and if the Plan Sponsor/Administrator purchases 125 Plan Services from PAI, then the Plan Sponsor/Administrator shall:
- A. Sponsor and encourage employee support of the 125 Plan.
 - B. Provide PAI or its designee (in a format reasonably acceptable to PAI or its designee) any necessary employee payroll, census, benefit information and any other information reasonably requested from time to time by PAI or its designee.
 - C. Be responsible for creation of any 125 Plan documents.
 - D. At all times be responsible for contributions to the 125 Plan and funds held by the 125 Plan.

- E. Report participant terminations and changes of family status to PAI or its designee.
- F. Reconcile payroll amounts redirected to the 125 Plan.
- G. Complete and file form(s) 5500 with the IRS each plan year.
- H. Initiate any action required in the event 125 Plan becomes discriminatory.
- I. Distribute funds according to the requirements of the 125 Plan and PAI's or its designee's direction.

If the Plan Sponsor/Administrator does not purchase 125 Plan Services from PAI, then this section is not applicable.

2.9 Summary of Benefits and Coverage (SBC): The Plan Sponsor/Administrator agrees:

- A. To promptly provide to PAI the information necessary to complete the SBC;
- B. There is an understanding and agreement that the Plan Sponsor/Administrator's failure to provide information in a timely manner may substantially delay and/or jeopardize the timely delivery of the SBC;
- C. To distribute the SBC required under the Patient Protection and Affordable Care Act (PPACA) to members;
- D. To ensure that electronic access shall be restricted to a "read-only" or similar basis;
- E. To replace any hard-copy SBC that is modified by PAI;
- F. That the hard-copy SBC on file with PAI shall control in the event of any discrepancy; and
- G. That the Plan Sponsor/Administrator remains solely responsible for the content of the SBC and all other legal requirements related to the SBC. To the extent that PAI incurs any liability as a result of the preparation or distribution of the SBCs to Plan Sponsor/Administrator's members, Plan Sponsor/Administrator shall fully indemnify PAI.

SECTION 3. PAYMENTS

- 3.1 **Monthly Billing** - Monthly billings reflecting Fixed Costs (all Plan Costs except Claim Costs) will be provided to the Plan Sponsor/Administrator to arrive approximately seven (7) calendar days prior to the first day of the month in which it is due. This bill will reflect all written changes received by PAI prior to the 10th day of the previous month. Payment is due on the 1st day of each month, and will be delinquent if not received prior to the 10th. All claims adjudication will be curtailed on delinquent accounts until such time as the account is brought current. If payment is not received within 30 days following the due date, PAI Administrative and Claims Services may be cancelled. If life insurance premiums are included on the billing, that coverage will also be cancelled. The Plan Sponsor/Administrator is required to pay as billed and accept reasonable or appropriate retroactive additions or terminations, if applicable, on the subsequent month's billing.
- 3.2 If during the operation of the Plan, any tax (other than state or federal income taxes), or any other assessment or premium charge shall be assessed against the Plan, or if PAI is required to pay such tax, PAI shall report the payment to the Plan Sponsor/Administrator and the Plan Sponsor/Administrator shall reimburse PAI for the same, to exclude any expenses or taxes that are not appropriately allocable to the operation of the Plan.
- 3.3 In addition to monthly administrative, claims, and handling fees, the Plan Sponsor/Administrator shall pay PAI additional charges for any special request items or services not specifically covered in Exhibits A, B, C & D. Such items may be:
 - A. Printing and supplies expenses incurred after exhausting the supplies provided under the initial set-up fee for Plan inserts, Plan Document changes, ID cards, etc.;
 - B. Special statistical reports other than customary or annual reports, (See Exhibit B, paragraph F). Unusual or

extraordinary expenses for services or support that PAI and the Plan Sponsor/Administrator mutually agreed upon.

- 3.4 All charges incurred as a result of paragraph 3.3 will be submitted for payment on the next Plan monthly billing statement and subject to payment in full with that billing remittance.
- 3.5 All charges incurred for services to be rendered for an administrative run-out of claims at termination of a contract will be billed and remitted as set forth in Section 9, Termination of Agreement, paragraph 9.5.
- 3.6 PAI has the right to change the monthly Fixed Costs charges, in the following circumstances. PAI will, to the extent possible, give the Plan Sponsor/Administrator no less than thirty (30) days advance written notice of the change. The portion of the Fixed Costs representing policy premiums (if any) may be changed at any time the policy premiums are changed by the insurer(s). The administrative service fees of PAI may be changed once every twelve months. PAI may also change the administrative service fees (1) on the date a substantive change is made to the Plan which increases the responsibilities of PAI or (2) on the date the number of employees covered by the Plan has changed by 25% or more since the date the then current administrative services fees were effective. If Fixed Costs charges change during the term of this Agreement, an amended Schedule D will be prepared, agreed upon and initialed by both parties to the Agreement.

SECTION 4. MISCELLANEOUS PROVISIONS

- 4.1 PAI in performing its obligations under this Agreement is acting only as an agent of the Plan Sponsor/Administrator. For the purposes of the Employee Retirement Income Security Act of 1974, as amended from time to time, and any applicable state legislation of similar nature, the Sponsor shall be the Administrator of the Plan, unless the Sponsor by action of its Board of Directors designates an individual or committee to act as Administrator. In no instance shall PAI be deemed to be, or be, the Sponsor or the Administrator of the Plan for purposes of the Employee Retirement Income Security Act of 1974, as amended from time to time. Both parties acknowledge and agree that all documents and records generated by PAI in performance of its obligations under this Agreement are owned by the Plan Sponsor/Administrator, and that PAI serves as the custodian of such documents and records on behalf of the Plan Sponsor/Administrator.
- 4.2 PAI shall not be liable, nor advance its funds, for the payment of claims under the Plan or insurance or other premiums or monies owed to other providers of goods or services that are the responsibility of the Plan Sponsor/Administrator. PAI shall not be considered the Insurer or Underwriter of the liability of the Plan Sponsor/Administrator to provide benefits for the Plan's covered persons and the Plan Sponsor/Administrator shall have final responsibility and liability for payment of claims in accordance with the provisions of the Plan.
- 4.3 This Agreement shall not restrict PAI from pursuing any and all legal or equitable remedies from any party for any claims, lawsuits, settlements, judgments, costs, penalties, liabilities and expenses ("Damages") resulting from, or related to, any third party claim under this Agreement or the Sponsor/Administrator's Plan or the Plan Document if PAI is acting or administering the Sponsor/Administrator's benefits or Plan Document at the express direction and/or instruction of Sponsor/Administrator unless such Damages are the direct consequence of criminal conduct, fraud or willful misconduct on the part of PAI.
- 4.4 PAI agrees to indemnify and hold harmless the Plan Sponsor/Administrator from any and all claims, lawsuits, settlements, judgments, costs, penalties, liabilities and expenses, including a reasonable attorney's fee (for attorneys chosen by The Plan Sponsor/Administrator), arising out of or related to the Plan, Plan Document or this Agreement, but only if resulting from PAI's criminal conduct, fraud, or willful misconduct.
- 4.5 The Plan Sponsor/Administrator also recognizes and agrees that Plan Sponsor/Administrator's failure to adhere to the check release process as outlined in Section 4.10, or Plan Sponsor/Administrator's failure to pay the Administrative Fee due to PAI under this Agreement, may result in PAI incurring significant costs and has the potential to result in a delay in the release of the claims checks, Provider Vouchers and Explanation of Benefits Statements beyond the time frames for such release as set forth in the U.S. Department of Labor claims regulations. In the event that the Plan Sponsor/Administrator delays the release of any claims checks, or fails to

pay the Administrative Fee, PAI will be entitled to indemnification for any and all claims, lawsuits, settlements, judgments, costs, penalties, liabilities and expenses, including attorneys' fees (for attorneys chosen by PAI), resulting from, or arising out of, based on, or in connection with such delay or non-payment.

- 4.6 PAI may secure the services of actuaries, computer service firms and any other firms it deems necessary in performing its duties under this Agreement.
- 4.7 Both parties acknowledge and agree that pursuant to this Agreement, PAI is an independent contractor under South Carolina State law. Personnel performing services under this Agreement will remain employees of their respective parties and no such employee of either party shall be considered in any way to be an agent, officer, representative, or employee of the other party, or have binding authority as an agent, officer, representative, or employee of the other party.
- 4.8 A. If PAI becomes aware of an excess payment or overpayment made under the Plan in excess of \$50.00, PAI shall use its standard overpayment collection processes and procedures to attempt to recover any overpayment; PAI will not attempt to recover overpayments in the amount of \$50.00 or less. PAI's services for its standard overpayment collection processes are included in the Administrative Charge. In the event PAI uses the services of a Medical Provider Audit Firm ("MPAF"), the fee for such MPAF services shall be based on a percentage of the amount recovered and is listed on Exhibit D. PAI, in its sole discretion, shall settle and resolve overpayments on any basis it determines is reasonable (provided that PAI may only pursue litigation in accordance with this Section 4.8), including payment of less than the entire overpayment amount. Notwithstanding the foregoing, PAI is not required to initiate court proceedings to comply with this Section 4.8; however, if PAI determines that litigation is necessary to collect the overpayment, PAI will notify Plan Sponsor/Administrator, and Plan Sponsor/Administrator will be solely responsible for the decision to pursue litigation and funding all litigation costs and expenses, including attorney's fees; PAI shall deliver any related files to the Plan Sponsor/Administrator for the Plan Sponsor/Administrator to pursue such amount. PAI shall notify the Plan Sponsor/Administrator whenever attempted recovery of overpayments is unsuccessful, and the Plan Sponsor/Administrator shall hold PAI harmless for any overpayment not recovered.
- B. If PAI becomes aware of a subrogation claim in excess of \$50.00, PAI shall use its standard processes and procedures to attempt to recover the subrogation claim; PAI will not attempt to recover overpayments in the amount of \$50.00 or less. PAI shall charge an additional fee based on a percentage of the subrogation amount recovered (hereinafter the "Subrogation Fee"). The Subrogation Fee is listed on Exhibit D and is not included in the Administrative Charge or any other fee described herein. PAI, in its sole discretion, shall settle and resolve all such claims on any basis it determines as reasonable, including collection of less than the entire amount of such claim and contributions to the Member's attorney's fees. Notwithstanding the foregoing, PAI is not required to initiate court proceedings to comply with this Section 4.8. In the event PAI determines litigation is necessary to recover a subrogation claim, PAI will notify Plan Sponsor/Administrator, and Plan Sponsor/Administrator will be solely responsible for the decision to pursue litigation and funding all litigation costs and expenses, including attorney's fees; PAI shall deliver any related files to the Plan Sponsor/Administrator, for the Plan Sponsor/Administrator to pursue such amount. PAI shall notify the Plan Sponsor/Administrator whenever attempted recovery of subrogation claims is unsuccessful, and the Plan Sponsor/Administrator shall hold PAI harmless for any subrogation claim not recovered. If the Plan Sponsor/Administrator separately contracts with an outside vendor for subrogation services, references to subrogation recovery in this paragraph are not applicable.
- 4.9 The Plan Sponsor/Administrator has separately contracted with a pharmacy benefits manager ("PBM"). PAI shall be entitled to rely on any information provided to it by the Plan Sponsor/Administrator's PBM. PAI shall base certain eligibility, coverage and other determinations in the performance of its responsibilities under this Agreement in reliance on the information so provided, and shall not be required to confirm or verify the accuracy, authenticity or completeness of any information so provided. PAI shall not be liable for any damages that may result from its reliance on and/or utilization of inaccurate or incomplete information received from the Plan Sponsor/Administrator's PBM. If the Plan Sponsor/Administrator's PBM does not electronically exchange member level claims data with PAI, then PAI is not responsible for (1) integrating pharmaceutical claims payment information into members' maximum out-of-pocket accumulators or (2) inclusion of pharmaceutical claims

payment information in stop loss claims submissions for reimbursement.

- 4.10 The Plan Sponsor/Administrator agrees to operate under the prescribed procedures for auto-release of their claims checks. Checks will be mailed two business days after the date of the checks. Failure of the Plan Sponsor/Administrator to comply with prescribed auto-release procedures may result in immediate placement of claims processing on administrative hold.
- 4.11 PAI shall not be bound by any notice, or directive or request unless and until it is received in writing at its office in Columbia, South Carolina, addressed to Planned Administrators, Inc., Post Office Box 6927, Columbia, South Carolina 29260.
- 4.12 This Agreement, including any attached Exhibit, Schedule, Attachment or Supplement, contains the entire agreement between the parties with respect to the subject matter hereof and it supersedes all prior oral or written agreements, commitments or understandings with respect to such matters. Unless otherwise provided in this Agreement, no modification or waiver of any of the provisions, or any future representation, promise, or addition, shall be binding upon the parties unless made in writing and signed by both parties.

SECTION 5. LAWS GOVERNING AGREEMENT

This Agreement shall be construed and enforced according to the laws of the State of South Carolina, except to the extent such laws are preempted by the Employee Retirement Income Security Act of 1974 and any other federal law in which such federal law shall apply.

SECTION 6. AGREEMENT COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and said counterpart shall constitute but one of the same instrument.

SECTION 7. MODIFICATION OF AGREEMENT

This Agreement and any attachments thereto constitute the entire Agreement between the parties. Changes in the Agreement or in any attachments must be mutually agreed to, in writing, signed and delivered to the respective parties.

SECTION 8. TIME LIMIT FOR FILING CLAIMS

- 8.1 It is understood that the Plan Sponsor/Administrator has implemented a self-funded health benefit plan and that all provisions of the Plan must be described in a Plan Document.
- 8.2 The Plan Sponsor/Administrator understands that if it purchases Excess Loss (Stop Loss) coverage to reimburse it for some losses sustained under the Plan, the coverage contract will contain a time limit within which covered and complete claims must be filed by persons covered under the Plan in order for the loss to be reimbursable to the Plan Sponsor/Administrator.
- 8.3 It is understood that the Plan Sponsor/Administrator is responsible for the Plan Document and for all provisions in the Plan Document including, but not limited to, a description of any time limits within which complete claims must be filed. It is understood, further, that if the Plan Document provides for a longer time period to pay claims than the Excess Loss (Stop Loss) coverage provides, there could be claims payable under the Plan which will not be reimbursed by the Excess Loss (Stop Loss) contract, which otherwise might have been reimbursable. In all cases where claims are submitted to PAI for payment, PAI is responsible for processing and presenting claims for payment to the Plan Sponsor/Administrator in a time and manner as specified in Exhibit B, and within a reasonable timeframe to secure reimbursement under the Excess Loss (Stop Loss) contract. If PAI receives a claim after the deadline for reimbursement under the Excess Loss (Stop Loss) contract, PAI will promptly notify the Plan Sponsor/Administrator. PAI will not disrupt the standard flow of the adjudication process, but will follow its standard processing procedures.

Claims must be filed with PAI within the time requirements as set forth in the Plan Document, unless it was not

reasonably possible to do so. PAI will determine if enough information has been submitted to enable proper consideration of the claim.

- 8.4 For purposes of claims processing, a complete claim is one that includes all information necessary for PAI to properly adjudicate the claim. If PAI receives incomplete claims or if the claim is considered incomplete due to any other information being needed, PAI will request the needed information and the Plan Sponsor/Administrator shall be notified in writing, via a monthly "LPR-Claim Letter Listing" report, which informs the Plan Sponsor/Administrator about any claims received by PAI that are pending additional information. This report provides information regarding all letters PAI has sent out to subscribers on behalf of the Plan Sponsor/Administrator, requesting additional information necessary to complete the adjudication of the claim in question. PAI will use reasonable means to secure the information needed for the incomplete claim to become complete. It is ultimately, however, the responsibility of the Plan Sponsor/Administrator to secure any information needed by PAI.
- 8.5 If PAI receives any claim which is incomplete, as described in paragraph 8.4 and the information needed to make the claim complete is not received within the claim filing and payment time limit in the Excess Loss (Stop Loss) contract, that claim if subsequently paid under the Plan may not be reimbursed to the Plan Sponsor/Administrator by the carrier providing the Excess Loss (Stop Loss) coverage.

SECTION 9. TERMINATION OF AGREEMENT

- 9.1 This Agreement may be terminated by either party by written notice of intention to terminate given to the other party, to be effective as of a certain date set forth in the written notice which shall not be less than thirty (30) days from the date of such notice. Failure by the Plan Sponsor/Administrator to render written notice of at least thirty (30) days will result in the equivalent of one month's administrative service fees being due to the Plan Supervisor, payable immediately. Failure of the Plan Sponsor/Administrator to remit said amount will void and invalidate any further obligation of PAI to furnish materials or data as outlined in Section 9, paragraph 9.5, item C.
- 9.2 This Agreement shall automatically terminate in the event of:
- A. Bankruptcy or insolvency of the Plan Sponsor/Administrator or PAI;
 - B. Failure by the Plan Sponsor/Administrator to deliver to PAI on a timely basis the reports and information set forth in Section 2, paragraph 2.1;
 - C. Merger, sale or consolidation of Plan Sponsor/Administrator, unless the surviving entity, as new Plan Sponsor/Administrator, and PAI agree to continue this Agreement;
 - D. Merger, sale or consolidation of PAI, unless the surviving entity, as new Plan Supervisor, and Plan Sponsor/Administrator agree to continue this Agreement;
 - E. The enactment of any law or the promulgation of any regulation, which makes illegal the continuance of this Agreement or the performance of any obligations hereunder;
 - F. Failure of the Plan Sponsor/Administrator to deposit funds for the payment of claims within a two week time period from the date of the checks.

Provided, however, in the event of any termination of this Agreement pursuant to items A through F of this Section 9.2, such termination shall not occur and shall not be effective until the 15th day after the terminating party notifies the other party in writing that the Agreement is being terminated. As to items B and F above, there shall be a right to cure the default during the first 7 days of this 15-day notice period.

- 9.3 In the event of termination of this Agreement, PAI shall complete the processing of all fully documented requests for claim payments under the Plan that were received by it and are due and payable prior to the termination of this Agreement, but it shall have no obligation:
- A. To complete the processing of any such requests upon its determination that the Plan Sponsor/Administrator

has failed to provide funds for the payment of benefits due;

- B. To process requests for claim payments that were received by it after termination of this Agreement;
- C. To process requests for claims payment for which full documentation does not arrive at PAI until after the termination of the Agreement;
- D. To issue checks after the termination date for requests for claim payment relative to conditions existing on or after such date.

9.4 All checks issued by PAI, which are outstanding upon the termination of this Agreement or issued thereafter in accordance with Section 9, paragraph 9.3, shall continue to be the responsibility and liability of the Plan Sponsor/Administrator. The Plan Sponsor/Administrator shall continue to be responsible and liable for the payment of all benefits and expenses under the Plan after the termination of this Agreement.

9.5 Notwithstanding anything herein to the contrary, if the Agreement is terminated for any reason the following applies:

- A. Termination of this Agreement will result in cessation of all administrative and claims services, upon the date of termination. However, when mutually agreeable the Plan Sponsor/Administrator can request an Administrative and Claims Service Agreement only, to allow for the orderly resolution of the incurred but not paid, pending claims (runout). This in no way will be construed as an extension of any insurance contracts that may exist. Such an agreement can be arranged for three months at a time (up to a total of 12 months), and the runout fees will be based on the administrative rates and number of enrollees on the invoice of the final month of the contract. The monthly runout fees will be determined at the time of contract termination. The monthly runout fees will be equal to 100% of the last contract month's administrative fees for the first three months, 50% of the last contract month's administrative fees for the fourth through sixth months, and 25% of the last contract month's administrative fees for the seventh through twelfth months. Any runout PPO network fees are not reduced quarterly in the same manner as the administrative fees. The runout fees will be payable in advance, unless otherwise agreed upon.
- B. PAI will deliver to the Plan Sponsor/Administrator, for a standard end-of-contract reporting fee of \$500.00, the following items after the termination of this Service Agreement:
 - 1. The Plan year-end closing documentation;
 - 2. A final accounting of all reimbursements made by the Excess Loss (Stop Loss) Carrier;
 - 3. All unused check stock;
 - 4. Copies of paperwork on outstanding reimbursements which was forwarded to Excess Loss (Stop Loss) Carrier;
 - 5. Claims submitted but not processed;
 - 6. All claims documentation and other materials utilized to process claims;
 - 7. A listing of all deductible and out-of-pocket accumulations;
 - 8. Any other documents or records for which PAI is responsible pursuant to the terms of this Agreement.
- C. The delivery of those items in the paragraph above to the Plan Sponsor/Administrator or its representative will release PAI of all further administrative, legal, financial and consultative responsibility of any ongoing or future actions that may be taken by claimants or providers of services, etc.

In Witness whereof, the Plan Sponsor/Administrator and PAI have executed this Agreement as of the day and year first above written.

 - A. Privacy of Protected Health Information.
 - i. PAI is permitted or required to use or disclose Protected Health Information ("PHI") it creates or receives for or from Plan Sponsor/Administrator's health plan or to request PHI on Plan Sponsor/Administrator's health plan's behalf as follows:
 - a. PAI is permitted to request the PHI on Plan Sponsor/Administrator's health plan's behalf, and to use and to disclose the Minimum Necessary PHI to perform functions, activities, or services for or on behalf of Plan Sponsor/Administrator's health plan, as specified in this Agreement.
 - b. PAI may use or disclose PHI it creates for or receives from Plan Sponsor/Administrator as necessary for data aggregation purposes. PAI may use the PHI for PAI's proper management and administration or to carry out PAI's legal responsibilities. PAI may disclose the PHI for PAI's proper management and administration or to carry out PAI's legal responsibilities only if:
 - 1) The disclosure is required by law; or
 - 2) PAI obtains reasonable assurances, in the form of a written contract, from any person or organization to which PAI will disclose PHI that the person or organization will hold such PHI in confidence and use or further disclose it only for the purpose for which PAI disclosed it to the person or organization or as required by law, and promptly notify PAI of any instance of which the person or organization becomes aware in which the confidentiality of such PHI was breached.
 - ii. PAI will develop, document, implement, maintain, and use appropriate administrative, technical, and physical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Plan Sponsor/Administrator's Electronic Protected Health Information that PAI creates, receives, maintains, or transmits on Plan Sponsor/Administrator's behalf as required by the HIPAA Security Rule and as required by the HITECH Act. PAI also shall develop and implement policies and procedures and meet the HIPAA Security Rule documentation requirements as required by the HITECH Act. PAI agrees to mitigate, to the extent practicable, any harmful effect that is known to PAI of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement.
 - iii. PAI will require any of its subcontractors and agents to provide reasonable assurance that such subcontractor or agent will comply with the same privacy and security obligations as PAI with respect to such PHI.
 - iv. PAI's use, disclosure or request of PHI shall utilize a limited data set if practicable. Otherwise, PAI will, in its performance of the functions, activities, services, and operations allowed or required by this Agreement, make reasonable efforts to use, to disclose, and to request of a covered entity only the minimum amount of Plan Sponsor/Administrator's PHI reasonably necessary to accomplish the intended purpose of the use, disclosure or request.
 - v. PAI will neither use nor disclose PHI except as permitted or required by this Exhibit, or as required by law.
 - B. Individual Rights.
 - i. PAI will, within a reasonable time after Plan Sponsor/Administrator's request, make available to Plan Sponsor/Administrator or, at Plan Sponsor/Administrator's direction, to the individual (or the individual's personal representative) for inspection and obtaining copies, any PHI about the individual that is in PAI's custody or control, so that Plan Sponsor/Administrator may meet its access obligations under 45 C.F.R. § 164.524.
 - ii. PAI will, upon receipt of notice from Plan Sponsor/Administrator, promptly amend any applicable portion of the PHI under 45 C.F.R. § 164.526.

iii. Disclosure Accounting.

- a. PAI will record information concerning each disclosure of PHI, not excepted from disclosure tracking under Section 1(b)(iii)(b) below, that PAI makes to Plan Sponsor/Administrator or a third party. For repetitive disclosures made by PAI to the same person or entity for a single purpose, PAI may provide (i) the disclosure information for the first of these repetitive disclosures; (ii) the frequency, periodicity or number of these repetitive disclosures; and (iii) the date of the last of these repetitive disclosures. PAI will make this disclosure information available to Plan Sponsor/Administrator within a reasonable time after Plan Sponsor/Administrator's request.
- b. PAI need not record disclosure information or otherwise account for disclosures of PHI that this Agreement or Plan Sponsor/Administrator in writing permits or requires: (i) for purposes of treating the individual who is the subject of the PHI disclosed, payment for that treatment, or for the healthcare operations PAI; (ii) to the individual who is the subject of the PHI disclosed or to that individual's personal representative; (iii) pursuant to a valid authorization by the person who is the subject of the PHI disclosed; (iv) to persons involved in that individual's healthcare or payment related to that individual's healthcare; (v) for notification for disaster relief purposes, (vi) for national security or intelligence purposes; (vii) as part of a limited data set; or (viii) to law enforcement officials or correctional institutions regarding inmates or other persons in lawful custody.
- c. PAI must have available for Plan Sponsor/Administrator the disclosure information required by Section 1(b)(iii)(a) above for the six (6) years preceding Plan Sponsor/Administrator's request for the disclosure information (except PAI need have no disclosure information for disclosures occurring before the effective date of the Agreement).
- iv. PAI will comply with any reasonable requests for restriction requests or confidential communications of which it is aware and to which Plan Sponsor/Administrator agrees pursuant to 45 C.F.R. § 164.522 (a) or (b).
- v. In addition to the obligations described above, PAI will provide such additional individual rights to access and accounting as mandated by and, where applicable, the HITECH Act. Specifically, PAI shall make such access information available in an electronic format where directed by Plan Sponsor/Administrator. In addition, PAI shall include within its accounting, disclosures for payment and health care operations purposes where such recording or accounting is required by the HITECH Act. PAI further shall provide any additional information to the extent required by the HITECH Act and any accompanying regulations.
- vi. Where PAI is contacted directly by an individual based on information provided to the individual by Plan Sponsor/Administrator and where so required by the HITECH Act and/or any accompanying regulations, PAI shall make such disclosure information available directly to the individual.
- vii. PAI will make its internal practices, books, and records, relating to its use and disclosure of PHI, available to the U.S. Department of Health and Human Services to determine Plan Sponsor/Administrator's compliance with 45 C.F.R. Parts 160-64 or the Agreement.

C. Other Plan Sponsor/Administrator Responsibilities.

- i. Plan Sponsor/Administrator shall promptly provide PAI with Plan Sponsor/Administrator's health plan's notice of privacy practices and any changes to such notice.
- ii. Plan Sponsor/Administrator shall provide PAI with any changes to, or revocation of, authorization by an individual to use or disclose PHI, to the extent such changes affect PAI's permitted or required uses and disclosures.

D. Breach of Privacy Obligations.

- i. PAI agrees to report to Plan Sponsor/Administrator any use or disclosure of PHI not provided for by this Agreement of which it becomes aware.
- ii. In the event Plan Sponsor/Administrator determines that PAI has materially breached this Section 1, Plan Sponsor/Administrator may terminate the Agreement upon thirty (30) days prior written notice to PAI and PAI fails to cure the breach within such thirty (30) day period.

- iii. **Obligations upon Termination.** Upon termination, cancellation, expiration or other conclusion of this Agreement, PAI will, at its sole discretion and if feasible, return to Plan Sponsor/Administrator or destroy all PHI. If PAI agrees to return Plan Sponsor/Administrator's PHI, all costs related to the return of such PHI will be paid by Plan Sponsor/Administrator. PAI may identify any PHI that cannot feasibly be returned to Plan Sponsor/Administrator or destroyed. PAI will limit its further use or disclosure of that PHI that is not returned or destroyed.
 - iv. If for any reason Plan Sponsor/Administrator determines that PAI has breached these terms and such breach has not been cured, but Plan Sponsor/Administrator determines that termination of the Agreement is not feasible, Plan Sponsor/Administrator may report such breach to the U.S. Department of Health and Human Services.
 - v. PAI will have the right to terminate this Agreement if Plan Sponsor/Administrator has engaged in a pattern of activity or practice that constitutes a material breach or violation of Plan Sponsor/Administrator's obligations regarding Plan Sponsor/Administrator's PHI and, on notice of such material breach or violation from PAI, fails to take reasonable steps to cure the breach or end the violation. If Plan Sponsor/Administrator fails to cure the material breach or end the violation within thirty (30) days after receipt PAI's notice, PAI may terminate this Agreement by providing Plan Sponsor/Administrator written notice of termination, stating the uncured material breach or violation that provides the basis for the termination and specifying the effective date of the termination. If for any reason PAI determines that Plan Sponsor/Administrator has breached the terms of this Section 1 and such breach has not been cured, but PAI determines that termination of this Agreement is not feasible, PAI may report such breach to the U.S. Department of Health and Human Services.
- E. The Plan Sponsor/Administrator, as the plan sponsor of its self-funded group health plan, has amended the plan document to comply with the requirements of 45 CFR Sections 164.314(b) and 164.504(f)(2).
- F. **Security Incident.** If PAI becomes aware of any Security Incident, PAI shall report the same in writing to Plan Sponsor/Administrator as provided below. PAI agrees to mitigate, to the extent practicable, any harmful effect resulting from such Security Incident.
- i. In determining how and how often PAI shall report to Plan Sponsor/Administrator in writing the Security Incidents required above, both Plan Sponsor/Administrator and PAI agree that unsuccessful attempts at unauthorized access or system interference occur frequently and that there is no significant benefit for data security from requiring the documentation and reporting of such unsuccessful intrusion attempts. In addition, both parties agree that the cost of documenting and reporting such unsuccessful attempts as they occur would outweigh any potential benefit gained from reporting them. Consequently, both Plan Sponsor/Administrator and PAI agree that this Agreement shall constitute the documentation, notice and written report of such unsuccessful attempts at unauthorized access or system interference as required above and by 45 C.F.R. Part 164, Subpart C and that no further documentation, notice or report of such attempts will be required. By way of example (and not limitation in any way), the Parties consider the following to be illustrative (but not exhaustive) of Unsuccessful Security Incidents when they do not result in unauthorized access, use, disclosure, modification, or destruction of e-PHI or interference with an information system:
 - a. **Pings on a Party's firewall,**
 - b. **Port scans,**
 - c. **Attempts to log on to a system or enter a database with an invalid password or username,**
 - d. **Denial-of-service attacks that do not result in a server being taken off-line, and**
 - e. **Malware (e.g., worms, viruses).**
 - ii. Otherwise, PAI will document as required by 45 C.F.R. Part 164, Subpart C and report to Plan Sponsor/Administrator any successful unauthorized access, use, disclosure, modification, or destruction of Plan Sponsor/Administrator's Electronic Protected Health Information of which PAI becomes aware if such security incident either (a) results in a breach of confidentiality; (b) results in a breach of integrity but only if such breach results in a significant, unauthorized alteration or destruction of Plan Sponsor/Administrator's Electronic Protected Health Information; or (c) results in a breach of availability of Plan

Sponsor/Administrator's Electronic Protected Health Information, but only if said breach results in a significant interruption to normal business operations. Such reports will be provided in writing within ten (10) business days after PAI becomes aware of the impact of such Security Incident upon Plan Sponsor/Administrator's Electronic Protected Health Information.

- G. In addition to any reporting obligations in this Agreement, PAI will report, following discovery and without unreasonable delay, but in no event later than sixty (60) days following discovery, any "Breach" of "Unsecured Protected Health Information" as these terms are defined by the HITECH Act and any implementing regulations. PAI agrees to mitigate, to the extent practicable, any harmful effect it knows to have resulted from Breach. Any such report shall include, to the extent possible, the identification (if known) of each individual whose Unsecured Protected Health Information has been, or is reasonably believed by PAI to have been, accessed, acquired, or disclosed during such Breach, along with any other information required to be reported under the HITECH Act and any accompanying regulations.
 - H. Plan Sponsor/Administrator represents and certifies that it is solely responsible for and has obtained consent from all members authorizing the release of PHI by PAI to Plan Sponsor/Administrator or, the Plan Sponsor/Administrator otherwise has the legal authority to review, access, and /or use such information.
 - I. Plan Sponsor/Administrator will only use claims information provided by PAI to administer the Plan Sponsor/Administrator's group health plan. This may include auditing, monitoring and evaluating the costs and performance PAI and the Plan Sponsor/Administrator's health plan. Plan Sponsor/Administrator will not use any information provided by PAI for any improper or illegal or unauthorized purpose.
 - J. PAI is prohibited from releasing alcohol and drug abuse patient information protected under 42 U.S.C. § 290dd-2(a) to Plan Sponsor/Administrator.
 - K. If the Plan Sponsor/Administrator accesses the Benefit Coordinator features of the PAI website, it will ensure that Protected Health Information is only accessed while the individual whose information is being accessed is present or such individual has otherwise consented to such access.
 - L. Plan Sponsor/Administrator will protect and safeguard the integrity, privacy and confidentiality of all Protected Health Information in accordance with all federal and state laws, regulations and guidelines governing and applicable to Protected Health Information. Plan Sponsor/Administrator will only use or further disclose Protected Health Information for the purpose for which PAI disclosed it to the Plan Sponsor/Administrator or as required by law, and will promptly notify PAI of any instance of which the person or organization becomes aware in which the confidentiality of such PHI was breached.
 - M. If Plan Sponsor/Administrator requests that PAI disclose Protected Health Information to a third party, Plan Sponsor/Administrator agrees that it will indemnify and hold PAI harmless from any consequences from such disclosure. Plan Sponsor/Administrator will not require PAI to disclose information to any third party until such third party has executed PAI's disclosure agreement.
2. Compliance with Standard Transactions. For purposes of this Section 2, any reference to Plan Sponsor/Administrator shall include any group health plan administrated pursuant to this Agreement. If Plan Sponsor/Administrator conducts, in whole or part, Standard Transactions for or on behalf of Plan Sponsor/Administrator's health plan, Plan Sponsor/Administrator will comply, and will require any subcontractor or agent involved with the conduct of such Standard Transactions to comply, with 45 C.F.R. Part 162. All Standard Transactions submitted by the Plan Sponsor/Administrator or its subcontractors must be in a format that is acceptable to PAI.

ABOUT YOUR PLAN

Because of the dramatic increase in the cost of medical care, group health Plans encourage and reward those covered individuals who are selective in their purchase of medical services.

Please review this booklet, which describes your health Plan. Be a selective medical consumer and assume the major role in keeping the cost of medical services at a minimum.

Your Plan Sponsor has established a comprehensive Group Health Plan (“Plan”) for its Employees. In connection with the Plan, your Plan Sponsor has retained the services of *Planned Administrators, Inc.* (“PAI”) (a third-party administrator) to process and pay health claims and to provide administrative services in connection with the operation of this Plan of Benefits. PAI has contracted with **BlueCross BlueShield of South Carolina Preferred Blue, First Health and First Health Travel** as the Preferred Provider Organizations (“PPOs”).

You will receive maximum Benefits when you use Providers who participate in the PPO Program (the term “PPO Providers” is explained further below) and when you obtain authorization (when required) for services. You will pay more if you do not use PPO Providers or if you do not obtain prior authorization (unless it is an emergency). This information explains how to obtain authorization for services or supplies covered under this Plan.

It is your responsibility to ensure that your Provider is a PPO Provider. You should verify your Provider’s status before services are rendered. To verify whether your Provider is a PPO Provider, you may:

- Ask the Provider if they participate in the PPO program referenced above.
- See the appropriate website for Provider information. Link available on www.paisc.com.
- Call PAI.*

* The methods of verifying PPO participation may have timing differences between when a Provider is participating in the PPO or terminating from the PPO. The preferable method of obtaining the most correct information is to ask your Provider.

For South Carolina Employees, the BlueCross BlueShield Preferred Blue Network is the PPO for this Group Health Plan. For Employees living outside of South Carolina, the PPO is First Health. Employees traveling outside of their home networks will have access to First Health Travel.

PPO Providers include Hospitals, Skilled Nursing Facilities, Home Health Agencies, hospices, doctors and other Providers of medical services and supplies (as listed in the Definitions section) that have a written agreement with the PPO. Under their agreement with the PPO, PPO Providers will:

- File all claims for Benefits or supplies with PAI;
- Ask you to pay only the Deductible, per occurrence Copays and Coinsurance amounts, if any, for Benefits;
- Accept the preferred allowance as payment in full for Covered Expenses;
- Make sure that all necessary approvals are obtained from the Medical Services Department.

Non-PPO Providers include Hospitals, Skilled Nursing Facilities, Home Health Agencies, hospices, doctors and other Providers of medical services and supplies that are not under contract with the PPO. Non-PPO Providers can bill you their total charge. They may ask you to pay the total amount of their charges at the time you receive services or supplies, or to file your own claims, and you will need to obtain any necessary approvals for benefits to be paid. In addition to Deductibles and Coinsurance, you are responsible for the difference between the Non-PPO Provider’s charge and the Allowed Amount for Covered Expenses.

Although Benefits typically are reduced when you use a Non-PPO Provider, Benefits provided by a Non-PPO Provider will be covered at the PPO Provider level under these circumstances:

- In the event treatment is for an Emergency Medical Condition as defined in this Plan of Benefits and PPO Provider care is not available;
- For Dependents living out of state;
- For treatment by a Specialist when a PPO Provider Specialist is not available;
- For Non-PPO Provider ancillary services rendered in a PPO Provider Hospital, and/or
- The Participant requires a transplant and the transplant is performed at a Centers of Excellence (COE) facility.

Out-of-area Emergency Provision—If a Participant receives care for an Emergency Medical Condition from a Non-Participating Provider, the Plan will pay for Benefits at a PPO Provider level of Benefits if all of these conditions are met:

- You were traveling for reasons other than seeking medical care when the Emergency Medical Condition occurred.
- You were treated for an Accidental injury or new Emergency Medical Condition.

Benefits under this provision are subject to the Deductibles or Copays, Coinsurance and all Plan of Benefits maximums, limits and exclusions.

If you have claims that meet all of these conditions, write or call PAI. PAI will review your claims to determine if additional Benefits can be provided.

Customer Service

PAI is committed to helping you understand your coverage and obtain maximum Benefits on your claims. If you have questions about your coverage, you may call or write PAI at:

Planned Administrators, Inc.
Attn: Claims
P.O. Box 6927
Columbia, SC 29260
800-768-4375
www.paisc.com

Once a claim has been processed, you will have access to an Explanation of Benefits (EOB) at www.paisc.com or by contacting customer service. An EOB also will be mailed to you. The EOB explains who provided the care, the kind of service or supply received, the amount billed, the Allowed Amount, the Coinsurance rate and the amount paid. It also shows Benefit Year Deductible information and the reasons for denying or reducing a claim.

Time Limits to File a Claim

Claims should be filed within 180 days of the date charges were incurred. Benefits are based on the Plan's provisions at the time the charges were incurred. Claims filed later than that date will be decline unless:

- a. it is not reasonably possible to submit the claim in that time;
- b. the claim is submitted within one year from the incurred date. This one year period will only apply when the person is not legally capable of submitting the claim, and the Plan Administrator has final authority to decide whether there is sufficient cause for a claim to be considered beyond the 180 day filing limit.

Authorized Representatives and Representatives designated under Health Insurance Portability and Accountability Act of 1996 (HIPAA)

Unless expressly permitted by law, you and your Dependent's PHI generally cannot be released to any other person without your or your Dependent's consent. Nevertheless, there are instances when you may want someone to discuss your PHI with PAI or receive an Explanation of Benefits etc. to manage your care. In order to comply with applicable laws and also to comply with your request, you must sign a written authorization form. To obtain a copy of the form, please log in to your Member page at www.paisc.com and click on the Forms tab where you will find the PAI HIPAA Forms option. You can print this form and mail to the PAI address, or you can call 800-768-4375 for a copy of the form.

A Provider may be considered a Participant's authorized representative without a specific designation by the Participant when the claim request is for an Urgent Care Claim. A Provider may be a Participant's authorized representative with regard to non-Urgent Care Claims for Benefits or an appeal of an Adverse Benefit Determination only when the Participant gives the Plan supervisor a specific written designation in a format that is reasonably acceptable to PAI to act as an authorized representative. All information and notifications will continue to be directed to the Participant unless the Participant gives contrary directions.

This Plan Sponsor believes this Plan of Benefits is a "grandfathered health Plan" under the Affordable Care Act ("ACA"). As permitted by ACA, a grandfathered health Plan can preserve certain basic health coverage that already was in effect when that law was enacted. Being a grandfathered health Plan means that this Plan of Benefits may not include certain consumer protections of ACA that apply to other Plans; for example, the requirement for the provision of preventive health services without any cost sharing. Nevertheless, grandfathered health Plans must comply with certain other consumer protections in ACA; for example, the elimination of lifetime limits on Benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health Plan and what might cause a Plan to change from grandfathered health Plan status can be directed to the Plan Administrator at the number on your Identification Card. For ERISA Plans, the Participant also may contact the Employee Benefits Security Administration, U.S. Department of Labor, at 866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health Plans.

PREAUTHORIZATION

To receive the maximum Benefits, certain types of services and equipment and all Admissions require Preauthorization in order to be covered under the Plan. Depending on the type of service, either the BlueCross BlueShield of South Carolina Medical Review Department or Companion Benefit Alternatives, Inc. (“CBA”) must give advance authorization for the services and equipment that require Preauthorization and for all Admissions.

All Admissions and some Benefits (as indicated herein or on the Schedule of Benefits) require Preauthorization to determine the Medical Necessity of such Admission or Benefit. The Group Health Plan reserves the right to add or remove Benefits that are subject to Preauthorization. Each Participant is responsible for obtaining Preauthorization and the appropriate review. If Preauthorization is not obtained for an Admission or outpatient services and the Participant is still admitted, Benefits may be reduced (up to and including denial of all or a portion of the room and board charges associated with the Admission) as listed on the Schedule of Benefits. If a PPO fails to obtain Preauthorization, they are required to write off this reduced amount and cannot bill the Participant for this amount. The Participant is responsible for obtaining Preauthorization for Admission to a Non-PPO Provider facility, and the Participant will be responsible for any penalty or reduction in payable charges as stated in the Schedule of Benefits if approval is not obtained. Preauthorization is obtained through these procedures:

1. For all Admissions that are not the result of an Emergency Medical Condition, Preauthorization is granted or denied in the course of the Preadmission Review.
2. For all Admissions that result from an Emergency Medical Condition, Preauthorization is granted or denied in the course of the Emergency Admission Review.
3. For Admissions that are anticipated to require more days than approved through the initial review process, Preauthorization is granted or denied for additional days in the course of the Continued Stay Review.
4. For specific Benefits that require Preauthorization, Preauthorization is granted or denied in the course of the Preauthorization process.
5. For items requiring Preauthorization, the Medical Review Department or CBA must be called at the numbers listed below or on the Identification Card.

Items requiring Preauthorization are listed on the Schedule of Benefits.

Who to Call for Preauthorization

For Preauthorization for medical care, call the BlueCross BlueShield of South Carolina Medical Review Department at 800-652-3076.

For Preauthorization for Inpatient Mental Health Services, Mental Health Conditions or Substance Use Services, call CBA at 800-868-1032. CBA is a Mental Health and Substance Use subsidiary of BlueCross BlueShield of South Carolina.

If you are unsure if Preauthorization is required, call PAI customer service. Nevertheless, customer service representatives cannot give approval for services.

These numbers also are on the back of your Identification Card. Be sure to keep your Identification Card with you at all times, since you never know when you may need to reach us.

When you call for Preauthorization, you will be asked for this information:

- Your name and ID number
- Participant’s Employer
- The patient’s name and relationship to you
- The Provider’s name, address and phone number
- If applicable, the Hospital or Skilled Nursing Facility’s name, address and phone number
- The reason the requested service, supply or Admission is necessary

After careful review, your Physician and Hospital will be notified whether the service, supply or Admission is approved as Medically Necessary and how long the approval is valid.

If you are or a Dependent is undergoing a human organ and/or tissue Transplant, written approval must be obtained in advance and the procedure must be done at a facility that PAI designates. **If PAI does not pre-approve these services in writing** or they are not done by a Provider PAI designates, then this Plan will not pay any Benefits.

If your Physician recommends services and supplies for you or your Dependent for any reason, make sure you tell your Physician that your health insurance Plan requires Preauthorization. Participating Providers will be familiar with this requirement and will get the necessary approvals.

Please note that if your claim for services or Benefits is denied, you may request further review under the guidelines set out in the Claims Filing and Appeal Procedures section of this booklet. Remember that a denial of a Preauthorization is a denied claim for purposes of an appeal.

CLAIMS FILING AND APPEAL PROCEDURES

A. CLAIMS FILING PROCEDURES

1. Where a Participating Provider renders services, generally the Participating Provider should either file the claim on a Participant's behalf or provide an electronic means for the Participant to file a claim while the Participant is in the Participating Provider's office. Nevertheless, the Participant is responsible for ensuring that the claim is filed.
2. Written notice of receipt of services on which a claim is based must be furnished to PAI, at its address listed in this booklet, within twenty (20) days of the beginning of services, or as soon thereafter as is reasonably possible. Failure to give notice within the time does not invalidate nor reduce any claim if the Participant can show that it was not reasonably possible to give the notice within the required time frame and if notice was given as soon as reasonably possible. Upon receipt of the notice, PAI will furnish or cause a claim form to be furnished to the Participant. If the claim form is not furnished within fifteen (15) days after PAI receives the notice, the Participant will be deemed to have complied with the requirements of this Plan of Benefits as to proof of loss. The Participant must submit written proof covering the character and extent of the services within this Plan of Benefits' time fixed for filing proof of loss.
3. For Benefits not provided by a Participating Provider, the Participant is responsible for filing claims with PAI. When filing the claims, the Participant will need:
 - a. A claim form for each Participant. Participants can get claim forms from PAI at the telephone number indicated on the Identification Card or via the website, www.paisc.com.
 - b. Itemized bills from the Provider(s). These bills should contain the:
 - i. Provider's name and address;
 - ii. Participant's name and date of birth;
 - iii. Participant's Identification Card number;
 - iv. Description and cost of each service;
 - v. Date that each service took place;
 - vi. Description of the illness or injury and diagnosis.
 - c. Participants must complete each claim form and attach the itemized bill(s) to it. If a Participant has other insurance that already paid on the claim(s), the Participant also should attach a copy of the other Plan's Explanation of Benefits notice.
 - d. Participants should make copies of all claim forms and itemized bills for the Participant's records, since they will not be returned. Claims should be mailed to PAI's address listed on the claim form.
4. PAI must receive the claim within ninety (90) days after the beginning of services. Failure to file the claim within the ninety (90) day period, however, will not prevent payment of Covered Expenses if the Participant shows it was not reasonably possible to file the claim timely, provided the claim is filed as soon as is reasonably possible. Except in the absence of legal capacity, claims must be filed no later than twelve (12) months following the date services were received.
5. Receipt of a claim by PAI will be deemed written proof of loss and will serve as written authorization from the Participant to PAI to obtain any medical or financial records and documents useful to the Plan of Benefits. The Plan of Benefits, however, is not required to obtain any additional records or documents to support payment of a claim and is responsible to pay claims only on the basis of the information supplied at the time the claim was processed. Any party who submits medical or financial reports and documents to PAI in support of a Participant's claim will be deemed to be acting as the agent of the Participant. If the Participant desires to appoint an Authorized Representative in connection with such Participant's claims, the Participant should contact PAI for an Authorized Representative form.

6. There are four (4) types of claims: Pre-Service Claims, Urgent Care Claims, Post-Service Claims, and Concurrent Care Claims. The Group Health Plan will make a determination for each type of claim within these time periods:
 - a. Pre-Service Claim
 - i. A determination will be provided in writing or in electronic form within a reasonable period of time, appropriate to the medical circumstances, but no later than fifteen (15) days from receipt of the claim.
 - ii. If a Pre-Service Claim is improperly filed, or otherwise does not follow applicable procedures, the Participant will be sent notification within five (5) days of receipt of the claim.
 - iii. An extension of fifteen (15) days is permitted if PAI (on behalf of the Group Health Plan) determines, for reasons beyond the control of PAI, an extension is necessary. If an extension is necessary, PAI will notify the Participant within the initial fifteen (15) day time period that an extension is necessary, the circumstances requiring the extension, and the date PAI expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Participant will have at least forty-five (45) days to provide the required information. If PAI does not receive the required information within the forty-five (45) day time period, the claim will be denied. PAI will make its determination within fifteen (15) days of receipt of the requested information, or, if earlier, the deadline to submit the information. If PAI receives the requested information after the forty-five (45) days, but within two hundred twenty-five (225) days, the claim will be reviewed as a first-level appeal. Reference the Claims Filing and Appeal Procedures section, B. Appeal Procedures for an Adverse Benefit Determination, for details regarding the appeals process.
 - b. Urgent Care Claim
 - i. A determination will be sent to the Participant in writing or in electronic form as soon as possible, taking into account the medical exigencies, but no later than seventy-two (72) hours from receipt of the claim.
 - ii. If the Participant's Urgent Care Claim is determined to be incomplete, the Participant will be sent a notice to this effect within twenty-four (24) hours of receipt of the claim. The Participant then will have forty-eight (48) hours to provide the additional information. Failure to provide the additional information within forty-eight (48) hours may result in the denial of the claim.
 - iii. If the Participant requests an extension of Urgent Care Benefits beyond an initially determined period and makes the request at least twenty-four (24) hours prior to the expiration of the original determination period, the Participant will be notified within twenty-four (24) hours of receipt of the request for an extension.
 - c. Post-Service Claim
 - i. A determination will be sent within a reasonable time period, but no later than thirty (30) days from receipt of the claim.
 - ii. An extension of fifteen (15) days may be necessary if PAI (on behalf of the Group Health Plan) determines, for reasons beyond the control of PAI, an extension is necessary. If an extension is necessary, PAI will notify the Participant within the initial thirty (30) day time period that an extension is necessary, the circumstances requiring the extension, and the date PAI expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Participant will have at least forty-five (45) days to provide the required information. If PAI does not receive the required information within the forty-five (45) day time period, the claim will be denied. PAI will make its determination within fifteen (15) days of receipt of the requested information, or, if earlier, the deadline to submit the information. If PAI receives the requested information after the forty-five (45) days, but within two hundred twenty-five (225) days, the claim will be reviewed as a first-level appeal. Reference the Claims Filing and Appeal Procedures section, B. Appeal Procedures for an Adverse Benefit Determination, for details regarding the appeals process.

d. Concurrent Care Claim

The Participant will be notified if there is to be any reduction or termination in coverage for ongoing care sufficiently in advance of such reduction or termination to allow the Participant time to appeal the decision before the Benefits are reduced or terminated.

7. Notice of Determination

- a. If the Participant's claim is filed properly, and the claim is in part or wholly denied, the Participant will receive notice of an Adverse Benefit Determination. This notice will:
 - i. State the specific reason(s) for the Adverse Benefit Determination;
 - ii. Reference the specific Plan of Benefits provisions on which the determination is based;
 - iii. Describe additional material or information, if any, needed to complete the claim and the reasons such material or information is necessary;
 - iv. Describe the claims review procedures and the Plan of Benefits and the time limits applicable to such procedures, including a statement of the Participant's right to bring a civil action under section 502(a) of ERISA following an Adverse Benefit Determination on review;
 - v. Disclose any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination (or state that such information is available free of charge upon request);
 - vi. If the reason for denial is based on a lack of Medical Necessity, or Experimental or Investigational services exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request).
- b. The Participant will also receive a notice if the claim is approved.

B. APPEAL PROCEDURES FOR AN ADVERSE BENEFIT DETERMINATION

1. The Participant has one hundred eighty (180) days from receipt of an Adverse Benefit Determination to file an appeal. An appeal must meet these requirements:
 - a. An appeal must be in writing;
 - b. An appeal must be sent (via U.S. mail or FAX) at the address or FAX number below:

Planned Administrators, Inc.
Attention: Appeals
P.O. Box 6927
Columbia, SC 29260
FAX 803-870-8012
 - c. The appeal request must state that a formal appeal is being requested and include all pertinent information regarding the claim in question;
 - d. An appeal must include the Participant's name, address, identification number and any other information, documentation or materials that support the Participant's appeal.
2. The Participant may submit written comments, documents, or other information in support of the appeal, and will (upon request) have access to all documents relevant to the claim. A person other than the person who made the initial decision will conduct the appeal. No deference will be afforded to the initial determination.
3. If the appealed claim involves an exercise of medical judgment, the Plan Sponsor will consult with an appropriately qualified health care practitioner with training and experience in the relevant field of medicine. If a health care professional was consulted for the initial determination, a different health care professional will be consulted on the appeal.

4. The final decision on the appeal will be made within the time periods specified below:
 - a. Pre-Service Claim

PAI (on behalf of the Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than thirty (30) days after receipt of the appeal.
 - b. Urgent Care Claim

The Participant may request an expedited appeal of an Urgent Care Claim. This expedited appeal request may be made orally, and the Plan Sponsor will communicate with the Participant by telephone or facsimile. The Plan Sponsor will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than seventy-two (72) hours after receipt of the request for an expedited appeal.
 - c. Post-Service Claim

PAI (on behalf of the Group Health Plan) will decide the appeal within a reasonable period of time, but no later than sixty (60) days after receipt of the appeal.
 - d. Concurrent Care Claim

The Plan Sponsor will decide the appeal of Concurrent Care Claims within the time frames set forth in the Claims Filing and Appeal Procedures section, B. Appeal Procedures for an Adverse Benefit Determination, item 4 a.-c., depending on whether such claim also is a Pre-Service Claim, an Urgent Care Claim or a Post-Service Claim.
5. Notice of Final Internal Appeals Determination
 - a. If a Participant's appeal is denied in whole or in part, the Participant will receive notice of an Adverse Benefit Determination.
 - i. State specific reason(s) for the Adverse Benefit Determination;
 - ii. Reference specific provision(s) of the Plan of Benefits on which the Benefit determination is based;
 - iii. State that the Participant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the claim for Benefits;
 - iv. Disclose and provide any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination
 - v. If the reason for an Adverse Benefit Determination on appeal is based on a lack of Medical Necessity, or Experimental or Investigational services or other limitation or exclusion, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - vi. Include a statement regarding the Participant's right to request an external review;
 - vii. Include a statement regarding the Participant's right to bring an action under section 502(a) of ERISA.
 - b. The Participant will also receive a notice if the claim on appeal is approved.
6. The Plan Sponsor may retain PAI to assist the Plan Sponsor in making the determination on appeal. Regardless of its assistance, PAI is acting only in an advisory capacity and is not acting in a fiduciary capacity. The Plan Sponsor at all times retains the right to make the final determination.

C. EXTERNAL REVIEW PROCEDURES

1. After a Participant has completed the appeal process, a Participant may be entitled to an additional, external review of the Participant's claim at no cost to the Participant. An external review may be used to reconsider the Participant's claim if PAI has denied, either in whole or in part, the Participant's claim. In order to qualify for external review, the claim must have been denied, reduced, or terminated.

2. After a Participant has completed the appeal process (and an Adverse Benefit Determination has been made), such Participant will be notified in writing of such Participant's right to request an external review. The Participant should file a request for external review within four (4) months of receiving the notice of PAI's decision on the Participant's appeal. In order to receive an external review, the Participant will be required to authorize the release of such Participant's medical records (if needed in the review for the purpose of reaching a decision on Participant's claim).
3. Within six (6) business days of the date of receipt of a Participant's request for an external review, PAI will respond by either:
 - a. Assigning the Participant's request for an external review to an Independent Review Organization and forwarding the Participant's records to such organization;
 - b. Notifying the Participant in writing that the Participant's request does not meet the requirements for an external review and the reasons for PAI's decision.

5. Expedited external reviews are available if the Participant's Physician certifies that the Participant has a serious medical condition. A serious medical condition, as used in the Claims Filing and Appeal Procedures section, C. External Review Procedures, item 5, means one requires immediate medical attention to avoid serious impairment to body functions, serious harm to an organ or body part, or would place the Participant's health in serious jeopardy. If the Participant may be held financially responsible for the treatment, a Participant may request an expedited review of PAI's decision if PAI's denial of Benefits involves Emergency Medical Care and the Participant has not been discharged from the treating Hospital.

Benefits provided under this section are subject to all other Plan of Benefits provisions. Alternative care will be determined on the merits of each individual case, and any care or treatment provided will not be considered as setting any precedent or creating any future liability with respect to that Participant or any other Participant. MEDICARE PART D NOTICE

The prescription benefits offered by this Benefit Plan are considered “Creditable” for purposes of the CMS/Medicare Part D drug benefit option. This means that the Benefits offered by this Plan are generally the same as, or better than, what would be available under an approved Part D drug option plan. The determination that this Plan’s drugs coverage is “Creditable” is important. As such, if you participate in this Plan’s prescription drug Benefit program, and are also eligible for CMS/Medicare coverage but do not elect a CMS/Medicare Part D option, CMS/Medicare will not penalize you with higher premiums should you elect to participate in such a program in the future.

It is important to note that the “Creditable” coverage provided by this Plan could be forfeited in the event there is a break in coverage of 63 days or more before enrolling in an approved Part D plan.

MEDICAL BENEFITS

A. Payment

The payment of Covered Expenses for Benefits is subject to all terms and conditions of the Plan of Benefits and the Schedule of Benefits. In the event of a conflict between the Plan of Benefits and the Schedule of Benefits, the Schedule of Benefits controls. Covered Expenses will be paid only for Benefits:

2. Performed or provided prior to termination of coverage;
3. Provided by a Provider, within the scope of his or her license;

All air ambulance services will be individually considered for Medical Necessity, and prior authorization should be obtained if possible.

The days during which the Participant is not physically present for inpatient care are not counted as inpatient days;

 - i. Evaluating the organ or tissue;
 - ii. Removing the organ or tissue from the donor.

The Plan will always pay secondary to any other coverage for the organ or tissue donor, however, if no coverage is available for the donor then benefits will be considered under the recipient's coverage and subject to the recipient's deductible and coinsurance. If the donor and recipient are both covered under this Plan the donor's charge will be considered as incurred by the recipient.

This Plan will **not** pay benefits for Travel or Lodging expenses.

Transplant arrangements are often assisted by Utilization Review, and at times Transplant facilities may or may not participate in one of the approved Preferred Provider Organizations (PPO). If the Utilization Review Coordinator assists in arranging services with an out-of-network facility (and usually is able to negotiate a discount in the process) then network benefit levels will be utilized when benefit payments are issued. If, however, Utilization review approves the Transplant procedure, but the patient chooses to have the service rendered in a non-network facility that is other than that recommended by Utilization review, then the benefits will be paid at the out-of-network benefit level.

Preauthorization by Cost Management/Utilization Review is mandatory for Transplant Coverage to be in effect (except for Cornea transplants).

The Plan of Benefits will not restrict Benefits for any length of Hospital stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following a vaginal delivery (not including the day of delivery), or less than ninety-six (96) hours following a cesarean section (not including the day of surgery). Nothing in this paragraph prohibits the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than the specified time frames or from requesting additional time for hospitalization. In any case, PAI may not require that a Provider obtain authorization from PAI for prescribing a length of stay not in excess of forty-eight (48) or ninety-six (96) hours as applicable. Nevertheless, Preauthorization is required to use certain Providers or facilities, or to reduce out-of-pocket costs.

3. The date an Employee ceases to be eligible for coverage as set forth in the Eligibility Section.
4. The last day of the month in which an Employee is no longer Actively at Work or the end of the period for which the required premium has been paid, except that a qualified Employee (as qualified under the Family and Medical Leave Act of 1993) may be considered Actively at Work during any leave taken pursuant to the Family and Medical Leave Act of 1993.
5. In addition to terminating when an Employee's coverage terminates, a Dependent spouse's coverage terminates on the date of entry of a court order ending the marriage between the Dependent spouse and the Employee regardless of whether such order is subject to appeal.
6. In addition to terminating when an Employee's coverage terminates, a Child's coverage terminates when that individual no longer meets the definition of a Dependent under the Group Health Plan.
7. In addition to terminating when an Employee's coverage terminates, an Incapacitated Dependent's coverage terminates when that individual no longer meets the definition of an Incapacitated Dependent.
8. Death of the Employee.

B. TERMINATION FOR FAILURE TO PAY PREMIUMS

1. If a Participant fails to pay the Premium during the Grace Period, such Participant shall automatically be terminated from participation in the Group Health Plan, without prior notice to such Participant.
2. In the event of termination for failure to pay Premiums, Premiums received after termination will not automatically reinstate the Employee in participation under the Group Health Plan absent written agreement by the Plan Sponsor. If the Employee's participation in the Group Health Plan is not reinstated, the late Premium will be refunded to the Employee.

C. TERMINATION WHILE ON LEAVE

During an Employee's leave of absence that is taken pursuant to the Family and Medical Leave Act, the Plan Sponsor must maintain the same health Benefits as provided to Employees not on leave. The Employee must continue to pay his or her portion of the Premium. If Premiums are not paid by an Employee, coverage ends as of the due date of that Premium contribution.

D. TERMINATION DUE TO A RESCISSION OF COVERAGE

In the event that a Participant:

1. Performs an act, practice, or omission that constitutes fraud;
2. Makes an intentional misrepresentation of material fact,

The Participant's coverage under this Plan of Benefits will terminate retroactively at one of these times:

1. If event occurs upon application for participation in the Plan, the Participant's coverage will be void from the time of his/her effective date;
2. If event occurs at any other time, the Participant's coverage will terminate retroactively to the date of the event occurrence, as outlined above.

In the event your coverage is rescinded, you will be given 30 days' advance written notice of the Rescission as well as the retroactive effective date. Any Premiums paid will be returned once the Plan Administrator deducts

the amount for any claims paid.

A Participant has an internal appeal right following written notice of a Rescission of coverage as outlined within the Claims Filing and Appeal Procedures section of this document.

E. NOTICE OF TERMINATION TO PARTICIPANTS

Other than as expressly required by law, if the Group Health Plan is terminated for any reason, the Plan Sponsor is solely responsible for notifying all Participants of such termination and that coverage will not continue beyond the termination date.

F. REINSTATEMENT

The Group Health Plan in its sole discretion (and upon such terms and conditions as any stop-loss carrier or the Plan Sponsor may determine) may reinstate coverage under the Group Health Plan that has been terminated for any reason. If a Participant's coverage (and including coverage for the Participant's Dependents) for Covered Expenses under the Group Health Plan terminates while the Participant is on leave pursuant to the Family and Medical Leave Act because the Participant fails to pay such Participant's Premium, the Participant's coverage will be reinstated without new probationary periods if the Participant returns to work immediately after the leave period, re-enrolls and, within thirty-one (31) days following such return, pays all such Employee's portion of the past due amount and then current Premium.

G. PLAN SPONSOR IS AGENT OF PARTICIPANTS

By accepting Benefits, a Participant agrees that the Plan Sponsor is the Participant's agent for all purposes of any notice under the Group Health Plan. The Participant further agrees that notifications received from, or given to, the Plan Sponsor by PAI are notification to the Employees except for any notice required by law to be given to the Participants by PAI.

H. PERSONNEL POLICIES

Except as required under the Family and Medical Leave Act or the Uniformed Services Employment and Reemployment Rights Act, the Plan Sponsor's current personnel policies regarding Waiting Periods, continuation of coverage, or reinstatement of coverage shall apply during these situations: Plan Sponsor-certified disability, leave of absence, layoff, reinstatement, hire or rehire.

I. RETURN TO WORK

An Employee who returns to work **within six (6) months** of a layoff or an approved leave of absence will retain the same insurance status as prior to the said date, provided any required contributions have been paid in full. No new eligibility Waiting Period will apply unless these conditions were still to be met at the time of layoff or leave of absence.

An Employee who returns to work **after six (6) months** of an approved leave of absence or layoff will be considered a new Employee and will be subject to all eligibility requirements, including all requirements relating to the Effective Date of coverage (except as provided under the provision entitled "status change").

J. STATUS CHANGE

If an Employee or Dependent has a status change while covered under this Plan of Benefits (i.e. Employee to Dependent, COBRA to active) and no interruption in coverage has occurred, the Plan of Benefits will allow continuity of coverage with respect to any Waiting Period.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

In the case of a Participant who is receiving Covered Expenses in connection with a mastectomy, the Group Health Plan will pay Covered Expenses for each of these (if requested by such Participant):

- A. Reconstruction of the breast on which the mastectomy has been performed;
- B. Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- C. Prosthesis and physical complications at all stages of mastectomy, including lymphedemas.

The Plan of Benefits' Benefit Year Deductible and Copay will apply to these Benefits.

FAMILY AND MEDICAL LEAVE ACT ("FMLA")

The Group Health Plan must comply with FMLA as outlined in the regulations issued by the U.S. Department of Labor. During any leave taken under the FMLA, the Plan Sponsor will maintain coverage under this Plan of Benefits on the same basis as coverage would have been provided if the Employee had been continuously employed during the entire leave period.

In general, eligible Employees may be entitled to:

Twelve workweeks of leave in a 12-month period for:

- the birth of a Child and to care for the newborn Child within one year of birth;
- the placement with the Employee of a Child for adoption or foster care and to care for the newly placed Child within one year of placement;
- to care for the Employee's spouse, Child, or parent who has a serious health condition;
- a serious health condition that makes the Employee unable to perform the essential functions of his or her job;
- any qualifying exigency arising out of the fact that the Employee's spouse, son, daughter, or parent is a covered military member on "covered active duty;" or

Twenty-six workweeks of leave in a single 12-month period to care for a covered service member with a serious injury or illness of a service member spouse, son, daughter, parent, or next of kin to the Employee (military caregiver leave).

An extension up to 12-weeks may be authorized by Department Heads when medical documentation is provided. The additional leave will be allowed only for Employees with no active or unresolved discipline issues in place.

CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985

The Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) requires that Plan Sponsors allow these categories of eligible people continue coverage under the Group Health Plan after such individuals would ordinarily not be eligible.

You also may have other options available when you lose this coverage. For example, you may be eligible to enroll into an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. (For more information about the Marketplace, visit www.HealthCare.gov). Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally does not accept late enrollees.

If you decide to continue this coverage, it is available for a period of up to 18, 29 or 36 months, depending on the circumstances:

- A. 18 months for Employees whose working hours are reduced – during a non-FMLA leave of absence or when an Employee changes from full-time to part-time – and any family members who also lose coverage for this reason;
- B. 18 months for Employees who voluntarily quit work and any family members who also lose coverage for this reason;
- C. 18 months for Employees who are part of a layoff and any family members who also lose coverage for this reason;
- D. 18 months for Employees who are fired, unless the firing is due to gross misconduct of the Employee, and any family members who also lose coverage for this reason;
- E. 29 months for Employees and all covered Dependents who are determined to be disabled under the Social Security Act before or during the first sixty (60) days after termination of employment or reduction of hours of employment. Notice of the Social Security Disability determination must be given to the Plan Sponsor within 60 days of the determination of disability and before the end of the first 18 months of continuation of coverage. Nevertheless, if the determination was prior to termination, the Notice can be provided with COBRA election form in order to secure the extension;
- F. 36 months for Employees’ widows or widowers and their Dependent Children;
- G. 36 months for separated (in states where legal separation is recognized) or divorced husbands or wives of the Employee and their Dependent Children;
- H. 36 months for Dependent Children who lose coverage under the Plan of Benefits because they no longer meet the Plan’s definition of a Dependent Child;
- I. 36 months for Dependents who are not eligible for Medicare when the Employee is eligible for Medicare and no longer has coverage with the Plan Sponsor;
- J. For Plans providing coverage for retired Employees and their Dependents, a special rule applies for such persons who would lose coverage due to the Plan Sponsor filing for Title 11 Bankruptcy. (Loss of coverage includes a substantial reduction of coverage within a year before or after the bankruptcy filing.) Upon occurrence of such an event, retired Employees and their eligible Dependents may continue their coverage under the Plan of Benefits until the date of death of the retiree. If a retiree dies while on this special continued coverage, surviving Dependents may elect to continue coverage for up to 36 additional months.

Except for items E, G, and H, above, the Plan Administrator is responsible for getting the proper form(s) to the Participant so continuation of coverage can be applied for.

For items E, G, and H, the Participant is responsible for notifying the Plan Administrator within sixty (60) days that the qualifying event has occurred. The notice must be given in writing to the Plan Administrator and should contain this information: (1) name of benefit Plan, (2) covered Employee’s name, (3) your name and address, and (4) the type of qualifying event and the date it occurred. Upon receipt of notice, the Plan Sponsor will then forward the COBRA application form to the Participant or the appropriate Dependent.

The Participant or the appropriate Dependent must complete a COBRA application form and return it to the Plan Administrator no later than 60 days (called the election period) from the later of: (1) the date the Participants coverage ends, or (2) the date the Participant receives notice of the right to apply for continuation coverage.

An application by the Participant or their spouse for continuation of coverage also applies to any other family members who also lose coverage for the same reason. However, each family member losing coverage for the same reason is entitled to make a separate application for continuation of coverage. If there is a choice among types of coverage under the Plan of Benefits, each family member can make a separate selection from the available types of coverage.

During an 18-month continuation of coverage period, some persons may have another situation occur to them from among items B, C, D, and F through I. They will be entitled to continuation of coverage for an overall total of up to **36** months. For items G and H, the Participant must notify the Plan Administrator within **60** days that the situation has occurred.

Premiums for continuation of coverage should be paid to the Plan Administrator or their designated party. The Plan Administrator has the right to require you to pay the entire Premium, even if active employees pay only part of the Premium. The Plan Administrator also has the right to charge and keep an extra two percent administration fee each month. For disabled employees who have applied for the 29-month COBRA continuation period, the Plan Administrator has the right to charge 150% of the applicable Premium each month for the 19th month through the 29th month of coverage.

For those Participants electing COBRA continuation of coverage, the first Premium payment must be postmarked and mailed to the Plan Administrator by the 45th day after the Participant elects continuation coverage. Thereafter, Premium payments are due on the first of each month. There is a 31-day grace period for payment of the monthly Premiums.

COBRA Continuation of Coverage ends earlier than the maximum continuation period under these circumstances:

- A. When Premiums are not paid on time.
- B. When the Participant who has continuation of coverage becomes covered under another group health Plan or Medicare, after the date of the COBRA election, through employment or otherwise.
- C. When a disabled person covered under the extended 29-month COBRA continuation period has been determined by the Social Security Administration to be no longer disabled, coverage ends for the disabled person and any covered family members on the later of 30 days after the determination or 18 months. (Notification must be given to the Company within 30 days of final determination.)
- D. The termination of the Group Health Plan.

Uniformed Services Employment and Re-employment Rights Act (USERRA)

- A. In any case in which an Employee or any of such Employee's Dependents has coverage under the Plan of Benefits, and such Employee is not Actively at Work by reason of active duty service in the uniformed services, the Employee may elect to continue coverage under the Plan of Benefits as provided in this section. The maximum period of coverage of the Employee and such Employee's Dependents under such an election shall be the lesser of:
- i. The twenty-four (24) month period beginning on the date on which the Employee's absence from being Actively at Work by reason of active duty service in the uniformed services begins;
 - ii. The day after the date on which the Employee fails to apply for or return to a position of employment, as determined under USERRA.
- The continuation of coverage period under USERRA will be counted toward any continuation of coverage period available under COBRA.
- B. An Employee who elects to continue coverage under this section of the Group Health Plan must pay one hundred and two percent (102%) such Employee's normal Premium. Except that, in the case of an Employee who performs service in the uniformed services for less than thirty-one (31) days, such Employee will pay the normal contribution for the thirty-one (31) days.
- C. An Employee who is qualified for re-employment under the provisions of USERRA will be eligible for reinstatement of coverage under the Group Health Plan upon re-employment. Except as otherwise provided in this Article upon re-employment and reinstatement of coverage no new exclusion or Probationary Period will be imposed in connection with the reinstatement of such coverage if an exclusion or Waiting Period normally would have been imposed. This Article applies to the Employee who is re-employed and to a Dependent who is eligible for coverage under the Group Health Plan by reason of the reinstatement of the coverage of such Employee.
- D. This Section shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

National Defense Authorization Act—Military Leave Entitlements

- A. Permits a "spouse, son, daughter, parent or next of "kin" to take up to 26 workweeks of leave to care for a "member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy and is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness".
- B. Permits an Employee to take FMLA leave for "any qualifying exigency (as the Secretary of Labor shall, by regulation, determine) arising out of the fact that the spouse, or a son, daughter, or parent of the Employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation".

SUBROGATION / RIGHT OF REIMBURSEMENT

In the event Benefits are provided to or on behalf of a Participant under the terms of this Plan of Benefits, the Participant agrees, as a condition of receiving Benefits under the Plan of Benefits, to transfer to the Group Health Plan all rights to recover damages in full for such Benefits when the injury or illness occurs through the act or omission of another person, firm, corporation, or organization. The Group Health Plan shall be subrogated, at its expense, to the rights of recovery of such Participant against any such liable third party.

If, however, the Participant receives a settlement, judgment, or other payment relating to an injury or illness from another person, firm, corporation, organization or business entity for the injury or illness, the Participant agrees to reimburse the Group Health Plan in full, and in first priority, for Benefits paid by the Group Health Plan relating to the injury or illness. The Group Health Plan's right of recovery applies regardless of whether the recovery, or a portion thereof, is specifically designated as payment for, but not limited to, medical Benefits, pain and suffering, lost wages, other specified damages, or whether the Participant has been made whole or fully compensated for his/her injuries.

The Group Health Plan's right of full recovery may be from the third party, any liability or other insurance covering the third party, the insured's own uninsured motorist insurance, underinsured motorist insurance, any medical payments (Med-Pay), no fault, personal injury protection (PIP), malpractice, or any other insurance coverage that are paid or payable.

The Group Health Plan will not pay attorney's fees, costs, or other expenses associated with a claim or lawsuit without the expressed written authorization of the Group Health Plan.

The Participant shall not do anything to hinder the Group Health Plan's right of subrogation and/or reimbursement. The Participant shall cooperate with the Group Health Plan and execute all instruments and do all things necessary to protect and secure the Group Health Plan's right of subrogation and/or reimbursement, including assert a claim or lawsuit against the third party or any insurance coverage to which the Participant may be entitled. Failure to cooperate with the Group Health Plan will entitle the Group Health Plan to withhold Benefits due the Participant under the Plan of Benefits document. Failure to reimburse the Group Health Plan as required will entitle the Group Health Plan to deny future Benefit payments for all Participants under this policy until the subrogation/reimbursement amount has been paid in full.

It is further agreed that the Participant will sign a written agreement to repay the Group Health Plan in full out of any money that the Participant receives from a negligent person or organization. If the Participant fails to sign such an agreement, the Group Health Plan reserves the right to withhold payment of the Participant's claims, which relate to the negligence of another person or organization, until such time as the Participant signs the agreement to repay.

WORKERS' COMPENSATION PROVISION

This policy does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained by a Participant that arises out of, in connection with, or as the result of any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Participant. Benefits will not be provided under this Plan if coverage under the Workers' Compensation Act or similar law would have been available to the Participant but the Participant elects exemption from available Workers' Compensation coverage; waives entitlement to Workers' Compensation benefits for which he/she is eligible; fails to timely file a claim for Workers' Compensation benefits; or seeks treatment for the injury or illness from a provider that is not authorized by the Participant's Plan Sponsor.

If the Group Health Plan, or its designee, including PAI (hereinafter referred to as "the Plan") pays Benefits for an injury or illness and the Plan determines the Participant also received Workers' Compensation benefits by means of a settlement, judgment, or other payment for the same injury or illness, Participant shall reimburse the Plan in full all Benefits paid by the Plan relating to the injury or illness.

The Plan's right of recovery will be applied even if: the Workers' Compensation benefits are in dispute or are made by means of a compromised, doubtful and disputed, clincher or other settlement; no final determination is made that the injury or illness was sustained in the course of or resulted from the Participant's employment; the amount of Workers' Compensation benefits due to medical or health care is not agreed upon or defined by the Participant or the Workers' Compensation carrier; or the medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

As a condition of receiving Benefits under this Plan of Benefits, the Participant agrees to notify the Plan of any Workers' Compensation claim he/she may make and agrees to reimburse the Plan as described herein. The Participant shall not do anything to hinder the Plan's right of recovery. The Participant shall cooperate with the Plan, execute all documents, and do all things necessary to protect and secure the Plan's right of recovery, including assert a claim or lawsuit against the Workers' Compensation carrier or any other insurance coverage to which the Participant may be entitled. Failure to cooperate with the Plan will entitle the Plan to withhold Benefits due the Participant under this Plan of Benefits. Failure to reimburse the Plan as required under this Section will entitle the Plan to invoke the Workers' Compensation Exclusion and deny payment for all claims relating to the injury or illness and/or deny future Benefit payments for any such Participant until the reimbursement amount has been paid in full.

COORDINATION OF BENEFITS

Coordination of benefits rules apply when a Participant is covered by this Plan of Benefits and also covered by any other Plan or Plans. When more than one coverage exists, one Plan normally pays its benefits in full and the other Plan pays a reduced benefit. This Plan of Benefits will always pay either its Benefits in full or a reduced amount that, when added to the benefits payable by the other Plan or Plans, will not exceed 100% of Allowed Amounts. Only the amount paid by the Plan of Benefits will be included for purposes of determining the maximums in the Schedule of Benefits. Through the coordination of benefits, a Participant or Dependent will not receive more than the Allowed Amounts for a loss.

The coordination of benefits provision applies whether or not a claim is filed under the other Plan or Plans. The Participant agrees to provide authorization to this Plan of Benefits to obtain information as to benefits or services available from any other Plan or Plans, or to recover overpayments. All Benefits contained in the Plan of Benefits are subject to this provision.

When this Plan of Benefits is primary, Benefits are determined before those of the other Plan. The benefits of the other Plan are not considered. When this Plan of Benefits is secondary, Benefits are determined after those of the other Plan. Benefits may be reduced because of the other Plan's benefits. When there are more than two Plans, this Plan of Benefits may be primary as to one and may be secondary as to another.

ORDER OF DETERMINATION

If a Participant covered hereunder is also covered for comparable benefits or services under another Plan that is the Primary Plan, Benefits applicable under this Plan of Benefits will be reduced so that, for benefits incurred, benefits available under all Plans shall not exceed the Allowed Amounts of such benefits.

This Plan of Benefits determines its order of Benefits using the first of these that apply:

- A. **General** - A Plan that does not coordinate with other Plans is always the Primary Plan;
- B. **Non-Dependent/Dependent** - The benefits of the Plan that covers the person as an Employee (other than a Dependent) is the Primary Plan; the Plan that covers the person as a Dependent is the Secondary Plan;
- C. **Dependent Child/Parents Not Separated or Divorced** - Except as stated in (D) below, when this Plan of Benefits and another Plan cover the same Child as a Dependent of different parents:
 1. The Primary Plan is the Plan of the parent whose birthday (month and day) falls earlier in the year. The Secondary Plan is the Plan of the parent whose birthday falls later in the year; but
 2. If both parents have the same birthday, the benefits of the Plan that covered the parent the longer time is the Primary Plan; the Plan that covered the parent the shorter time is the Secondary Plan;
 3. If the other Plan does not have the birthday rule, but has the gender rule and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
- D. **Dependent Child/Separated or Divorced Parents** - If two or more Plans cover a person as a Dependent Child of divorced or separated parents, benefits for the Child are determined in this order:
 1. First, the Plan of the parent with custody of the Child;
 2. Then, the Plan of the spouse of the parent with custody;
 3. Finally, the Plan of the parent without custody of the Child.

Nevertheless, if the specific terms of a court decree state that one parent is responsible for the health care expenses of the Child, then that parent's Plan is the Primary Plan. If a court decree exists stating that the parents shall share joint custody, without stating that one of the parents is financially responsible for the health care of the Child, the order of liability will be determined according to the rules for Dependent Children whose parents are not separated or divorced. Anyone who legally adopts the Child will assume natural parent status.

- E. **Active/Inactive Employee** - The Primary Plan is the Plan that covers the person as an Employee who is neither laid off nor retired (or as that Employee's Dependent). The Secondary Plan is the Plan that covers that person as

a laid off or retired Employee (or as that Employee's Dependent). If the other Plan does not have this rule, and if, as result the Plans do not agree on the order of benefits, this rule does not apply.

- F. **Longer/Shorter Length of Coverage** - If none of the above rules determines the order of benefits, the Primary Plan is the Plan that covered an Employee longer. The Secondary Plan is the Plan that covered that person the shorter time.
- G. In the case of a Plan that contains order of benefit determination rules that declare that Plan to be excess to or **always secondary to all other Plans**, this Plan of Benefits will coordinate benefits as:
1. If this Plan of Benefits is Primary, it will pay or provide Benefits on a Primary basis;
 2. If this Plan of Benefits is secondary, it will pay or provide Benefits first, but the amount of Benefits payable will be determined as if this Plan of Benefits were the Secondary Plan. The liability of this Plan of Benefits will be limited to such payment;
 3. If the Plan does not furnish the information needed by this Plan of Benefits to determine Benefits within a reasonable time after such information is requested, this Plan of Benefits shall assume that the benefits of the other Plan are the same as those provided under this Plan of Benefits, and shall pay Benefits accordingly. When information becomes available as to the actual benefits of the other Plan, any Benefit payment made under this Plan of Benefits will be adjusted accordingly.

H. **Right To Coordination of Benefits Information**

The Plan Administrator and PAI have the right:

1. To obtain or share information with any insurance company or other organization regarding coordination of benefits without the claimant's consent;
2. To require that the claimant provide the Plan Administrator with information on such other Plans so that this provision may be implemented;
3. To pay more than the amount due under this Plan of Benefits to an insurer or other organization if this is necessary, in the Plan Administrator or PAI's opinion, to satisfy the terms of this provision.

I. **Facility of Payment**

Whenever payments that should have been made under this Plan of Benefits in accordance with this provision have been made under any other Plan or Plans, the Plan Administrator will have the right, exercisable alone and in its sole discretion, to pay to any insurance company or other organizations or person making such other payments any amount it will determine in order to satisfy the intent of this provision, and amount so paid will be deemed to be Benefits paid under this Plan of Benefits and to the extent of such payment, the Plan Administrator will be fully discharged from liability under this Plan of Benefits. The Benefits that are payable will be charged against any applicable Maximum Payment or Benefit of this Plan of Benefits rather than the amount payable in the absence of this provision.

J. **Medicare**

Individuals Age 65 or Older

If you are a Participant and are age 65 or older, this Plan is the primary payer. Medicare will be the secondary payer.

If you are a retiree and are age 65 or older and are eligible to participate in this Plan, Medicare will be the primary payer and this Plan will pay secondary.

If you are not a Participant and are age 65 or older, Medicare will be your only medical coverage.

Disabled Participants*

If you are a Participant who is disabled, this Plan is the primary payer and Medicare is the secondary payer.

*This applies for Plans with 100 or more employees. (If the Plan has less than 100 employees, Medicare is primary for disabled individuals).

End-Stage Renal Disease

If you have End-Stage Renal Disease and are a Participant, this Plan is the primary payer and Medicare is the secondary payer for the first 30 months of eligibility or entitlement to Medicare. After 30 months, Medicare will be the primary payer, and this Plan will be the secondary payer.

COBRA - Age 65 or Older or Disabled

If you are age 65 or older or disabled, and covered by Medicare and COBRA, Medicare will be the primary payer and the COBRA coverage will pay secondary.

Coordination:

When Medicare is primary and the Plan is secondary, Medicare (Parts A and B) will be considered a Plan for the purposes of coordination of benefits. The Plan will coordinate benefits with Medicare whether or not the Participant or their Dependents is/are actually receiving Medicare benefits.

ERISA RIGHTS

As a Participant in this Group Health Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (“ERISA”) provided the Plan Sponsor is subject to ERISA regulations. ERISA provides that all Participants shall be entitled to:

Receive Information about Your Plan and Benefits

Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as work sites and union halls, all documents governing the Group Health Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration (“EBSA”).

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Group Health Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The Plan Administrator may assess a reasonable charge for the copies.

Receive, upon request, a summary of the Group Health Plan’s annual financial report. The Plan Administrator is required by law to furnish each Participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself and your Dependents if there is a loss of coverage under the Group Health Plan as a result of a Qualifying Event. You or your Dependents may have to pay for such continuation coverage. You should review the documents governing COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Participants, ERISA imposes duties upon the people who are responsible for the operation of an employee welfare benefit plan. The people who administer an employee welfare benefit plan are called “fiduciaries” and have a duty to do so prudently and in the interest of the Participants. The Plan Sponsor is the fiduciary of the Group Health Plan.

Enforce Your Rights

If your claim for a Benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within thirty (30) days, you may file suit in federal court. In such case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for Benefits that is denied or ignored, in whole or in part, you may file suit in state or federal court. In addition, if you disagree with the Plan Administrator’s decision or lack thereof concerning the qualified status of a domestic relations order or a Medical Child Support Order, you may file suit in federal court. If Plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

No one, including your Plan Sponsor, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Benefit or exercising your rights under ERISA.

Assistance with Your Questions

If you have any questions about the Group Health Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

DISCLOSURE OF PROTECTED HEALTH INFORMATION TO PLAN SPONSOR

The Group Health Plan will disclose (or require PAI to disclose) Participant's PHI to the Plan Sponsor only to permit the Plan Sponsor to carry out Plan administration functions for the Group Health Plan not inconsistent with the requirements of HIPAA. Any disclosure to and use by the Plan Sponsor will be subject to and consistent with the provisions of the sections below.

1. Disclosure of Protected Health Information to Plan Sponsor.
 - a. The Group Health Plan and any health insurance issuer or business associate servicing the Group Health Plan will disclose PHI to the Plan Sponsor only to permit the Plan Sponsor to carry out Plan administration functions for the Group Health Plan not inconsistent with the requirements of the HIPAA and its implementing regulations, as amended. Any disclosure to and use by the Plan Sponsor of PHI will be subject to and consistent with the provisions of paragraphs 2 and 3 of this section.
 - b. Neither the Group Health Plan nor any health insurance issuer or business associate servicing the Plan of Benefits will disclose Participant's PHI to the Plan Sponsor unless the disclosures are explained in the Notice of Privacy Practices distributed to the Participants.
 - c. Neither the Group Health Plan nor any health insurance issuer or business associate servicing the Plan of Benefits will disclose Participant's PHI to the Plan Sponsor for the purpose of employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor.
2. Restrictions on Plan Sponsor's Use and Disclosure of Protected Health Information.
 - a. The Plan Sponsor will neither use nor further disclose Participant's PHI, except as permitted or required by the Plan documents, as amended, or required by law.
 - b. The Plan Sponsor will ensure that any agent, including any subcontractor, to whom it provides Participant's PHI, agrees to the restrictions and conditions of the Plan of Benefits, with respect to PHI.
 - c. The Plan Sponsor will not use or disclose Participant PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor.
 - d. The Plan Sponsor will report to the Group Health Plan any use or disclosure of Participant PHI that is inconsistent with the uses and disclosures allowed under this section promptly upon learning of such inconsistent use or disclosure.
 - e. The Plan Sponsor will make PHI available to the Participant who is the subject of the information in accordance with HIPAA.
 - f. The Plan Sponsor will make PHI available for amendment, and will on notice amend Participant PHI, in accordance with HIPAA.
 - g. The Plan Sponsor will track disclosures it may make of Participant PHI so that it can make available the information required for the Group Health Plan to provide an accounting of disclosures in accordance with HIPAA.
 - h. The Plan Sponsor will make available its internal practices, books, and records, relating to its use and disclosure of Participants' PHI, to the Group Health Plan and to the U.S. Department of Health and Human Services to determine compliance with HIPAA.
 - i. The Plan Sponsor will, if feasible, return or destroy all Participant PHI, in whatever form or medium (including in any electronic medium under the Plan Sponsor's custody or control), received from the Group Health Plan, including all copies of and any data or compilations derived from and allowing identification of any Participant who is the subject of the PHI, when the Participants' PHI is no longer needed for the Plan administration functions for which the disclosure was made. If it is not feasible to return or destroy all Participant PHI, the Plan Sponsor will limit the use or disclosure of any Participant PHI it cannot feasibly return or destroy to those purposes that make the return or destruction of the information infeasible.

3. Adequate Separation Between the Plan Sponsor and the Group Health Plan.
 - a. Certain classes of employees or other workforce members under the control of the Plan Sponsor may be given access to Participant PHI received from the Group Health Plan or business associate servicing the Group Health Plan:
 - b. These employees will have access to PHI only to perform the Plan administration functions that the Plan Sponsor provides for the Group Health Plan.
 - c. These employees will be subject to disciplinary action and sanctions, including termination of employment or affiliation with the Plan Sponsor, for any use or disclosure of Participant PHI in breach or violation of or noncompliance with the provisions of this section of the Plan of Benefits. The Plan Sponsor will promptly report such breach, violation or noncompliance to the Group Health Plan, and will cooperate with the Group Health Plan to correct the breach, violation or noncompliance, to impose appropriate disciplinary action or sanctions on each employee or other workforce member causing the breach, violation or noncompliance, and to mitigate any deleterious effect of the breach, violation or noncompliance on any Participant, the privacy of whose PHI may have been compromised by the breach, violation or noncompliance.
 - d. Plan Sponsor shall ensure that the separation required by the above provisions will be supported by reasonable and appropriate security measures.

4. Plan Sponsor Obligations to the security of Electronic Protected Health Information (“ePHI”):

Where ePHI will be created, received, maintained or transmitted to or by the Plan Sponsor on behalf of the Group Health Plan, the Plan Sponsor shall reasonably safeguard the ePHI as follows:

- a. Plan Sponsor will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the ePHI that the Plan Sponsor creates, receives, maintains or transmits on behalf of the Group Health Plan. Plan Sponsor will ensure that any agent, including a subcontractor, to whom it provides ePHI agrees to implement reasonable and appropriate security measures to protect this information;
- b. The Plan Sponsor shall report any security incident of which it becomes aware to the Group Health Plan as provided below.
 - i. In determining how and how often Plan Sponsor shall report security incidents to Group Health Plan, both Plan Sponsor and Group Health Plan agree that unsuccessful attempts at unauthorized access or system interference occur frequently and that there is no significant benefit for data security from requiring the documentation and reporting of such unsuccessful intrusion attempts. In addition, both parties agree that the cost of documenting and reporting such unsuccessful attempts as they occur outweigh any potential benefit gained from reporting them. Consequently, both Plan Sponsor and Group Health Plan agree that this Agreement shall constitute the documentation, notice and written report of any such unsuccessful attempts at unauthorized access or system interference as required above and by 45 C.F.R. Part 164, Subpart C, and that no further notice or report of such attempts will be required. By way of example (and not limitation in any way), the Parties consider these to be illustrative (but not exhaustive) of unsuccessful security incidents when they do not result in unauthorized access, use, disclosure, modification, or destruction of ePHI or interference with an information system:
 - Pings on a Party’s firewall,
 - Port scans,
 - Attempts to log on to a system or enter a database with an invalid password or username,
 - Denial-of-service attacks that do not result in a server being taken off-line, and
 - Malware (e.g., worms, viruses)

- ii. Plan Sponsor shall, however, separately report to Group Health Plan (i) any successful unauthorized access, use, disclosure, modification, or destruction of the Group Health Plan's ePHI of which Plan Sponsor becomes aware if such security incident either (a) results in a breach of confidentiality; (b) results in a breach of integrity but only if such breach results in a significant, unauthorized alteration or destruction of Group Health Plan's ePHI; or (c) results in a breach of availability of Group Health Plan's ePHI, but only if said breach results in a significant interruption to normal business operations. Such reports will be provided in writing within ten (10) business days after Plan Sponsor becomes aware of the impact of such security incident upon Group Health Plan's ePHI.

GENERAL INFORMATION

Whereas Plan Sponsor establishes this Group Health Plan and the applicable Benefits, rights and privileges that shall pertain to participating employees, hereinafter referred to as “Employees” and the eligible Dependents of such Employees, as herein defined, for which Benefits are provided through a fund established by the Plan Sponsor and hereinafter referred to as the “Plan of Benefits”:

ADMINISTRATIVE SERVICES ONLY

PAI provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims. The Group Health Plan is a self-funded health Plan, and the Plan Sponsor assumes all financial risk and obligation with respect to claims.

CLERICAL ERRORS

Clerical errors by PAI or the Plan Sponsor will not cause a denial of Benefits that should otherwise have been granted, nor will clerical errors extend Benefits that should otherwise have ended.

GOVERNING LAW

The Group Health Plan may be governed by and subject to ERISA and any other applicable federal law. If ERISA or another federal law does not apply, the Group Health Plan is governed by and subject to the laws of the State of South Carolina. If federal law conflicts with any state law, then such federal law shall govern. If any provision of the Group Health Plan conflicts with such law, the Group Health Plan shall automatically be amended solely as required to comply with such state or federal law.

IDENTIFICATION CARD

A Participant must present their Identification Card prior to receiving Benefits.

Having an Identification Card creates no right to Benefits or other services. To be entitled to Benefits, the cardholder must be a Participant whose Premium has been paid. Any person receiving Covered Expenses to which the person is not entitled will be responsible for the charges.

INFORMATION AND RECORDS

PAI and the Plan Sponsor are entitled to obtain such medical and Hospital records as may reasonably be required from any Provider incident to the treatment, payment and health-care operations for the administration of the Benefits hereunder and the attending Physician’s certification as to the Medical Necessity for care or treatment.

LEGAL ACTIONS

No action at law or in equity can be brought under the Group Health Plan until such Participant has exhausted the administrative process (including the exhaustion of all appeals) as described in this booklet. No such action may be brought after the expiration of any applicable period prescribed by law.

MISSTATEMENT OF AGE

If age is a factor in determining eligibility or amount of coverage and there has been a misstatement of age, the coverage or amounts of Benefits, or both, for which the person is covered shall be adjusted in accordance with the covered individual’s true age. Any such misstatement of age shall neither continue coverage otherwise validly terminated, nor terminate coverage otherwise validly in force. Contributions and Benefits will be adjusted on the contribution due date next following the date of the discovery of such misstatement.

NEGLIGENCE OR MALPRACTICE

PAI and the Plan Sponsor do not practice medicine. Any medical treatment, service or Medical Supplies rendered to or supplied to any Participant by a Provider is rendered or supplied by such Provider and not by PAI or the Plan Sponsor. PAI and the Plan Sponsor are not liable for any improper or negligent act, inaction or act of malfeasance of any Provider in rendering such medical treatment, service, Medical Supplies or medication.

Except as otherwise provided in this Plan of Benefits, any notice under the Group Health Plan may be given by United States mail, postage paid and addressed:

1. To PAI:

NO WAIVER OF RIGHTS

On occasion, PAI (on behalf of the Group Health Plan) or the Plan Sponsor may, at their discretion, choose not to enforce all of the terms and conditions of this Plan of Benefits. Such a decision does not mean the Group Health Plan or the Plan Sponsor waives or gives up any rights under this Plan of Benefits in the future.

OTHER INSURANCE

Each Participant must provide the Group Health Plan (and its designee, including PAI) and the Plan Sponsor with information regarding all other Health Insurance Coverage to which such Participant is entitled.

PAYMENT OF CLAIMS

Except for the Participant's Provider, a Participant is expressly prohibited from assigning any right to payment of Covered Expenses or any payment related to Benefits. The Group Health Plan may pay Covered Expenses directly to the Employee or to the Non-Participating Provider upon receipt of due proof of loss for services provided by a Non-Participating Provider. Where a Participant has received Benefits from a Participating Provider or Contracting Provider, the Group Health Plan will pay Covered Expenses directly to such Participating Provider or Contracting Provider.

PHYSICAL EXAMINATION

The Group Health Plan has the right to examine, at their own expense, a Participant whose injury or sickness is the basis of a claim (whether Pre-Service, Post-Service, Concurrent or Urgent Care). Such physical examination may be made as often as the Group Health Plan (through its designee, including PAI) may reasonably require while such claim for Benefits or request for Preauthorization is pending.

PLAN AMENDMENTS

Upon thirty (30) days prior written notice, the Plan Sponsor may unilaterally amend the Group Health Plan. Increases in the Benefits provided or decreases in the Premium are effective without such prior notice. Notice of an amendment will be effective when addressed to the Plan Sponsor. PAI has no responsibility to provide individual notices to each Participant when an amendment to the Group Health Plan has been made.

PLAN IS NOT A CONTRACT

This Plan of Benefits constitutes the entire Group Health Plan. The Plan of Benefits will not be deemed to constitute a contract of employment or give any employee of the Plan Sponsor the right to be retained in the service of the Plan Sponsor or to interfere with the right of the Plan Sponsor to discharge or otherwise terminate the employment of any employee.

PLAN INTERPRETATION

The Plan Administrator has full discretionary authority to interpret and apply all Plan of Benefits provisions, including, but not limited to, all issues concerning eligibility and determination of Benefits. The Plan Administrator may contract with an independent administrative firm to process claims, maintain Group Health Plan data, and perform other Group Health Plan-connected services; however, final authority to construe and apply the provisions

of the Plan of Benefits rests exclusively with the Plan Administrator. Decisions of the Plan Administrator, made in good faith, shall be final and binding.

REPLACEMENT COVERAGE

If the Group Health Plan replaced the Plan Sponsor's prior Plan, all eligible persons who were validly covered under that Plan on its termination date will be covered on the Plan of Benefits Effective Date of the Group Health Plan, provided such persons are enrolled for coverage as stated in the Eligibility for Coverage Section.

TERMINATION OF PLAN

The Plan Administrator reserves the right at any time to terminate the Group Health Plan by a written instrument to that effect. All previous contributions by the Plan Administrator shall continue to be issued for the purpose of paying Benefits under the provisions of this Plan of Benefits with respect to claims arising before such termination, or shall be used for the purpose of providing similar health Benefits to covered Employees, until all contributions are exhausted.

The term "Usual and Customary" does not necessarily mean the actual charge made nor the specific service or supply furnished to a Participant by a provider of services or supplies, such as a physician, therapist, nurse, hospital, or pharmacist. The Plan Administrator will determine what the Usual and Customary charge is, for any procedure, service, or supply, and has the discretionary authority to decide whether a specific procedure, service or supply is Usual and Customary.

Usual and Customary charges may alternatively be determined and established by the Plan using normative data such as Medicare cost to charge ratios, average wholesale price (AWP) for prescriptions and/or manufacturer's retail pricing (MRP) for supplies and devices. In the event a PPO network provider is utilized, the network scheduled allowance may be utilized in lieu of the Usual and Customary Charge. This does not, however, remove the Plan Administrator's discretionary authority to decide whether a charge is Usual and Customary.

Waiting Period: a period of continuous employment with the Plan Sponsor that an Employee must complete before becoming eligible to enroll in the Plan of Benefits.

Oconee County Ordinance 2016-24
EXHIBIT A

**MODIFICATIONS TO THE OCONEE COUNTY HEALTH INSURANCE
PLAN - RETIREE HEALTH INSURANCE PLAN PROVISIONS**

THESE RETIREE HEALTH INSURANCE PLAN (THE “PLAN”) PROVISIONS ARE SUBJECT TO CHANGE, AND THE COUNTY’S ABILITY TO FUND THIS BENEFIT CAN BE IMPACTED BY FISCAL CHALLENGES AND LEGISLATIVE CHANGES. DUE TO THE RISK OF UNKNOWN CIRCUMSTANCES, THIS PLAN, AS DESCRIBED HEREIN, MAY BE DEEMED UNSUSTAINABLE AT SOME FUTURE TIME. THE RETIREE HEALTH INSURANCE GUIDELINES DESCRIBED HEREIN, OR OTHERWISE, ARE DISCRETIONARY ON THE PART OF THE COUNTY AND THE EMPLOYEE AND DO NOT CREATE ANY EXPRESS OR IMPLIED CONTRACT OF THIS BENEFIT BEING PROVIDED IN THE FUTURE OR IN ANY PARTICULAR AMOUNT AT ANY PARTICULAR TIME. NO PAST PRACTICES OR PROCEDURES, PROMISES OR ASSURANCES, WHETHER WRITTEN OR ORAL, FORM ANY EXPRESS OR IMPLIED AGREEMENT TO CONTINUE SUCH PRACTICES OR PROCEDURES. IT IS EXPLICITLY STATED AND RECOGNIZED BY THE COUNTY AND EVERY EMPLOYEE OR OTHER PERSON ACCEPTING BENEFITS UNDER THE PLAN THAT ALL EMPLOYMENT IN OCONEE COUNTY (EXCEPT FOR THE OCONEE COUNTY ADMINISTRATOR) IS “AT WILL” AND THAT NO OCONEE COUNTY EMPLOYEE (EXCEPT FOR THE OCONEE COUNTY ADMINISTRATOR) HAS AN EMPLOYMENT AGREEMENT OR CONTRACT, AND THAT ALL PROVISIONS OF ANY AND ALL EMPLOYMENT BENEFITS, INCLUDING, WITHOUT LIMITATION, THOSE DESCRIBED IN THIS PLAN ARE ALWAYS SUBJECT TO ANNUAL APPROPRIATION BY THE OCONEE COUNTY COUNCIL, WHICH IS NEVER GUARANTEED AND NEVER WILL BE GUARANTEED.

1. To the extent there are any inconsistencies between the provisions contained herein and the provisions of “ATTACHMENT C” to Ordinance 2016-01, the provisions herein supersede and replace such provisions, which are hereby revoked and repealed.
2. Oconee County (the “County”) acting by and through the Oconee County Council (“County Council”) currently pays a percentage of the total cost of health benefits for certain retirees of Oconee County and desires to share cost increases of such benefits with current and future retirees who are qualified by twenty (20) or more years of consecutive full-time employment with Oconee County.
3. All current retirees will continue with their current retiree health insurance / plan benefits, with no changes at this time; however, such benefits are subject to change in the future.
4. **Grandfathered Employees:**
 - a. “Grandfathered Employees” are those employees of Oconee County who had at least twenty (20) consecutive years of full-time employment for Oconee County as of December 31, 2013.
 - b. Upon retirement, Grandfathered Employees will remain on the Oconee County Health Care Plan, under the same terms and conditions as when they were

actively employed, until age 65 or when they become Medicare eligible, whichever occurs first. Spouses of Grandfathered Employees are eligible for the same coverage as Grandfathered Employees, provided the spouse is on the Grandfathered Employee's County Health Care Plan at the time of his or her retirement.

- c. Once a retired Grandfathered Employee reaches age 65, he or she is required to enroll in Medicare parts A & B in order to receive the Subsidy, as defined and described in Section 4.d. below,
 - d. The Subsidy:
 - i. The County desires to contribute a monthly subsidy to all Grandfathered Employees upon retirement, when they reach 65 years of age or when they become Medicare eligible, whichever occurs first.
 - ii. Current Oconee County paid health benefit coverage for Grandfathered Employees under the Oconee County Employee Health Care Plan shall cease when the Grandfathered Employee retires (becoming a "Grandfathered Retiree") and reaches age 65 or becomes Medicare eligible, whichever occurs first. Discontinuance of County paid health benefit coverage for spouses of Grandfathered Employees / Retirees will also occur when the spouse reaches age 65 or becomes Medicare eligible, whichever occurs first. Effective January 1, 2016 the County began contributing a monthly subsidy of \$158 per Grandfathered Retiree, or \$316 per month if married and the spouse is covered. This subsidy is solely for the purpose of assisting the Grandfathered Retiree and spouse, if applicable, in purchasing a Medicare supplemental insurance plan.
 - iii. Increases to the cost of the Oconee County Employee Health Care Plan will depend upon actual costs; increases to the Subsidy will change annually by the lower of CPI (Consumer Price Index) or 3% per year. The CPI increase will be determined using September over September time frame
 - iv. Grandfathered Employees / Retirees may choose to decline coverage under the Plan at any time, but they will not be allowed to re-enroll in the Plan in the future, (with the exception of 2 prior grandfathered employees with special circumstances).
5. **"Non-grandfathered Employees"** are those employees hired prior to July 1, 2005, who complete 20 years of consecutive employment for Oconee County but who do not qualify as Grandfathered Employees.
- a. Non-grandfathered Employees will remain eligible for Oconee County Employee Health Care Plan benefits upon their retirement, subject to the conditions stated therein, and otherwise provided by law.
 - b. Spouses of Non-grandfathered Employees will not be eligible for Oconee County Employee Health Care Plan coverage upon retirement of the Non-grandfathered Employee.
 - c. Once a Non-grandfathered Employee retires and attains the age of 65 or becomes Medicare eligible, whichever occurs first, Oconee County Employee Health Care Plan Coverage will cease.
 - d. No Subsidy will be provided Non-grandfathered Employees or their spouses.

6. For all groups (Grandfathered and Non-grandfathered), identified in these guidelines, only actual Oconee County employment time is considered for the purpose of determining contributions by Oconee County. No purchased service time of any kind will be considered for any group for purposes of retiree health benefits from Oconee County.
7. Employees hired after June 30, 2005 are ineligible for both retiree health care coverage and the Subsidy

I am a resident of Oconee and have been here all my life. Never left but for a short while and realized there was nowhere like home. I hate to say this but I am very disappointed with this council. You have been appointed by the people to serve us and our best interests. All of us! Not special interest groups, not Seneca Journal or Tell Willie or just the rich but All. This is the Bible Belt and do any of you believe in the Bible or God's teachings? How about "Love your neighbor as Yourself"? How about "Do unto others as you would have them do unto you! " Does a code enforcement officer seem to fit these descriptions? How about the church and community is to help the widows and orphans? If a code enforcement officer goes around trespassing on peoples property someone is going to be shot! You are just escalating bad situations. How about trying to help and love these ppl instead of hurting them! A code enforcement officer is not the way to go! Also you are not listening to us when we say go back and check the budget! For this county that has Duke energy in it, our budget should not be as high as what you are proposing. Do it fast but rework the budget!!! One last thing and the reason i asked Mr Durham to read this tonight with no name attached is because of my past that my family does not know about. You see I am a murderer. Back in the 70's when i was stupid and naive i killed my unborn child. I didn't have anyone telling me it was alive and that it could be adopted and loved. All i had was ppl telling me that it was unwanted and i could do what i wanted and it was fine. Well it wasn't. They don't tell you of the guilt and shame that goes along with abortion. They don't tell you of the sleepless nights thinking of the baby of what it could have become if only i would have allowed it to live. I know i am forgiven through Christ and that one day i will see my baby again but that doesn't make it right and the utter disregard for life I've seen from this council makes me sick. From the unborn to the poor. It looks like from the outside looking in that if you are not from Keowee Key or have money then you don't matter. I beg to differ . We all matter. There is a new petition going around to make this county a sanctuary county for life. Please take time to consider it. Not just for the unborn but for all ages, the elderly, and all races! Someday soon it may pass that they want to just put elderly to sleep because they are too hard to care for. Then there is this CRT that is trying to poison our schools which is nothing but racist. How will you feel at 85 if they say ok buddy your time is up! Think it cant happen. Think again. Time to take a stand! I stand for all lives matter! From all backgrounds, ages, races and economics. I hope this council will too!
